B. Completion of the Alliance Works is scheduled for [the agreed date but not later than June 2014].

C. We have agreed to form an Alliance for the purpose of carrying out the Alliance Works and to develop innovative solutions which aim to achieve outstanding outcomes and result in a win-win position for all of the Participants in performing the Alliance Works.

D. We will use our best endeavours to ensure that the Alliance Works are carried out in a co-operative, co-ordinated and efficient manner so as to achieve the Alliance Objectives in compliance with the Alliance Principles.

E. This Agreement sets out the Alliance Principles by which we are to carry out the Alliance Works so as to achieve the Alliance Objectives and the manner in which we will be reimbursed for that participation in the Alliance.

1.2 Commitment to act in good faith

We will, at all times, act in good faith and with trust and mutual respect in relation to the rights of the other Participants under this Agreement as well as our obligations to the other Participants, and this commitment includes, but is not limited to:

(a) being fair, reasonable and honest;

(b) doing all things reasonably expected of each other by the others to give effect to the spirit and intent of this Agreement;

(c) not impeding or restricting the performance of any other Participant's responsibilities under this Agreement; and

(d) if a Participant believes this Agreement is operating unfairly or unreasonably with respect to any other Participant, using best endeavours to achieve an agreement amongst all Participants on such action as may be necessary to remove the cause or causes of such unfairness or unreasonableness.

2. ALLIANCE LEADERSHIP TEAM

2.1 Creation of the ALT

The ALT is established on the date of this Agreement in accordance with this clause 2 and comprises the Representatives.

(d) We may, with prior written nomination to each other, be represented by an alternate person to act in place of our Representative during absences caused by normal planned leave and emergencies.

(e) We may replace our Representatives at any time, or nominate a substitute Representative by giving notice in writing to each other at least 10 Business Days before the change in representation takes place.

(f) If there is a new Participant that becomes a party to this Agreement, that Participant must nominate no more than two Representatives in writing for acceptance by the ALT.

(g) Membership of the ALT by a Representative will lapse immediately upon the Participant ceasing to be a party to this Agreement.

(h) From time to time and as required, the ALT will update the details in Schedule 6 (Alliance Leadership Team) to reflect the new members of the ALT.

(ii) hold meetings at least once every calendar month and otherwise when considered necessary by any of us;

(iii) not hold a meeting unless at least one Representative of each Participant is present at that meeting; and

(iv) determine the procedures and rules for those meetings.

(b) Each Representative must fully disclose any relevant interest or duty before participating in a discussion or determination of the ALT on an issue. Provided that the Representative has made such a full disclosure and complies with clause 1.1(d), the Representative will be entitled to fully participate in any such discussion or determination if a majority of the other Representatives (without the presence of that Representative) agrees that the Representative can fully participate, even though that Representative has, or may have, a conflicting interest or duty.

(c) Unless a Representative:

(i) has made full disclosure under clause 2.5(b); and
(ii) at all times acts in a manner consistent with clause 1.1(d),
the Representative is not entitled to participate in any discussion of the ALT.

(d) Each Representative will have equal rights at meetings of the ALT.

(ii) use independent experts to assist the ALT with any decision in connection with this Agreement; and

(iii) establish subcommittees to advise the ALT in connection with the Alliance. Any such committee will be given written terms of reference from the ALT and will be subject to procedures and rules determined by the ALT.

(f) A senior executive from each of the Participants not directly associated with the Alliance may attend meetings of the ALT as an observer.

(g) RMS Interface Manager may attend meetings of the ALT as an observer.

(c) Each Representative will, as soon as practicable and if he or she accepts the minutes as accurate, notify the secretary of acceptance of the minutes. If a Representative does not accept the minutes as accurate, the Representative must promptly provide any amendments to the minutes to the secretary and the secretary must promptly issue amended minutes to each Representative for approval. A Representative who fails to notify the secretary of acceptance or non-acceptance of the minutes within 7 Business Days of issue of the minutes will be deemed to have accepted the minutes. The procedures set out in this clause 2.7 will apply to the amended minutes.

(d) Following acceptance of the minutes by each of the Representatives, the minutes will be deemed to be the official record of the relevant meeting.

4. INTEGRATED PROJECT TEAM

4.1 Creation of the Integrated Project Team

The Integrated Project Team is created upon the establishment of the AMT and comprises the members of the AMT, the Alliance Manager and those people who the AMT appoints, from time to time, to the Integrated Project Team.

4.2 Functions of the Integrated Project Team

The Integrated Project Team will:

(a) act as a fully integrated team to function effectively and efficiently in accordance with the Alliance Objectives;
(b) carry out the Alliance Works under the leadership and management of the Alliance Manager; and

4.3 Members of the Integrated Project Team

(a) The Integrated Project Team will consist of the best available resources of each of us or other resources we agree to engage to ensure the successful completion of the Alliance Works.
(b) We will use our best endeavours to ensure that our personnel who are members of the Integrated Project Team remain (subject to satisfactory performance by the personnel) members of the Integrated Project Team until the AMT decides that those personnel are no longer required.

5. INVESTIGATION AND PROJECT PROPOSAL

5.1 Development and approval of scope of work

(a) We will carry out investigations to enable us to recommend to RMS a scope of work for the Alliance Works as contemplated under clause 5.1(b).

(b) The scope of work referred to in clause 5.1(a) must:

(i) be delivered by us to RMS within 60 Business Days after the date of this Agreement or such other period agreed in writing by RMS;

(ii) include the concept design for the new upgrade; and

(iii) set out an appropriately detailed estimate of the cost of the scope of work.

(c) Following receipt by RMS of the scope of work referred to in clauses 5.1(a) and (b), RMS may, in its discretion, elect to:

(i) approve the scope of work by notice in writing to the NOPs, in which case, clause 5.2 will apply on and from the date of that notice;

(ii) request the Participants to:

(A) carry out further investigations in relation to the proposed scope of work;

(B) amend the proposed scope of work to take into consideration the findings derived from the further investigations carried out by the Participants or any other amendments as otherwise required by RMS; and

(C) re-submit the amended scope of work to RMS for approval in accordance with this clause 5.1(c); or

(iii) give the ALT a notice in writing informing the ALT that the Alliance Works will not proceed, in which case, clause 11.1(a) will apply on and from the date of that notice.

5.2 Development and approval of Project Proposal

(a) If RMS approves the scope of work under clause 5.1(c)(i), we will prepare and deliver to RMS a Project Proposal for the Alliance Works within 60 Business Days after the date on which RMS notifies us in writing that it has approved the scope of work under clause 5.1(c)(i) or such other period agreed in writing by RMS.

(b) Following receipt of the Project Proposal, RMS may, in its discretion, elect to:

(i) approve the Project Proposal by notice in writing to the NOPs;

(ii) request the Participants to amend the Project Proposal and re-submit it to RMS for approval in accordance with this clause 5.2(b); or
(iii) give the ALT a notice in writing informing the ALT that the Alliance Works will not proceed, in which case, clause 11.1(a) will apply on and from the date of that notice.

5.3 Separable Portions

RMS may, as part of the process contemplated under clause 5.2, require the Participants to develop and submit to RMS a Project Proposal for each Separable Portion of the Alliance Works (if applicable).

6. ALLIANCE WORKS

6.1 Commencement and duration of Alliance Works

(a) We will not commence the Alliance Works unless and until RMS provides its approval in writing to the Project Proposal pursuant to clause 5.2(b)(i) or as otherwise agreed by RMS in writing.

(b) We will carry out the Alliance Works in accordance with the construction program that forms part of the Project Proposal approved under clause 5.2(b)(i).

(c) We may extend the Date for Completion only by written agreement of the ALT.

6.2 Compensation for Alliance Works

(a) RMS will pay the NOPs for carrying out the work under this Agreement in accordance with the Commercial Framework.

(b) Payment to the NOPs pursuant to clause 6.2(a) will be the sole compensation to the NOPs for the fulfilment of their obligations under this Agreement.

(c) Despite any other provision of this Agreement, RMS will be under no obligation to pay a NOP unless the NOP is in compliance with clauses 8.2 and 8.3 (inclusive).

(d) The terms of compensation under the Commercial Framework may be modified as determined by the ALT, but only where there is a Scope Change.

6.3 Set-off

(a) Without prejudice to any other rights, RMS may deduct from any monies which may be, or become, payable to a NOP any money due from that NOP to RMS.

(b) Nothing in this clause 6.3 will affect the right of RMS to recover from the NOP the whole of any debt or any balance that remains owing by that NOP after deduction.

6.4 Date for Completion

We agree that the Alliance Works must be executed to achieve Completion by the Date for Completion.

6.5 Certificate of Completion

(a) If the Alliance Manager considers that we have not achieved Completion by the Date for Completion, the Alliance Manager may issue a list of Defects which the Alliance Manager determines must be rectified by us prior to the issue of the Certificate of Completion.

(b) When the Alliance Manager considers that we have achieved Completion, the Alliance Manager will submit a draft Certificate of Completion to the ALT for its
approval. The draft Certificate of Completion must include a statement by the Alliance Manager to the effect that:

(i) the Alliance Manager is not aware of any Defects; and

(ii) to the best knowledge of the Alliance Manager, having made reasonable enquiry, the Alliance Works have reached Completion.

(c) If the ALT approves the draft Certificate of Completion, the Alliance Manager will sign and date the certificate and issue it to the Participants.

(d) If the ALT does not consider the Alliance Works to have reached Completion:

(i) the ALT will provide details to the Alliance Manager of work the ALT considers to be outstanding to achieve Completion; and

(ii) the Alliance Manager will promptly inform the Participants that Completion has not been achieved and the details of the outstanding work required to achieve Completion.

(e) Once the Alliance Manager is satisfied that the outstanding work has been completed in accordance with this Agreement, the Alliance Manager will again initiate the approval process under this clause 6.5.

(f) The Certificate of Completion must also refer to the date which the ALT determines is the Date of Completion.

6.6 Certificate of Final Completion

(a) After expiry of the Defects Correction Period, and provided the Alliance Manager is not aware of any outstanding Defects, the Alliance Manager will submit a draft Certificate of Final Completion to the ALT for its approval.

(b) If the ALT approves the draft Certificate of Final Completion, the Alliance Manager will sign and date the certificate and issue it to the Participants.

(c) If the ALT does not consider the Alliance Works to have reached Final Completion or considers that there is some other obligation under this Agreement which has not been performed or observed:

(i) the ALT will inform the Alliance Manager as to what the ALT considers to be outstanding to achieve Final Completion or to perform or observe the relevant obligation under this Agreement; and

(ii) the Alliance Manager will promptly inform the Participants that Completion has not been achieved and any details of the outstanding work or the failure to perform or observe some other obligation under this Agreement.

(d) Once the Alliance Manager is satisfied that the outstanding work or obligation has been completed, performed or observed in accordance with this Agreement, the Alliance Manager will again initiate the approval process under this clause 6.6.

(e) The Certificate of Final Completion must also refer to the date which the ALT determines is the Date of Final Completion.
6.7 Separable Portions

The ALT may determine that any part of the Alliance Works will be a Separable Portion and the interpretations of:

(a) Certificate of Completion;
(b) Completion;
(c) Date for Completion;
(d) Date of Completion; and
(e) Alliance Works,

will apply separately to each Separable Portion.

6.8 Supply of Design and other documents by RMS

(a) RMS may provide the NOPs with Design and other documentation from time to time.

(b) The NOPs will not use, copy or reproduce the Design or other documentation provided by RMS for any purpose other than for the Alliance Works.

(c) The Design and other documentation provided by RMS will remain the property of RMS and will be returned by the NOPs to RMS if requested in writing by RMS.

6.9 Supply of Design and other documents by NOPs

We will:

(a) prepare Design and other documentation referred to in this clause 6.9 as is necessary to enable us to construct the Alliance Works;

(b) ensure that RMS is provided with copies of all such Design and other documentation as RMS may require from time to time; and

(c) ensure that RMS is provided with a complete set of "as-built" drawings and, where appropriate, maintenance manuals, in relation to the completed Alliance Works.

6.10 Site access

We recognise the importance of the efficient and effective use of the Site, and to that end:

(a) RMS will give the NOPs such access to and use and control of the Site or any part of the Site, as is appropriate, to enable the Alliance to execute the Alliance Works to achieve Completion. Any delay by RMS in giving the Alliance access to and use and control of the Site will not be a breach of this Agreement, but may be an Excusable Delay and, consequently, may be grounds for a Scope Change;

(b) Subject to any access protocols determined by the ALT, RMS, its officers, employees and agents and any other person (for example, a contractor carrying out work or services for RMS) nominated by RMS may at any reasonable time (and, where appropriate, with reasonable notice) have access to any part of the Site, the Alliance Works or at any other place where the work under this Agreement is being carried out or materials are being prepared or stored for the purpose of performing the work under this Agreement;
(c) the NOPs will comply with all reasonable directions of RMS in relation to access to and use and control of the Site or any part of the Site by any of the NOPs, Subcontractors and other persons;

(d) we will maintain the Site and any other lands and places required to complete the Alliance Works in a safe, clean and tidy condition and regularly remove surplus materials and rubbish from the Site;

(e) on completing work at the Site and as a condition precedent to Completion, we will:
   (i) remove all Construction Plant, Temporary Works and all surplus materials and rubbish from the Site; and
   (ii) leave the whole of the Site in a safe, clean and tidy condition; and

(f) a NOP may inform RMS and the Alliance Manager if the NOP is of the reasonable opinion that compliance with a direction given by RMS under clause 6.10(c) would place the NOP in breach of its obligations:
   (i) under the Occupational Health and Safety Act 2000 (NSW) and the Occupational Health and Safety Regulation 2001 (NSW); and/or
   (ii) as the principal contractor pursuant to clause 7.7(c)(ii),

and the ALT will then determine a suitable resolution of the occupational health and safety issue which avoids or remedies such breach.

6.11 Rectification of defective work

(a) RMS may, at any time prior to the expiration of the Defects Correction Period, issue a Rectification Notice directing the Alliance to carry out Rectification Work in relation to a Defect.

(b) On receipt of a Rectification Notice, the Alliance will carry out the Rectification Work within the period stated in the Rectification Notice and in accordance with any other requirement stated in the Rectification Notice.

(c) RMS will be entitled to rectify a Defect itself or engage others to do the Rectification Work if RMS considers that:
   (i) the Rectification Work must be carried out urgently for safety reasons or other reasons of urgency; or
   (ii) the Alliance will not be able to undertake or has not undertaken the Rectification Work in the time and/or manner specified in a Rectification Notice.

(d) The ALT must, within a reasonable time after Completion, determine any amount which should be either:
   (i) withheld until the Date of Final Completion from a Participant's payment of the Fee and/or initial distribution of Gainshare determined in accordance with the Commercial Framework; or
   (ii) deducted from any final payment of the Fee or Gainshare payable to that Participant in accordance with the Commercial Framework,

in order to ensure that the obligations of the NOPs in relation to Rectification Work are completed or that RMS is compensated in accordance with the Commercial Framework.
7. PERFORMANCE OF ALLIANCE WORKS

7.1 Primary performance obligation

Subject to this Agreement, we will collectively undertake and complete the Alliance Works (to permit them to be certified under clauses 6.5 and 6.6):

(a) in a careful, diligent, skilful and workmanlike manner so that the Alliance Works are of the required quality and fit for intended purposes stated in this Agreement;

(b) with the equal aim, at all times, of minimising cost expenditure and satisfying all non-cost objectives of this Agreement; and

(c) with the skill, experience, capacity and resources necessary to perform the work under this Agreement.

7.2 Primary performance obligations of RMS

RMS will pay each NOP and grant access to the Site in accordance with the terms of this Agreement.

7.3 Subcontracts

(a) We will ensure that:

(i) all Subcontracts are entered into in accordance with the authorisation protocols set by the ALT from time to time;

(ii) a NOP enters into a Subcontract in its own right and not as our agent or as an agent of RMS; and

(iii) where possible, all Subcontractors are pre-qualified by RMS pursuant to RMS's usual qualification procedures for contractors from time to time.

(b) The terms of any Subcontract must:

(i) be approved by the Alliance Manager;

(ii) contain an assignment of Intellectual Property Rights by the Subcontractor to the NOP on terms identical to clause 16.1(a) (except for substituting the relevant Subcontractor for the NOP); and

(iii) contain confidentiality obligations substantially the same as those in clause 16.5.

(c) If any of us engage a Subcontractor we must, where required in writing by either the ALT or RMS, enforce or defend the relevant Subcontract for the benefit of the Alliance and any:

(i) such enforcement or defence actions, settlement or proceedings must be conducted under the written direction of either the ALT or RMS; and

(ii) costs of such enforcement or defence actions, settlement or proceedings will be dealt with in accordance with the Commercial Framework.

7.4 Compliance with Statutory Requirements

We will satisfy and comply with the requirements of all Statutory Requirements in relation to the Alliance, the Alliance Works and this Agreement.
7.5 Subcontractor warranties

We will obtain written warranties in favour of RMS from Subcontractors, to the extent such warranties are relevant, that any:

(a) materials incorporated into the Alliance Works are correctly designed, fabricated and installed to the standards set out in this Agreement or, if not set out, then to good industry standards and codes of practice; and

(b) design and any materials incorporated into the Alliance Works are of the required quality and fit for the intended uses stated in this Agreement.

7.6 Quality assurance

We are committed to ensuring that the Alliance Works are consistent with a "best for project" approach. For the achievement of this objective, we will establish, implement and maintain a quality assurance system to a standard equivalent to or better than RMS's QA Specification DCM Q6.

7.7 Health and safety

(a) We are committed to achieving outstanding performance in relation to health and safety and making every effort to maintain a workplace free of accidents and injuries.

7.24 Benchmarking of Alliance performance

(a) The Participants agree that it is a fundamental obligation of the Alliance to demonstrate, ensure and deliver value for money to RMS.

(b) The NOPs will provide every opportunity to enable the ALT to effectively demonstrate that these value for money outcomes are and/or will be achieved and have agreed to benchmark the performance of the Alliance against the performance of other alliance participants delivering other works or projects similar to the Alliance Works, or against the performance of similar projects.

(i) The Financial Auditor may undertake an audit of a Payment Claim (whether it has been paid or not) to confirm that the amounts shown in the Payment Claim are in accordance with the terms of this Agreement. If the Financial Auditor demonstrates to the ALT that any amount shown in the Payment Claim is not in

(i) RMS will maintain the CW Insurance from the date it is obtained by RMS until the end of the term of this Agreement.

(j) As soon as practicable after the Date of this Agreement, the NOPs must contact RMS's insurance broker, Aon Risk Services Australia Limited, to provide contract, Subcontractor and insurance details necessary for the CW Insurance or CW Insurance type cover, as appropriate.

(k) The NOPs must provide any further details, necessary for the CW Insurance, if any, to RMS whenever directed by RMS to do so.

(l) Subject to clause 10.1(g), we must ensure that all Direct Costs and the Target Outturn Cost exclude any allowance for the cost of the Principal Arranged Insurances.

(m) We will comply with the exclusions and conditions of the Principal Arranged Insurances.

(n) Professional indemnity insurance:

(i) RMS has effected a professional indemnity policy of insurance for its own benefit. In respect of this insurance:

(A) RMS is the only beneficiary of this insurance; and

(B) the insurer's rights of subrogation against the NOPs are waived by virtue of the provisions of this Agreement. The insurer will not waive any rights of subrogation or action against any other parties.

(ii) The obtaining of the insurance referred to in paragraph (i) by RMS does not limit or otherwise affect the NOPs' obligations under this Agreement.

10.2 Insurances to be provided by NOPs

(a) Before commencing the Alliance Works, the NOPs must effect and maintain with an insurer on terms approved in writing by RMS (which approval will not be unreasonably withheld or delayed), the insurance policies referred to in Schedule 10 (Insurances) as being the responsibility of the NOPs and all other insurances required by Statutory Requirements.

(b) All insurances under clause 10.2(a) must be maintained until expiry of the Defects Correction Period.

(c) The NOPs must ensure that the Subcontractors have similar workers compensation insurance to that referred to in Schedule 10 (Insurances) in respect of their employees.
10.3 Other insurance requirements

(a) We will take out all other insurances as required by the ALT.

(b) The effecting or approval of any or all insurance as required under this Agreement will not in any way limit the liabilities or obligations of the Participants under other provisions of this Agreement.

10.4 Proof of insurance

(a) Before commencing the Alliance Works, we must provide to RMS evidence (including for non statutory insurances, a copy of the policy) of each of the policies required to be effected by the NOPs under this Agreement, except in the case of CW Insurance type cover when the evidence is required upon the cover being obtained, and such further proof of the currency of such insurances as may be required from time to time by the ALT or RMS.

(b) Nothing in this clause 10.4, nor any act or omission or failure by RMS will derogate from our liability to effect and maintain insurances under this Agreement.

10.5 Notices from or to the insurer

The NOPs must, as soon as practicable after receiving any notice from the insurer, which is a notice of cancellation relevant to this Agreement or any other notice relevant to this Agreement under or in relation to the policy, inform RMS in writing that the notice has been given to or served on that NOP.

10.6 Cross liabilities

(a) Wherever under this Agreement insurance is effected by the NOPs in more than one name, the policy of insurance must provide that, to the extent that the policy may cover more than one insured, all insuring agreements and endorsements must operate in the same manner as if there were a separate policy of insurance covering each party comprising the insured and that the insurer agrees not to impute any acts, omissions or nondisclosures before or after the policy was effected by one insured to any other insured.

(b) Such policy must provide that the insurer waives all rights, remedies or relief to which it might become entitled by subrogation against any of the parties constituting the insured and that failure by any insured to observe and fulfil the terms of the policy will not prejudice the insurance in regard to any other insured party.

10.7 Insurance claims procedures

(a) We must, as relevant to this Agreement:

(i) provide notice with full particulars of any occurrence likely to give rise to a claim under any insurance policy or on receipt of notice of any claim or subsequent proceeding as soon as practicable after becoming aware of any such event to:

(A) the relevant insurer or insurance broker; and

(B) each other (other than a potential claim by one party against another);

(ii) not, without the consent of the insurer, or each other, make any admission, offer, promise or payment in connection with any occurrence or claim;
(iii) give all information and reasonable assistance as the insurer may require in the prosecution, defence or settlement of any claim; and

(iv) give notice to each other as soon as practicable after discovery that a term, condition or clause of any insurance policy has been unintentionally or inadvertently breached.

(b) Notwithstanding the provisions of this clause, we may take immediate action to avoid loss of life or damage to property where that is reasonably necessary in the circumstances and any such action will not prejudice the position of us under the policies of insurance in respect of any loss, destruction or damage.

10.8 Pass through of insurance payouts

To the extent that any Participant receives payment under any insurance policy maintained pursuant to this clause 10 that reimburses any cost, loss or expense that was reimbursed or is reimbursable under this Agreement, then the relevant NOP (if applicable) will pass on that payment to RMS in full and RMS will:

(a) arrange for the Alliance Manager to issue a further statement under clause 8.1(e)(iii) to take into account the payment received under the policy; and

(b) issue further payments to the NOPs so that the total amounts paid to the NOPs under this Agreement are in accordance with the recalculated final Payment Schedule.

11. WITHDRAWAL AND TERMINATION

11.1 Termination

This Agreement will terminate on the date on whichever of the following events occurs first:

(a) RMS gives notice to the ALT that the Alliance Works will not or will no longer proceed;

(b) RMS terminates this Agreement under clause 11.2; and

(c) all the Participants agree in writing to terminate this Agreement.

11.2 Notice of termination

Notwithstanding any express or implied term of this Agreement and without prejudice to any of RMS’s other rights under this Agreement, RMS may at any time in its discretion, for its sole convenience and for any reason, by written notice to the NOPs:

(a) terminate this Agreement; and

(b) in its discretion, complete the uncompleted part of the Alliance Works either itself or by engaging any other person, including any one or more of the NOPs.

11.3 Effect of termination

(a) If this Agreement is terminated under clauses 11.1 or 11.2, RMS may take and use, in any way, the whole or any part of the Alliance Works.

(b) The NOPs will have no obligations with respect to that portion of the Alliance Works that is not completed as a result of termination of this Agreement under clauses 11.1 or 11.2.
11.4 Our actions

If this Agreement is terminated under either clause 11.1 or 11.2, we will immediately:

(a) cease work under this Agreement;

(b) protect property in our possession in which RMS has or may acquire an interest;

(c) demobilise from the Site all persons, Construction Plant, Temporary Works, vehicles, equipment and other things owned by or under the control of the NOPs;

(d) assign to RMS all rights and benefits under Subcontracts;

(e) provide RMS with possession of all materials and other things on the Site or off-Site for which the RMS has paid the Alliance for and deliver to RMS all necessary documents, which are required for the Alliance Works; and

(f) comply with any directions of RMS, including any directions to carry out the activities or do the things referred to in clauses 11.4(a) to (e) (inclusive).

11.5 Termination payments

Subject to RMS’s rights under or in connection with this Agreement, including the rights to withhold or set-off payment and recover damages, if this Agreement is terminated under either clause 11.1 or clause 11.2, RMS will pay the NOPs or the NOPs will pay RMS, as the case may be, the difference between:

(a) the sum of:

   (i) the amounts payable for the work executed prior to the date of termination which will in respect of the Gainshare Regime be determined on a just and equitable basis by the ALT;

   (ii) the cost of materials reasonably ordered by the NOPs for the Alliance Works, which they are legally liable to accept, but only if the materials become the property of RMS after payment;

   (iii) costs reasonably incurred by the NOPs in the expectation of completing the whole of the Alliance Works and not included in any payment by RMS;

   (iv) reasonable costs of demobilisation; and

   (v) the reasonable costs of complying with any directions given by RMS on or after termination; and

(b) an amount equal to any amounts which RMS previously paid to the NOPs,

and RMS will not otherwise be liable to the NOPs for any cost, loss, expense or damage incurred by the NOPs as a consequence of, or in connection with the Alliance Works, this Agreement or the termination of this Agreement.

12. NO ARBITRATION OR LITIGATION

Except to the extent required by any law:

(a) the ALT will attempt to determine, resolve or settle any dispute between us, other than a dispute arising out of or in connection with a Material Default; and
(b) except as provided in this Agreement, there will be no arbitration or litigation between us in relation to any dispute, other than a dispute arising out of or in connection with a Material Default.

13. DEFAULT BY PARTICIPANT

13.1 Default by us

This clause 13 applies if any of us commits a default that amounts to a Material Default (Defaulting Participant).

13.2 Notice of default

The Non-Defaulting Participants may give a joint written notice to the Defaulting Participant of:

(a) the default and the Non-Defaulting Participants' intention to exercise the Non-Defaulting Participants' rights under clause 13.3 on the expiry of 7 Business Days if the default is capable of being rectified but is not rectified within the 7 Business Day period; or

(b) the Non-Defaulting Participants' intention to exercise the Non-Defaulting Participants' rights under clause 13.3 if the default is not capable of being rectified.

Any such notice must specify that it is a notice under this clause.

If:

(a) the Defaulting Participant fails within 7 Business Days after receiving a notice given under clause 13.2 to rectify a default; or

(b) the Non-Defaulting Participants give notice under clause 13.2(b),

the Non-Defaulting Participants may, as the Non-Defaulting Participants sole remedy,

(c) where the Defaulting Participant is a NOP:

(i) wholly or partly suspend any payment due to the Defaulting Participant under this Agreement until the default has been remedied; and

(ii) by joint notice exclude the Defaulting Participant from further participation in the performance of this Agreement under clause 13.4 and may recover loss or damage from the Defaulting Participant under clause 14.3(b); or

(d) where the Defaulting Participant is RMS, wholly or partly suspend the Alliance Works until the default has been remedied.

13.4 Exclusion from further participation in this Agreement

If the Non-Defaulting Participants exclude the Defaulting Participant from further participation in the performance of this Agreement by notice under clause 13.3(c)(ii):

(a) the other Participants may employ and pay other persons to replace the Defaulting Participant in the performance of the Alliance Works and may use all Design Documentation, Temporary Works and Construction Plant provided by the Defaulting Participant and necessary to perform the Alliance Works;
(b) the Defaulting Participant will promptly, if required by the Non-Defaulting Participants, assign to RMS without payment the benefit of any agreements for the performance of any part of the Alliance Works;

(c) as and when required by the ALT (and not before), the Defaulting Participant will remove from the Site any Temporary Works, Construction Plant and other property provided by the Defaulting Participant and if it fails to do so, not less than 10 Business Days after written notice of the Non-Defaulting Participants' intention to do so (but without being responsible for any loss or damage), the Non-Defaulting Participants may remove and/or sell any such Temporary Works, Construction Plant or other property;

(d) the Defaulting Participant and its Representatives will no longer be entitled to be represented on the ALT or otherwise participate in the Project; and

(e) the Non-Defaulting Participants may execute all deeds and documents and do all such things on behalf of the Defaulting Participant as is necessary for the performance of the Alliance Works and the Defaulting Participant irrevocably authorises any directors or managers of the Non-Defaulting Participants to act as its attorneys for the purpose of executing such deeds and documents and doing those things.

14. REMEDIES AND LIABILITY

14.1 Rights and remedies

(a) Subject to any requirement of law, the respective rights, obligations and liabilities of each of us as set out in this Agreement exclusively govern our rights in relation to this Agreement and the Alliance Works and we do not have any other rights or remedies arising out of or in connection with this Agreement and the Alliance Works, at law (including negligence) or equity, other than as set out in this Agreement.

(b) This Agreement creates legally enforceable rights:
   (i) despite the fact that certain matters are to be settled, resolved, determined or agreed by the ALT; and
   (ii) irrespective of how or whether any matters to be settled, resolved, determined or agreed by the ALT are resolved, determined or agreed.

(c) Interpretation of this Agreement which is consistent with the principles in clauses 14.1(a) and 14.1(b) is to be adopted.

14.2 Civil Liability Act

(a) The operation of Part 4 of the Civil Liability Act 2002 (NSW) is excluded in relation to any rights, obligations and liabilities arising under or in relation to this Agreement regardless of how such rights, obligations or liabilities are sought to be enforced.

(b) We will use our best endeavours to ensure that a clause equivalent to clause 14.2(a) is included in:
   (i) each Subcontract; and
   (ii) any further contract that any Subcontractor enters into with others for the carrying out of works.
14.3 Liability under this Agreement

(a) Subject to:

(i) the indemnities in clauses 14.3(b), 16.1 and 16.3; and

none of us will be liable to each other under or in connection with this Agreement, at law (including negligence) or equity, for any claim, action, demand or any other right for costs, expenses, damages, losses or other amounts, arising from or in connection with this Agreement, the performance (or non-performance) of our obligations under this Agreement or the termination of this Agreement. This clause survives termination, completion or expiration of this Agreement.

(b) The Defaulting Participant is liable for and indemnifies the Non-Defaulting Participant for all costs, expenses, damages, losses or other amounts arising from:

(i) the Defaulting Participant's Material Default;

(ii) exercise of the right of exclusion and/or suspension under clause 13.3 or 13.4; or

(iii) termination of this Agreement arising from the Defaulting Participant's Material Default.

(c) Each indemnity in this Agreement is a continuing obligation, separate and independent from the other obligations under this Agreement and survives termination, completion or expiration of this Agreement.

(d) It is not necessary for us to incur expense or to make any payment before enforcing a right of indemnity conferred by this Agreement.

14.4 Limitations and exclusions of rights and liabilities

Any provision of this Agreement which seeks to limit or exclude a right or liability is to be construed as doing so only to the extent permitted by law.

14.5 Preservation of insurance rights

The provisions of this clause 14 operate to release a party to this Agreement from liability to another party to this Agreement to the extent only that either:

(a) the liability is not recoverable from an insurer of any policy of insurance forming part of the insurance regime agreed by the ALT or contemplated under this Agreement; or

(b) while recoverable under such insurance policy, is not in fact recovered due to the insolvency of the insurer.
15. DOCUMENT MAINTENANCE AND AUDITING

15.1 Maintenance of accounts, records and documentation

(a) Due to the “open book” nature of this Agreement, we will maintain in Australia for a period of at least seven years after the Completion of the Alliance Works or termination of this Agreement (as the case may be), a complete set of:

(i) invoices, accounts and records in accordance with good and accepted accounting principles showing all costs and expenses incurred in the performance of the Alliance Works; and

(ii) Records associated with the Alliance Works.

(b) This clause 15.1 survives termination of this Agreement.

15.2 Access to accounts, records and documentation

We will give every assistance to RMS and make available to RMS on request all invoices, accounts, Records and documentation which we are required to maintain pursuant to clause 15.1.

15.3 Provision of copies

We will provide to RMS copies of all Records requested by RMS in a form and within a timeframe acceptable to RMS.

15.4 Audit

(a) RMS and/or the Financial Auditor may undertake an inspection, audit or copying of Records in relation to the Alliance Works on a monthly basis. RMS in its discretion may amend the frequency of such audits.

(b) We will provide RMS and the Financial Auditor with such access and facilities as is necessary to enable RMS and the Financial Auditor to undertake any such inspection and audit or to take such copies of any Records.

(c) We will respond to all requests for information from the Financial Auditor promptly and in any event within 30 days of the request.

(d) RMS and the Financial Auditor will have the right to reproduce any Records obtained under clause 15.3(a).

16. CARE OF INFORMATION

16.1 Intellectual Property

(a) Unless agreed otherwise, all Intellectual Property Rights created in any document, matter or thing created or written in the course of performance of this Agreement will vest in RMS on creation and, by this Agreement, each NOP assigns to the RMS absolutely all such Intellectual Property Rights immediately upon creation.

(b) RMS grants the NOPs a non-exclusive, royalty-free licence to use RMS’s Intellectual Property Rights vested under clause 16.1(a) and any other Intellectual Property Rights of or licensed to RMS that are necessary for undertaking the Alliance Works in Australia, solely for the purposes of the conduct of the Alliance Works. The licence created by this clause 16.1(b) continues subject to the
exercise of any rights of RMS under clause 13 and until termination under clauses 11.1 or 11.2.

(c) Nothing in this clause 16.1 is intended to vest in RMS any Intellectual Property Rights in the pricing information or pre-existing business methodologies of any NOP.

(d) We must ensure that, in providing the Alliance Works, we will not infringe the Intellectual Property Rights of any person or company, and each NOP must ensure that Intellectual Property Rights sufficient to permit RMS's use, maintenance and future modification of the Alliance Works are available to RMS and its nominated sub-licensees and sub-contractors as part of the Alliance Works.

(e) Records relating to Intellectual Property Rights created by us for the purposes of undertaking the Alliance Works are and will remain the sole property of RMS.

(f) Records relating to Intellectual Property Rights must be provided to RMS (in such form as RMS may reasonably require) on completion of the Alliance Works and/or within 7 Business Days of being requested to do so by RMS.

(g) Each of us will indemnify each other against all costs, losses, damages and claims to the extent arising from our breach of clause 16.1(d).

16.2 Moral rights

Each NOP must use its best endeavours to:

(a) obtain in writing from its officers, employees, Subcontractors, agents and licensees all necessary, unconditional and irrevocable:

(i) consents permitted by applicable law, to any alterations to, or use of the Material that would otherwise infringe their respective moral rights in the Material, whether occurring before or after the consent is given; or

(ii) to the extent a consent is not permitted by applicable law, waivers permitted by applicable law of their respective moral rights in the Material, for the benefit of RMS;

(b) provide RMS with copies of each written consent and waiver obtained under this clause 16.2, at RMS's request; and

(c) use its best endeavours to ensure that none of its officers, employees, Subcontractors, agents or licensees institutes, maintains or supports any claim or proceeding for infringement by RMS of any of the NOP's employees', Subcontractors', or licensees' moral rights in the Material.

16.3 Claims

(c) indemnify RMS against all cost, loss, expense or damage (including without limitation legal costs on a solicitor and own client basis and whether incurred by or awarded against RMS) that RMS may sustain or incur as a result of a breach by that NOP of clause 16.1 or 16.2(a); and

(d) satisfy any settlement of, or judgement given, in any claim or proceedings to be made by or against RMS to the extent of the indemnity contained in clause 16.3(c).

16.4 Conflict of interest

We must:

(a) disclose the full particulars of any actual, potential or possible conflict of interest which arises or may arise in connection with this Agreement, whether that conflict concerns us or any person employed or retained by us for or in connection with the provision of the Alliance Works;

(b) not allow ourselves to be placed in a position of conflict of interest or duty in regard to any of our rights or obligations under this Agreement (without the prior consent of each other) before we participate in any decision in respect of that matter; and

(c) ensure that our Representatives and our other agents and employees also comply with the requirements of paragraphs (a) and (b) when acting in connection with this Agreement.

16.5 Confidentiality

(a) Except for the efficient performance of the Alliance Works, the NOPs will not, and will ensure that those for whom they are responsible for do not:

(i) disclose to any person any information; or

relating to this Agreement, the Alliance Works or the Project, without obtaining RMS's prior written consent (which consent can be withheld in the discretion of RMS).

(b) If requested by RMS, the NOPs will execute a confidentiality agreement, on terms reasonably required by RMS, in relation to any information obtained by us for the purposes of this Agreement, the Alliance Works or the Project.

(c) We must take all reasonable steps to protect the confidentiality of all information relating to the Agreement, the Alliance Works and the Project.

(d) Clause 16.5(a) does not apply to any information that is:

(i) in or enters the public domain, except through disclosure contrary to this Agreement; or

(ii) or was made available to the NOP by a person who is or was not under any obligation of confidence in relation to that information.

(e) The obligations of confidentiality set out in this clause 16.5 do not apply to the extent that a NOP is required by any applicable law, the requirement of any Authority or the rules of any stock exchange to disclose any information, provided the NOP:

(i) promptly gives notice to RMS of that requirement;
(ii) takes all lawful measures available, and allows RMS to take all lawful measures available, to restrict disclosure of information; and

(iii) discloses only that portion of information which it is legally required to disclose.

(f) RMS may make information concerning the NOPs available to other NSW Government authorities and ministries, including information provided by a NOP to RMS and information relating to a NOP's performance under this Agreement.

(i) acknowledges that RMS will disclose information on this Agreement under section 15A(2) of the Freedom of Information Act 1989 (NSW) (FOI Act) and may be required to disclose information about the Project and Participants under the FOI Act or if requested by Parliament;

(ii) must provide RMS with details of any Related Body Corporate, or any other private sector entity in which the NOP has an interest, that will be involved in performing any of the NOP's obligations under this Agreement or that will receive a benefit under this Agreement;

(iii) agrees that the obligation in clause 16.5(g)(ii) is a continuing obligation under this Agreement; and

(iv) acknowledges that the Commercial Framework will contain a schedule, separate to the general provisions, and identified as confidential, which will contain (including percentages and amounts) commercial in confidence information, as defined in the FOI Act.

16.6 Privacy Act Compliance

We will comply with the provisions of the Privacy Act 1988 (Cth) and the Privacy and Personal Information Protection Act 1998 (NSW) in relation to any personal information (as respectively defined in those Acts).

Section 127(11) of the Industrial Relations Act 1996 states ‘to avoid doubt, this section extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.’

5. Provide the date of the most recent payment claim.

6. For Workers Compensation purposes an exempt employer is an employer who pays less than $7500 annually, who does not employ an apprentice or trainee and is not a member of a group.

7. In completing the Subcontractor’s Statement, a subcontractor declares that workers compensation insurance premiums payable up to and including the date(s) on the Statement have been paid, and all premiums owing during the term of the contract will be paid.

8. In completing the Subcontractor’s Statement, a subcontractor declares that all remuneration payable to relevant employees for work under the contract has been paid.

9. In completing the Subcontractor’s Statement, a subcontractor declares that all payroll tax payable relating to the work undertaken has been paid.

10. It is important to note that a business could be both a subcontractor and a principal contractor, if a business ‘in turn’ engages subcontractors to carry out the work. If your business engages a subcontractor you are to also obtain Subcontractor’s Statements from your subcontractors.

**Statement Retention**

The principal contractor receiving a Subcontractor’s Statement must keep a copy of the Statement for the periods stated in the respective legislation. This is currently up to seven years.
**Offences in respect of a false Statement**

In terms of s127(8) of the *Industrial Relations Act 1996*, a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence if:

(a) the person is the subcontractor;
(b) the person is authorised by the subcontractor to give the statement on behalf of the subcontractor; or
(c) the person holds out or represents that the person is authorised by the subcontractor to give the statement on behalf of the subcontractor.

In terms of s175B of the *Workers Compensation Act* and clause 18 of Schedule 2 of the *Payroll Tax Act 2007* a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence.

Performance Testing that exceeds the maximum period stated in the Schedule will only be covered subject to the prior approval of the Insurers.

(c) the date specified in item (a) of the Schedule, or if such date is extended pursuant to Condition 4.9, that extended date.

For the purpose of clarity, it is noted that the expiry of the Construction Period in respect of any completed separable portion, will not result in the expiry of the Construction Period in respect of any other part of the Project in respect of which there is any uncompleted work.

ii. **Defects Liability Period** means the period described in any Contract during which an Insured is obliged or legally liable to rectify defects, shrinkages, errors, omissions or other faults and/or to complete the obligations under such Contract (the original Defects Liability Period), which may include the granting of a further period, following rectification of defects under the original period.

The original Defects Liability Period shall not exceed the Defects Liability Period stated in the Schedule in respect of any one Contract.

Singular/Plural

In this Policy, where the context admits, words denoting the singular shall include the plural and vice versa.

Headings

Headings have been included for ease of reference. The terms and conditions of this Policy are not to be construed or interpreted by reference to such headings.
Material Loss or Damage

The Insurers will indemnify the Insured as follows.

1. **Insuring Clauses**

1.1 **Construction Period**

The Insurers will indemnify the Insured in accordance with the Basis of Settlement, against Damage to the Insured Property other than from a cause specifically excluded, occurring at the Project Site or in transit within the Territorial Limits during the Construction Period.

1.2 **Defects Liability Period (Extended Maintenance)**

The Insurers will indemnify the Insured in accordance with the Basis of Settlement, against Damage to the Insured Property other than from a cause specifically excluded, provided such Damage:

(a) manifests itself during the Defects Liability Period; and

(b) originates from:

   (i) a cause arising during the Construction Period and at the Project Site; or

   (ii) an act or omission of any of the Insured parties or some other cause occurring in connection with an Insured party complying with the requirements of the Defects Liability Period provisions of the Contract.

1.3 **Basis of Settlement**

In the event of Damage to Insured Property the amount payable shall be in accordance with the Basis of Settlement stated in the Schedule in respect of the property designated therein.

(a) **Reinstatement Value**

Where the Basis of Settlement is Reinstatement Value the following provisions shall apply:

i. the work of rebuilding, replacing, repairing or restoring as the case may be (which may be carried out upon any other site(s) and in any manner suitable to the requirements of the Named Insured, but subject to the liability of the Insurers not being thereby increased), must be commenced and carried out with reasonable dispatch;

ii. where Insured Property has been Damaged and where the Named Insured elects not to reinstate such Insured Property, the Insurers will pay to the Named Insured an amount equal to the cost necessary to replace, repair or rebuild the Insured Property to a
condition substantially the same as but not better nor more extensive than its condition at the time the Damage occurred;

iii. if the Insured Property is reasonably abandoned because the cost of recovery would exceed the amount payable under this Policy in respect of such property, it shall be deemed to be a constructive total loss and settlement shall be made in accordance with the above provisions (as applicable).

(b) Indemnity Value

Where the Basis of Settlement is Indemnity Value the following exceptions will apply to the settlement of Damage to Construction Plant and Equipment:

i. where the item is financed and in the event of its total loss or constructive total loss, the amount settled shall be the greater of the cost of discharging the lease or the stated Basis of Settlement;

ii. in respect of items leased, hired or rented, the basis of settlement shall be in accordance with the rectification provisions of the lease, hire or rental agreement but not exceeding the Reinstatement Value;

(c) The total amount payable by Insurers will also include any additional amounts as provided in clauses 1.4 to 1.7 (as applicable).

1.4 Local Authorities Clause

The indemnity provided by this clause 1.4 shall, subject to the Sub-limit of Liability stated in the Schedule (if any), extend to include the extra costs (including demolition or dismantling) of Damaged Insured Property necessarily incurred to comply with the requirements of any Act of Parliament or regulation made thereunder or any by-law or regulation of any municipal or other statutory authority, other than such extra costs as aforesaid with which the Insured had been required to comply prior to the Damage occurring.

1.5 Undamaged Foundations

Where the Insured Property is destroyed but the foundations are not destroyed and due to the exercising of statutory powers and/or delegated legislation and/or authority by the government or any other statutory authority reinstatement of the Insured Property has to be carried out upon another site, then the abandoned foundations will be considered as being destroyed. The term “foundations” is deemed to include services such as, but not limited to, conduits, pipes, cables and wiring built into the footings and foundations (including concrete floor slabs).

1.6 Output Replacement

If any item(s) of the Insured Property having a measurable output is Damaged (in whole or in part) and which is capable of replacement with a new item(s) which performs a similar function, then the amount payable by the Insurers in respect of such property shall be on the following basis:

(a) If any lost or destroyed Insured Property is to be replaced by an item(s)
which has the same or a lesser total output, then the amount payable thereof is the new installed cost of such replacement item(s) as would give the same total output as the Damaged item(s);

(b) If any Damaged Insured Property is to be replaced by an item(s) which has a greater total output and the replacement value is no greater than the value of the Damaged items(s) then the amount payable shall be the cost of the replacement item(s) and no deduction shall be made due to improved output;

(c) If any Damaged Insured Property is to be replaced by an item(s) which has a greater total output and the replacement value is greater than the value of the Damaged item(s) then the insurable value thereof is that proportion of the new installed cost of the replacement item(s) as the output of the Damaged item(s) bears to the output of the replacement item(s). The difference between the insurable value as defined and the new installed cost of the replacement item(s) shall be borne by the Insured.

This clause does not apply if the Basis of Settlement against the relevant property is designated in the Schedule as Indemnity Value.

1.7 Reasonable Margin for Profit

In all cases, the cost of reinstatement shall refer to the final cost to the Insured after completion of the repair, reinstatement or replacement work (including materials and wages incurred for the purpose of repairs and a reasonable margin for profit, administration costs and overheads).
2. Extensions applying to this Policy

The following Extensions apply to this Policy

2.1 Additional Costs and Expenses

The Insurers shall, in addition to the Limits of Liability, pay the following extra costs and expenses incurred by or on behalf of the Insured (over and above those already included in the Project Value), subject to the Sub-limits of Liability stated in the Schedule (if any):

(a) Removal of Debris and Other Costs

(i) Debris

Costs and expenses necessarily incurred in respect of the demolition, removal, storage and/or disposal of debris, Insured Property (including Insured Property which is no longer useful for the purpose it was intended) and any other property or substances including ponded water affecting the Project arising out of Damage.

(ii) Temporary Protection Costs and expenses incurred by or on behalf of the Insured:

(1) for the removal of and/or the temporary protection and safety of Insured Property;

(2) in the purchasing and/or hiring and in the erection and dismantling of hoardings, barriers, fences and any other forms of protection which the Insured must provide in order to comply with the requirements of any government, municipal or other statutory authority.

Provided that the indemnity afforded shall only apply where the costs and expenses are incurred as a result of Damage.

(iii) Shoring, Propping and Other Costs

Costs and expenses necessarily incurred in respect of shoring up, propping, underpinning and temporary repairs as a consequence of actual or imminent Damage.

(b) Expediting Expenses

Costs and expenses incurred in connection with or incidental to expediting the commencement, carrying out or completion of the repair, reinstatement or replacement of the Insured Property consequent upon Damage. Such costs and expenses shall include but not be limited to:

(i) express or chartered carriage or delivery (including by sea or air);

(ii) travel (including by sea or air) of the Insured's employees, agents, sub-contractors, consultants or representatives;
(iii) overtime or penalty rates of wages and other related allowances and payments;

(iv) hire of additional labour, plant, equipment, materials, expertise or services;

(v) reasonable and necessary changes in the method of construction, the cost of earlier than usual delivery or manufacture and/or costs of purchasing resources;

(vi) accommodation and boarding costs (including meals and other costs associated therewith);

(vii) additional administrative and/or overhead expenses.

(c) Search and Locate Costs

Leak search and other costs incurred following irregularities discovered in the results of a hydrostatic or other testing procedure. Such costs will include but not be limited to:

(i) the cost of hiring, operating and transporting apparatus;

(d) Professionals’ Fees

The fees of project managers, architects, surveyors, quantity surveyors, engineers, legal and other consultants and clerks of works’ salaries for estimates, plans, specifications, quantities, tenders and supervision necessarily incurred in reinstatement consequent upon Damage to the Insured Property, but not for preparing any claim under this Policy.

(e) Mitigation Expenses

Reasonable costs and expenses incurred by or on behalf of the Insured in connection with or incidental to mitigating, containing, eliminating or suppressing actual or imminent threat to life or further Damage occurring at or adjacent to or immediately threatening the Insured Property.

Such costs and expenses shall include but not be limited to:

(i) the payment for additional labour (including the Insured's employees), services or resources;

(ii) the cost of replenishing fire fighting appliances or systems and costs and charges incurred for the purpose of shutting off the supply of water or any other substance following the accidental discharge or escape from intended confines of any such substance, whether from fire protection equipment or otherwise.

(f) Plant Hire Charges
Reasonable costs and expenses incurred by the Insured for the hire of Construction Plant and Equipment to replace an item of Damaged Construction Plant and Equipment at the Project Site and/or the continuous hire charges incurred for the Damaged item.

(g) Claim Preparation Costs

Reasonable costs and expenses as may be payable by the Insured and not otherwise recoverable in connection with or incidental to preparing, collating, auditing or qualifying actual or imminent Damage being claimed under this Policy.

(h) Government and other Fees

(i) Any fee, contribution or other impost (excluding fines and/or penalties) payable to any government, municipal or other statutory authority, where payment of such fee, contribution or impost is a condition precedent to the obtaining of consent to reinstate Insured Property.

(ii) Any fee contribution or other impost (excluding fines and/or penalties) payable to any government, municipal or other statutory authority for services rendered or equipment supplied for the purpose of helping to prevent, mitigate or confine further actual Damage at or in the vicinity of the Project Site.

(i) Sue and Labour

Sue and labour and other costs incurred for general average contributions, the salvage, rescue, recovery or retrieval of Insured Property, together with the cost of dismantling and transportation of property to an appropriate place for assessment of any Damage including any transportation costs returning the Insured Property to the Project Site or storage yard once it has been repaired or replaced. Such costs and expenses shall be covered notwithstanding the fact that the loss may not have arisen from physical damage to the item affected.

For the purpose of claims for general average contributions and salvage charges recoverable hereunder, the Insured Property shall be deemed to be insured for its full contributory value.

2.2 Plot Ratio Indemnity

In the event of Damage to Insured Property and as a result of the exercise of statutory powers and/or authority by any government or statutory authority the replacement of Insured Property as before is prohibited or is only permissible subject to a reduced floor space ratio index and/or to the payment of certain fees and contributions as a prerequisite to replacement or reinstatement, then the Insurers agree to pay to the Insured in addition to any amount otherwise payable:

(a) the difference between the actual cost of replacement or reinstatement incurred in accordance with a reduced floor space ratio index and the cost of replacement which would have been incurred had a reduced floor space ratio index not been applicable;

(b) the amount of any fees, contributions or other impost payable to any
government department, local government or other statutory authority where such fee, contribution or impost is a condition precedent to consent being given to the replacement of such property;

(c) the amount of any additional costs and expenses incurred by or on behalf of the Insured as a result of alterations to the specifications of such property brought about by the reduced floor space ratio index as aforesaid.

In arriving at the amount payable under clause (a) above, any amount paid by the Insurers shall include any extra costs of reinstatement or replacement as insured under clause 1.4.

2.3 Civil Authority

This Policy is extended to include loss resulting from Damage by civil authority during a conflagration or other catastrophe incurred for the purpose of retarding the same.
3. Exclusions applying to this Policy

This Policy does not provide indemnity in respect of:

3.1 Consequential Loss

3.2 Wear and Tear

Damage directly caused by:

(a) normal wear and tear;

(b) rust, oxidation, corrosion or gradual deterioration, in each case when due to normal atmospheric conditions or other gradual causes;

3.3 Defects (LEG 2/06)

all costs rendered necessary by defects of material, workmanship, design, plan or specification, however should Damage occur to any portion of the Insured Property containing the said defects the cost of replacement or rectification which is hereby excluded is that cost which would have been incurred if the replacement or rectification of the Insured Property had been put in hand immediately prior to the said Damage.

For the purpose of this Policy, and not merely this Exclusion 3.3, it is understood and agreed that any portion of the Insured Property shall not be regarded as Damaged solely by virtue of the existence of any defect of material, workmanship, design, plan or specification.

3.4 Aircraft or waterborne craft

(c) any summons notice or process to be served upon the Insurers may be served upon the Nominee For Legal Service stated in the Schedule. Such Nominee has authority to accept service and to enter an appearance on the Insurers’ behalf. (d) if proceedings are instituted against any one of the Insurers, all Insurers hereon will abide by the decision of such Court or any competent Appellate Court.

10. **Cancellation/Non-renewal**

(a) **By the Insurers**

The Insurers may cancel this Policy for any of the reasons set forth in Section 60 of the Commonwealth Insurance Contracts Act 1984 by serving on the Named Insured sixty (60) days notice in accordance with Section 59 of that Act, in which case the Insured will be entitled to a pro-rata refund of the Premium.
(b) By the Named Insured

The Named Insured (on behalf of itself and all other Insureds (unless otherwise specified) may cancel any Section of this Policy or cancel cover in respect of any Contract or Insured Property at any time by giving notice in writing to the Insurers.

(c) Run-off Cover

Notwithstanding the Period of Insurance, in the event of cancellation by either the Insurers or the Named Insured or non-renewal of this Policy, at the Named Insured’s option, the insurance by this Policy shall continue for each Contract or Insured Property until:

(i) expiration of the Construction Period and Defects Liability Period; or

(ii) the Named Insured formally advises the Insurers that the Contracts have been insured elsewhere;

(iii) whichever occurs first.

In the event of cancellation or non-renewal of this Policy, the Premium will be adjusted or pro-rata for the period on risk if the outcome does not represent an equitable refund for the cancelled period. The Named Insured will be obliged to supply to the Insurers such information as is necessary to adjust the Premium.

11. Alterations in Material Fact/Error or Omission

(a) The Insured will not be prejudiced under this Policy in the event of any alteration in material fact or otherwise regarding construction methods or procedures, an unintentional or inadvertent error, omission or misdescription or any other information contained or omitted from any underwriting information supplied to the Insurers.

(b) The Named Insured undertakes to immediately notify the Insurers as soon as the alteration or omission becomes known to them, and the Insurers shall be entitled to make reasonable variations to this Policy’s terms and Conditions as may be mutually agreed between the Insurers and the Insured.

(b) For the purposes of this Policy, the Insurers agree to the Named Insured's normal practice of converting currency to Australian dollars in accordance with the Insured’s accounting practices.

14. Difference In Conditions Cover

In circumstances where an Underlying Insurance has been arranged, this Policy shall be deemed to be the ‘Master Policy’.

(a) In the event of the Insured being indemnified by an Underlying Insurance in respect of a claim for which indemnity is available under this Master Policy, the insurance afforded by this Policy shall be excess insurance over the applicable limit of indemnity of the Underlying Insurance.

(b) Coverage under this Master Policy shall not apply unless and until a claim for payment is made under the Underlying Insurance up to the amount of the Underlying Limit which, save for the limit of indemnity of the Underlying Insurance, would be covered by this Master Policy.

(c) If such Underlying Insurance provides indemnity to the Insured by virtue of its scope of cover, definitions or conditions in respect of loss, damage, legal liability, costs and expenses which are not provided under the terms, Conditions and Exceptions of this Master Policy, then this Master Policy shall provide such indemnity to the same extent as provided by the Underlying Insurance.

(d) Should any such Underlying Insurance, by virtue of its scope of cover, definitions, deductibles or excesses, conditions or limits of indemnity, not indemnify the Insured in whole or in part in respect of a loss, damage, liability, costs or expenses indemnifiable under this Master Policy, this Master Policy will provide indemnity to the extent that such indemnity is not provided by the terms and conditions of such Underlying Insurance. For the purpose of clarity, it is intended that indemnity by this Policy extends to cover losses not covered under the Underlying Insurance by virtue of the fact that such Underlying Insurance has a higher deductible or excess than the Excess under this Master Policy.

(e) In the event that the Insured cannot obtain an admission of liability from the insurer of an Underlying Insurance and/or Underlying Insurance fails or is reasonably likely not to indemnify the Insured, then the Insurers of this Master Policy shall be obligated to indemnify the Insured.

(f) The provisions of this clause are subject always to the terms, Conditions and Exclusions of this Master Policy, except as provided under (c) above.

(g) In the event of cancellation of an Underlying Insurance or reduction or exhaustion of the limits of indemnity thereunder, this Master Policy shall:

(i) in the event of reduction, pay in excess of the reduced Underlying Limit;

(ii) in the event of cancellation or exhaustion, continue in force as Underlying Insurance.
(h) Appeals

In the event the Insured or the insurers of the Underlying Insurance electing not to appeal a judgement in excess of the Underlying Limits, the Insurers may elect to make such appeal at their own cost and expense and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of the Insurers exceed the Limits of Liability excluding the costs and expenses of such appeal.

15. Leading Insurer

The Leading Insurer is the company named first in the Schedule.
