Terms and Conditions

Before you can access or use your Roads and Maritime Services (Roads and Maritime) E-Toll Account, you must read and accept the Terms and Conditions. These can be viewed online at www.myetoll.com.au or you can pick up a copy at any NSW Registry or Service NSW Centre. The Terms and Conditions must be read carefully, as it explains the agreement between you and Roads and Maritime regarding your Roads and Maritime E-Toll Account. Using your Roads and Maritime E-Toll Account and tag indicates that you have read and accepted the Terms and Conditions.

How it works

As all Australian toll roads are cashless, it is worth getting a tag. The Roads and Maritime E-Toll tag will allow you to travel on any toll road in Australia. When you open up an Roads and Maritime E-Toll account, you will receive an electronic tag (with a tag bracket) to attach to your vehicles windscreen (not applicable for ERider accounts). By setting up an electronic tag account and adding your vehicle registration number, you can drive through toll collection points without stopping and your toll fee will be automatically charged to your Roads and Maritime E-Toll account. When passing through the toll collection point, your tag will sound a short trill when detected.

For more information, visit www.myetoll.com.au or call 13 18 65.

Proof of Identity (POI)

To get an Roads and Maritime E-Toll account online, at any NSW Registry or Service NSW Centre, proof of identity is **NOT** required, however to access your existing Roads and Maritime E-Toll account, you will be required to prove your identity. For more information regarding Proof of Identity requirements, call us on 13 18 65 or visit any NSW Registry or Service NSW Centre.

To open your Roads and Maritime Easy Toll Tag account, you are required to pay a one-off registration fee and a small ongoing monthly account fee. You have the flexibility of automatic or manual payments. You can choose to set up automatic payments by direct debit, credit card* or Visa/MasterCard* debit card. ERider

With any of our products, motorcyclists do not have to carry an actual tag.

Your motorcycle Licence Plate Number is photographed at toll points and matched back to your ERider. The ERider's \$90 per quarter flat fee pays for unlimited travel on the Sydney Harbour Bridge and/or Sydney Harbour Tunnel. The ERider \$90 flat fee will automatically renew via your chosen payment method (credit card*, Visa/MasterCard* debit card or bank account) at the beginning of each quarter. ERider billing quarters are 1 January, 1 April, 1 July and 1 October each year. If you become a customer within the quarter your first quarter is charged a pro-rata amount.

You are required to have a minimum opening balance of \$40 (in addition to your \$90 ERider quarterly fee) on your ERider account to pay for tolls on other toll roads. These tolls are automatically debited from your ERider account. When your account reaches its minimum balance, it will be automatically topped up via your chosen payment method.

To find out more about our products, visit www.myetoll.com.au or call 13 18 65.

Managing your E-Toll account

You will receive an itemised Roads and Maritime E-Toll Transaction Statement via email or post**. You can also request to receive your Roads and Maritime E-Toll Transaction Statement on a monthly or quarterly basis so keeping track of your toll usage is easy.

You can check your account information, change your personal details, top up your account and order additional tags or brackets at www.myetoll.com.au or by calling us on 13 18 65.
