

# Pay your registration by mail and save time

For most vehicles you require a valid CTP insurance (green slip) and current Safety Inspection report (pink slip) to complete your registration renewal. When returning your renewal notice and credit card authority please include your 'green slip', unless your insurer has advised you that they have electronically sent the information to Roads and Maritime Services (RMS). Also include your 'pink slip' unless you have a current e-Safety Inspection report. If you have a concession, e.g pensioner, please include the appropriate documents. **Please send to the Customer Service Centre printed on the front of your renewal notice.**
