Transport Roads & Maritime Services

Alcohol Interlock Program
Interlock Installation Certificate

Instructions to applicant

STEP 1 Arrange an appointment with an accredited interlock service provider to have an approved interlock device installed in your vehicle. For a list of accredited interlock service providers, go to **www.rms.nsw.gov.au/interlock** or contact the Service NSW Contact Centre on 13 22 13.

STEP 2 Complete Section 1 (Applicant's declaration) below. You must sign Section 1.

STEP 3 You must take this form with you to the accredited interlock service provider along with the letter titled 'Advice of disqualification and mandatory interlock order' that you received from Roads and Maritime.

If you are applying for a fee concession, ensure you take evidence of your entitlement for the concession to the accredited interlock service provider. Information on eligible concession cards is available in the *Mandatory Alcohol Interlock Program Participant Guide.*

The accredited interlock service provider must complete and sign Section 2 (Accredited interlock service provider certification) and Section 3 (Accredited interlock service provider's declaration) below.

STEP 4 You must take the completed certificate to a Service NSW centre or a motor registry to apply for an interlock driver licence.

All sections of this certificate must be completed or your interlock driver licence will not be issued.

1. Applicant's declaration

I _____

of _____

declare that the details I have provided in this certificate are true and complete.

I understand that my personal information is being collected as a requirement of my application for an interlock driver licence. I must supply the information under the *Road Transport (Driver Licensing) Regulation 2017*.
