**BUILDING OUR FUTURE**

May 2016

## **Night work on Tourle Street and Cormorant Road at Kooragang from Monday 23 May 2016**

**The Australian and NSW governments have each committed funding for this project to improve traffic flow and cater for future traffic growth.**

Roads and Maritime Services has engaged WBHO McIlwain Joint Venture to duplicate 3.8 kilometres of Tourle Street and Cormorant Road between Industrial Drive, Mayfield West and Egret Street, Kooragang, including the construction of a second bridge over the Hunter River.

Upcoming work includes:

- Delivery and installation of concrete barriers along the edge of the road. This may require the closure of one lane of traffic in some locations.
- Removing existing line markings on the road and replacing with new line markings to provide separation between traffic and the construction area
- Installation of new signage to improve safety.

To minimise traffic disruptions, intermittent night work will be carried out within the project area from **Monday 23 May**. The work will be carried out **Monday to Friday** (excluding public holidays) between **6pm** and **7am** and is expected to be completed in **four weeks**, weather permitting.

We will continue to work during standard working hours **Monday to Friday** between **7am** and **6pm** and **Saturday** between **8am** and **1pm**, weather permitting.

### **How will the work affect you?**

There will be some noise associated with this work. We will make every effort to minimise noise by:

- Arranging the work in stages at different locations
  - Using the minimum amount of machinery necessary and turning off the machinery when not in use
  - Monitoring worker behaviour to ensure noise is kept to a minimum.
-

## Traffic changes

Temporary traffic changes will continue to be in place to ensure the work zone is safe.

Lane closures may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please call our construction partner on 1800 471 488 (24 hours) or email [community@ts-jv.com.au](mailto:community@ts-jv.com.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au)

Thank you for your patience during this important work.
