

# Birchgrove Wharf upgrade

October 2017

Birchgrove Wharf will be temporarily closed for upgrade from **Tuesday 17 October 2017** for about five months, weather and maritime conditions permitting. All efforts will be made to reopen the wharf as soon as possible.

The NSW Government is upgrading Birchgrove Wharf as part of the Transport Access Program. The Birchgrove Wharf design has been developed following feedback from the community and aims to balance factors including safety, accessibility, efficient ferry operations, environmental and heritage impacts. The final Review of Environmental Factors went on display for comment in August 2017. The Review of Environmental Factors and submissions report can be viewed at [rms.nsw.gov.au/birchgrove-wharf](http://rms.nsw.gov.au/birchgrove-wharf)

## ALTERNATIVE TRANSPORT DURING CONSTRUCTION

Birchgrove Wharf will be closed during the wharf upgrade. Customers will be able to catch the 441 bus service, operating between Grove Street Birchgrove and the QVB, to the city or to connect with other bus services on Victoria Road. The closest wharf to connect to ferry services is Balmain Wharf. The temporary closure of Birchgrove Wharf will not affect the timetable for ferry services to other wharves.

**We encourage customers to plan their trip by visiting [transportnsw.info](http://transportnsw.info) or calling 131 500 before starting their journey.**
