Project update – Work resuming on Epping Road, between Essex Street and Blaxland Road, Epping from Monday 8 January

The NSW Government is funding this project through the Housing Acceleration Fund to improve traffic flow and reduce congestion to support population growth in Epping Town Centre.

Roads and Maritime Services is delivering this project, which involves widening Epping Road westbound between Essex Street and Blaxland Road and improving the intersection at Epping Road and Essex Street.

Progress so far and the next stage

We have surveyed the site, carried out demolition work and set up the site compound. The work still to be done includes:

- relocating utilities
- widening Epping Road westbound between Essex Street and Blaxland Road
- improving the intersection at Epping Road and Essex Street
- installing or improving dedicated turning lanes
- asphalting
- road marking.

We will continue to update you as the project progresses. We have included a map to show the location of the work.

Our work schedule

We will be on site for 12 night shifts and up to 49 day shifts between Monday 8 January and Wednesday 28 February, weather permitting. Our night work hours will be between 8pm and 5am from Sunday to Friday. Our day work hours will be between 7am and 6pm from Monday to Friday and between 8am and 1pm on Saturdays.

We will communicate with the community about further work to complete this project in the new year.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by midnight and staging them in different locations.
Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Beecroft Road and Carlingford Road, Epping

Roads and Maritime Services is delivering improvements to the Beecroft Road and Carlingford Road intersection in Epping. Work was delayed due to utility relocations, we now expect to complete the project in early 2018. The project will result in improved traffic flow, reduced traffic congestion with new turning and slip lanes and improved pedestrian access.

Contact

If you have any questions, please contact our delivery partner, DM Roads, on 1800 332 660 or enquiries_nsw@dmroads.com.au.
