Pennant Hills Road and George Street, Pennant Hills
Project update
Roads and Maritime Services | May 2018

The Australian Government is funding this $250,000 proposal under its Black Spot Programme to reduce the number and severity of crashes on Australian roads.

Roads and Maritime Services invited feedback in December 2016 on a proposal to ban right turns in and out of George Street to/from Pennant Hills Road at Pennant Hills.

We received feedback from 95 people who raised 31 issues. Key issues raised by the community included access for the community, the alternative route, social and business impacts, the consultation process and matters outside the scope of this proposal.

27 submissions indicated support for the proposal, 34 submissions were against the proposal and 34 were neutral. Following a review of all feedback, we have decided to proceed with the proposal unchanged.

We have now prepared a Community Consultation Report that summarises the feedback we received on this proposal and our responses. A copy of this report is available at rms.nsw.gov.au or by contacting the project team. We thank everyone who took time to consider our proposal and provide feedback.

Next stage
Right turns in and out of George Street to/from Pennant Hills Road at Pennant Hills will be banned from the night of Sunday 17 June.

The work will involve extending the concrete barrier on Pennant Hills Road to prevent right turns in and out of George Street.

Our work schedule
To complete the project, we will be on site for up to five nights a week for up to 15 night shifts, between Sunday 17 June and Monday 30 July weather permitting. Our night work hours will be between 8pm and 5am from Sunday to Friday. We will not be working public holidays.

If you have any questions about the night work schedule, please send your comments to our delivery partner by Monday 4 June at nsw_projects@dmroads.com.au or:
DM Roads, George Street, Pennant Hills PO Box 6465 North Ryde, NSW, 2113

We have included a map to show the location of the work.

How will the work affect you?
Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight.

Traffic changes
There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
Privacy Roads and Maritime Services (“RMS”) is subject to the Privacy and Personal Information Protection Act 1998 (“PPIP Act”) which requires that we comply with the Information Privacy Principles set out in the PPIP Act. All information in correspondence is collected for the sole purpose of assisting in the delivery of this project. The information received, including names and addresses of respondents, may be published in subsequent documents unless a clear indication is given in the correspondence that all or part of that information is not to be published. Otherwise RMS will only disclose your personal information, without your consent, if authorised by the law. Your personal information will be held by RMS at 27 Argyle Street, Parramatta.
