Night investigation work for proposed intersection improvements at Canterbury Road and King Georges Road, Wiley Park, from Sunday, 24 September

The NSW Government is funding this proposal as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s business corridors.

Roads and Maritime Services will be carrying out investigation work which includes ground utility, stormwater drainage, lighting and over-head wiring surveys to help inform the design of the project.

We have included a map to show the location of work.

Our work schedule

We will be on site for seven night shifts between Sunday 24 September and Friday 10 November, excluding public holidays, weather permitting. Our work hours will be between 8pm and 5am from Sunday to Friday.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Have your say

We are currently seeking feedback by Friday 29 September on a proposal to make improvements at the intersection of Canterbury Road and King Georges Road, Wiley Park. You can find out more about the project and provide your comments by:

Calling our Project Manager, Henry Mi, on 1800 572 004 during business hours
Emailing pinchpoints@rms.nsw.gov.au
Writing to Pinch Points Program Project Team, Roads and Maritime Services, PO Box 973, Parramatta, NSW, 2124.
Contact

If you have any questions, please contact our project manager, Henry Mi, on 1800 572 004 during business hours or pinchpoints@rms.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
