BUILDING OUR FUTURE

May 2016

Lane closure and night work on the Narellan Road westbound exit onto the Camden Bypass from Monday 23 May

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is building a new pedestrian crossing and off-road shared pedestrian and cycle path near the Camden Bypass and Narellan Road intersection. To complete this work one lane will be closed on the Narellan Road westbound exit to the Camden Bypass. Preparation work for the lane closure will be carried out at night to minimise impact on motorists.

One lane will be permanently closed from **Monday 23 May 2016**. During construction and once the upgrade is complete, the second lane onto the Camden Bypass will start south of the new pedestrian crossing.

Three shifts of night work will be carried out between **Monday 23 May** and **Friday 17 June 2016**, weather permitting. Our night work hours will be from **8pm** to **5am**. Night work will not be carried out on weekends.

Work will continue to take place during standard construction hours from **7am** to **6pm Mondays to Fridays** and **8am** to **1pm** on **Saturdays**. No work will be carried out on public holidays.

How will the work affect you?

There will be some noise and additional lighting associated with this work however, we will make every effort to minimise impacts.

Traffic changes

One lane will be closed on the Narellan Road westbound exit onto the Camden Bypass, reducing two lanes to one. There may be delays to traffic along Narellan Road due to these changed traffic conditions. Motorists are asked to plan their journey and to allow for extra travel time.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner Seymour Whyte Constructions on **1800 720 146** or email narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects.

Thank you for your patience during this important work.
