Work continuing on intersection improvement on Glenfield Road, Glenfield from Friday 20 May

The NSW Government is funding this $4.8 million project, between Campbelltown Road and Brampton Avenue, as part of its $246 million Pinch Point Program, which aims to reduce delays, manage congestion and improve travel times on Sydney’s main roads, particularly during weekday peak periods.

Roads and Maritime Services is continuing to deliver this project, which includes:

- Upgrading the traffic lights at the intersection of Glenfield Road and Campbelltown Road, including adding lights for the pedestrian crossings
- Widening Glenfield Road to two lanes in both directions between Campbelltown Road and Brampton Avenue, including two right turn lanes from Glenfield onto Campbelltown Road
- Providing a dedicated left turn lane from Glenfield Road onto Campbelltown Road
- Lengthening the right turn lane from Campbelltown Road onto Glenfield Road by 140 metres
- Constructing a shared bicycle and pedestrian path on both sides of Glenfield Road.

The final stage of work will include utility adjustments, traffic light upgrades, building traffic islands, asphalting, line marking and landscaping. We have included a map to help explain the project.

Our working hours will be from 7am to 6pm between Mondays and Fridays and from 8am to 1pm on Saturdays. We will also be working a further 16 shifts of night work between Friday 20 May and the late July, excluding public holidays. Our night shift hours will be 8pm to 5am.

How will the work affect you?

There will be some noise associated with this work but we will make every effort to minimise its impact by completing the noisiest work by 11pm.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Other work in your area

Roads and Maritime will carry out six shifts of night work to repair the retaining wall on the westbound side of the Hume Highway, Casula, near the intersection with Campbelltown Road. Our night working
hours will be between 8pm and 5am. We will also work during the day from 7am to 6pm between Mondays and Fridays and from 8am to 1pm on Saturdays. This work will be carried out between Monday 23 May and the late June.

Contact

If you have any questions, please call our delivery partner DownerMouchel on 1800 332 660 or email enquiries_nsw@downermouchel.com
