Intersection improvements at Mamre Road and Saddington Street, St Marys

Project update
Roads and Maritime Services | July 2018

The NSW Government is funding this project as part of its $225 million Pinch Point Program which aims to reduce delays, manage congestion and improve travel times on Sydney’s major roads.

Roads and Maritime Services is delivering this project, which involves creating dedicated right turn lanes from Mamre Road into Saddington Street.

Progress so far and the next stage
We have removed nine trees next to Our Lady of the Rosary Primary School, completed property adjustments, and relocated utilities.

The remaining work to be completed includes:

- widening the western side of Mamre Road by about five metres to provide dedicated right turn lanes from Mamre Road into Saddington Street, northbound and southbound
- building a centre median on Mamre Road to protect the right turning traffic
- installing a CCTV camera to help monitor and manage traffic.

Project completion is expected to be completed in October 2018.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

The northbound bus stop on Mamre Road next to Our Lady of the Rosary Primary School will be reopened at the completion of the project. Please refer to the rms.nsw.gov.au website or signage on bus stops for up-to-date information.

For all school services, buses will continue to detour via John Street and stop on Edgar Street to ensure pedestrian safety.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Our work schedule

We will continue to be on site for the next stage of work for 25 night shifts and 25 day shifts between Monday 30 July and Thursday 4 October, excluding public holidays, weather permitting. Our night work hours will be between 8pm and 5am from Sunday to Friday.

Our day work hours will be between 7am and 6pm from Monday to Friday and between 8am and 1pm on Saturday.
