

February 2017

Early morning work at Nepean River Pedestrian Bridge from Monday 13 February to Friday 31 March

The NSW Government is building a new pedestrian and cyclist bridge over the Nepean River to connect Penrith and Emu Plains.

Roads and Maritime Services is continuing to deliver this new bridge which will provide a safe crossing for pedestrians and cyclists over the Nepean River and improve connections to existing and future shared paths, including the Great River Walk.

Due to the continuous hot weather, Roads and Maritime Services will carry out up to **20 early morning shifts** between **Monday 13 February** and **Friday 31 March**. Work will start at **5am** to prepare for concrete pouring and reduce the safety risk of working in the hottest part of the day.

The early morning work will involve:

- Arrival of work crew in cars and small trucks
- Unloading of hand tools
- Installing traffic controls including opening gates and temporary lighting towers
- Setting up concrete boom pumps
- Delivery of concrete in trucks
- Use of petrol powered concrete tools and vibrators
- Installation of timber formwork
- Installation of reinforced steel.

We have included a map to show where the work will take place.

How will the work affect you?

There will be some noise and light associated with this work. We will make every effort to minimise noise, including ensuring our work program allows opportunity for respite.

Trucks will be turning into the site at Memorial Avenue and Punt Road for this work. Motorists are asked to please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner Seymour Whyte Constructions, on 1800 851 934 or email us at nepeanbridge@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
