Work is continuing on The Northern Road upgrade, South Penrith from Sunday 17 June 2018

The Australian and NSW governments are jointly funding this work as part of the $1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Roads and Maritime Services is upgrading The Northern Road between Glenmore Park and South Penrith. As part of this work, utilities are being installed along The Northern Road between Glenmore Parkway, Glenmore Park and Jamison Road, South Penrith.

Our day work is continuing to take place between 7am and 6pm, weather permitting. To minimise the impact on road users, some work will now also take place at night. We will need to work up to four nights a week over weeknights and some weekends between 7pm and 6am, weather permitting, in specific locations within the project area.

The attached map shows the work locations.

Work will be ongoing until mid-2019.

How will the work affect you?

Every effort will be made to minimise the impact on residents and businesses by:

- adapting our construction methods to reduce night work impact and noisier activities will be scheduled in the earliest part of the shift, where possible
- alternating between work locations to minimise continuous impact on the same community
- using equipment fitted with noise mitigation devices where possible and monitoring noise at night.

Residents will be notified a week in advance of night work or any high impact or noisy work in their area.

There may be short outages to utility services associated with this work. Residents and businesses will be notified directly before any planned outages.

Traffic changes

For the safety of motorists and workers, there will be some traffic changes and temporary lane closures. These closures may affect travel times. Please keep to speed limits and follow the direction of signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

Please contact our delivery partner Lendlease on 1800 870 665 or tnr.community@lendlease.com if you have any questions or complaints related to this activity. Thank you for your patience during this important work.
