New traffic arrangements on The Northern Road near Eaton Road and Dwyer Road

The Australian and NSW Governments are funding this work as part of the $1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work on the upgrade of The Northern Road, between Mersey Road, Bringelly and Eaton Road, Luddenham.

Upcoming work

To provide safe access to work sites off The Northern Road, two new roundabouts will be constructed at the following locations:

- North of the entrance of 1675 The Northern Road
- Near Eaton Road

In order to construct the roundabouts, we will need to install barriers and signage and carry out line marking. Speed limits will be reduced where work is taking place. New access arrangements will be in place for residents when the work is complete as shown in the maps below.
Other construction activities which will take place during normal working hours include installing drainage and fencing, earthwork and geotechnical investigations.

**Work hours**

To minimise the impact on motorists, work will take place at night from **Monday to Thursday** between **7pm and 5am** from **18 February till 14 March 2019**, weather permitting.

Other work will take place within normal working hours of 7am to 6pm Monday to Friday and 8am to 1pm on Saturday.

**How will the work affect you?**

Our work may be noisy at times and will involve loading and unloading trucks, excavation and asphalting equipment. Every effort will be made to minimise the impact on residents by:

- Carrying out work during normal working hours, where possible
- Adapting our construction methods to reduce work impact as much as possible
- Monitoring noise.
Traffic changes

Traffic control will be in place to guide motorists around the work, which may affect travel times.

Please keep to speed limits and follow the direction of detour signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Liaison Manager on 1800 703 457/Press 1 and then 3 or by email thenorthernroad@rms.nsw.gov.au

For more information on our projects, visit www.rms.nsw.gov.au/thenorthernroad. Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are jointly funding a $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.
