**BUILDING OUR FUTURE**

May 2017

## **Completion of the Werrington Arterial Road project and opening of the new M4 motorway ramps, Claremont Meadows on Sunday 28 May 2017**

**The Australian and NSW governments funded this work as part of the \$55 million upgrade of Gipps Street and Kent Road (Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services will this weekend complete the work as part of the Werrington Arterial Road project between the M4 Motorway and the Great Western Highway. The new on and off ramps to the M4 Motorway will be opened to traffic from **5am Sunday 28 May 2017**, weather permitting.

This is the first major project to be completed as part of the \$3.6 billion Western Sydney Infrastructure Plan that delivers new and upgraded roads to support integrated transport in the region and capitalise on the economic benefits from developing the new Western Sydney Airport at Badgerys Creek.

The completed work includes:

- widening Gipps Street and Kent Road to two lanes in each direction between the M4 Motorway and the Great Western Highway, Claremont Meadows
- new M4 eastbound entry and westbound exit ramps from Gipps Street/Kent Road
- three intersection upgrades with new traffic lights at Caddens Road, Fowler Street and Sunflower Drive (north)
- a permanent speed limit of 80km/h on Gipps Street between the Great Western Highway and Caddens Road and 70km/h on Kent Road
- a three metre wide shared path for pedestrians and cyclists, including a new bridge over the M4 Motorway
- six bus bays on Gipps Street and Kent Road (three in each direction)
- a noise wall on the western side of Gipps Street between Caddens Road and the Great Western Highway.

### **Thank you**

The completed Werrington Arterial Road project will accommodate future growth areas around Werrington and help reduce congestion for motorists on the busy north-south corridors including Mamre Road and The Northern Road.

It will also provide better access to the M4 Motorway for motorists, and improve travel times and reduce congestion.

We thank you for your patience while we delivered this important project.

### **Contact**

For more information, please contact our delivery partner, Burton Contractors, on **1800 631 531** or email **werringtonArterialRoad@burtoncontractors.com.au** or visit [rms.nsw.gov.au/werringtonarterialroad](http://rms.nsw.gov.au/werringtonarterialroad).
