BUILDING OUR FUTURE

May 2016

Continued M4 Motorway night work and intersection closure at Sunflower Drive (north) and Gipps Street, Claremont Meadows from 15 May

The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project. Work is continuing to install safety screens on the new shared pedestrian and cyclist bridge over the M4 Motorway. Work is also ongoing at the Sunflower Drive (north) and Gipps Street intersection at Claremont Meadows.

Night work on the M4 Motorway will continue from **Sunday 15 to Thursday 19 May 2016**, weather permitting. Work will be carried out to install safety screens between **9pm** and **5am** and will require the temporary closure of two lanes in each direction on the M4 Motorway. One lane in each direction will remain open to traffic.

The Sunflower Drive (north) and Gipps Street intersection closure will be extended for around one month until late **June 2016**, weather permitting. Work will continue to be carried out during standard construction hours **7am to 6pm, Monday to Friday**, and from **8am to 1pm on Saturdays**. The current detour remains in place via Sunflower Drive (South) and Myrtle Road.

How will the work affect you?

There will be some noise associated with the work, but every effort will be made to minimise the impact on residents.

Traffic changes

There will be some temporary traffic changes to ensure the work zones are safe. Access to all properties will be maintained throughout the work. There may be some short delays to traffic as traffic controllers help trucks to safely enter and exit our construction sites.

Electronic message signs will be in place to direct road users around the work zones.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on **1800 631 531** or email werringtonarterialroad@burtoncontractors.com.au or visit rms.nsw.gov.au/werringtonarterialroad.

Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a planned western Sydney airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

*Total length amended due to confirmation of The Northern Road scope of work

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 703 457.

Arabic
