

Australian Government

BUILDING OUR FUTURE

October 2015

Closure of Fowler Street intersection at Gipps Street, Claremont Meadows from 19 October

The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will carry out work to build the eastern half of the new intersection at Fowler Street. Work will include adjusting utilities, installing power poles, traffic posts and lights, street lighting and a new drainage system and building the new road.

This work will take place from **Monday 19 October to Monday 18 January**, weather permitting. Our working hours will be from 7am to 6pm, **Monday to Friday**, and from **8am to 1pm** on **Saturdays**.

How will the work affect you?

There will be some noise associated with this work however we will make every effort to minimise the impact on residents and complete the work as quickly as possible.

Traffic changes

Fowler Street will be closed at the intersection with Gipps Street for about three months while we complete this work. A detour will be in place along Fowler Street and Blackwood Street to Caddens Road. Current parking arrangements in Blackwood and Fowler Streets will remain unchanged. We have included a map to help better explain the detour.

The Caddens Road and Gipps Street intersection will reopened by 17 October and bus services will return to normal.

There may be occasional short delays to traffic along Kent Road and Gipps Street as traffic controllers help trucks to safely enter and exit our construction sites. Access to properties and the State Emergency Service facility will be maintained throughout the work. One lane will remain closed on Kent Road and traffic control will be in place where it crosses the M4 Motorway until March 2016.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on **1800 631 531** or email **werringtonArterialRoad@burtoncontractors.com.au** or visit rms.nsw.gov.au/werringtonarterialroad.

Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan (WSIP) will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on WSIP projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 703 457.

Arabic
