**BUILDING OUR FUTURE**

April 2016

## Temporary lane closure on Kent Road, Claremont Meadows from Wednesday 20 April

**The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services is carrying out work to upgrade Kent Road from south of Caddens Road to south of Kent Road bridge. The work includes upgrading the existing Kent Road bridge, completing the new M4 Motorway ramp connections to Kent Road and relocating existing services.

The current work requires a full-time closure of one lane on Kent Road between south of Caddens Road and south of the Kent Road bridge. This will be in place from **Wednesday 20 April** for about three months, weather permitting.

The attached map helps to explain the location of the work.

### How will the work affect you?

There will be some noise associated with this work however we will make every effort to minimise noise by arranging the work in stages and completing the noisiest activities as early as possible.

### Traffic changes

Electronic message signs and temporary traffic signals will be in place on either side of the worksite to safely manage the traffic in both directions through the single lane. This will be a similar setup to the single lane closure that was in place in late 2015.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions, please call our project team on **1800 631 531** or email [werringtonarterialroad@burtoncontractors.com.au](mailto:werringtonarterialroad@burtoncontractors.com.au) or visit [rms.nsw.gov.au/werringtonarterialroad](http://rms.nsw.gov.au/werringtonarterialroad).

Thank you for your patience during this important work.

## Location Map

## Western Sydney Infrastructure Plan

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a planned western Sydney airport at Badgerys Creek. For more information on our projects, visit [rms.nsw.gov.au/wsip](http://rms.nsw.gov.au/wsip) or call 1800 703 457.

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 703 457.
