**BUILDING OUR FUTURE**

April 2017

## **Night work on the M4 Motorway, Claremont Meadows, from Tuesday, 18 April**

**The Australian and NSW governments are funding this work as part of the \$55 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services will be asphaltting and line marking on the two new Kent Road ramps at the M4 Western Motorway, Claremont Meadows. This work includes removing the temporary safety barriers from the shoulder and median areas on the M4.

In order to minimise the impact on motorists, work will take place over eight shifts between **9pm and 5am** from **Tuesday 18 April to Monday 8 May 2017**, weather permitting. Night work will not occur on public holidays.

The attached map helps shows the location of the work.

### **How will the work affect you?**

Our work may be noisy at times but every effort will be made to minimise its impact on residents.

The new M4 Western Motorway entry and exit ramps will not open until the project is complete. Safety barriers will be in place at the ramps.

### **Traffic changes**

There will be some temporary traffic changes to ensure the work area is safe including lane closures.

Electronic message signs will be in place to notify road users of the changes in traffic conditions.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
