**BUILDING OUR FUTURE**

January 2017

## Night work on Kent Road Bridge, Claremont Meadows from Sunday 15 January 2017

**The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services will be carrying out modifications to the existing Kent Road Bridge over the M4 Motorway at Claremont Meadows. In preparation for this work, a temporary access platform will be installed on the western side of the bridge.

In order to minimise impact on motorists, the work will take place at night between **7pm and 6am**. Night work to install the temporary platform will be completed over seven shifts between **Sunday 15 January and Tuesday 31 January 2017**, weather permitting. Night work will not occur on Friday 20 or Saturday 21 January 2017.

The temporary platform will then be removed around five weeks after it has been installed. Additional night work will be needed to remove the platform.

The attached map helps to better explain the location of the work.

### How will the work affect you?

There will be some noise associated with the work, but every effort will be made to minimise the impact on residents.

### Traffic changes

Temporary lane closures will be in place on the M4 motorway. At least one lane will remain open during each shift. Electronic message signs will be in place to notify road users of the changes in traffic conditions.

The current traffic lights on Kent Road Bridge will remain in place during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions, please call our project team on **1800 631 531** or email [werringtonarterialroad@burtoncontractors.com.au](mailto:werringtonarterialroad@burtoncontractors.com.au) or visit [rms.nsw.gov.au/werringtonarterialroad](http://rms.nsw.gov.au/werringtonarterialroad).

Thank you for your patience during this important work.

## Location Map

## Western Sydney Infrastructure Plan

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. For more information on our projects, visit [rms.nsw.gov.au/wsip](http://rms.nsw.gov.au/wsip) or call 1800 703 457.

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 703 457.
