

Australian Government

BUILDING OUR FUTURE

January 2016

Changed traffic arrangements on Gipps Street and Kent Road from Friday 22 January 2016

The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services has completed more than half of this important project and is continuing to deliver the remaining work. Traffic will be moved onto a new section of Gipps Street and Kent Road north of Sunflower Drive (north) and south of Caddens Road intersections at the end of January 2016.

The traffic switch and preparation work will be carried out from **Friday 22 January** until **Monday 25 January 2016**, weather permitting. Work will be carried out during standard construction hours (**7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**).

All current traffic movements and number of traffic lanes will be maintained. The attached map helps to better explain the traffic switch.

Traffic changes

After the traffic switch, all Gipps Street and Kent Road traffic will travel on the new lanes. Electronic message signs will be in place to direct road users along the new roadway.

Access to all properties will be maintained throughout the work. There may be some short delays to traffic as traffic controllers help trucks to safely enter and exit our construction sites.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on **1800 631 531** or email **WerringtonArterialRoad@burtoncontractors.com.au** or visit rms.nsw.gov.au/werringtonarterialroad. Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.
