### Project
Oxley Highway Spencer’s Cutting Realignment and Widening

### EPL Number
21101

### EPL Link

### Licensee
Roads and Maritime Services

### Licensee’s address
PO Box 484
Grafton NSW 2460

### Monitoring period
September 2019

### Date Published
September 2019

### Monitoring frequency required by licence
Special Frequency 1

Note: Special Frequency 1 means less than 24 hours prior to a controlled/scheduled discharge and daily for any continued controlled/scheduled discharge. Where the discharge occurs solely as a result of a rainfall event that exceeds 40.1mm over a period of 5 days, and it is not reasonable and feasible to access the monitoring location, monitoring is not required.
