**Please read carefully before you sign.  
If you do not tell the truth you can be prosecuted.**

- (i) I declare that the details specified in this notification are true and correct.  
(ii) I have not been coerced or paid an inducement to assess the vehicle falsely or make this notification falsely.  
(iii) The vehicle specified in this notification has been assessed by or on the advice of a person who holds the relevant qualifications set out in clause 123J of the [Road Transport \(Vehicle Registration\) Regulation 2017](#) (NSW).  
(iv) The vehicle specified in this notification has been damaged and assessed in accordance with the salvage, incident and damage details specified in this notification.  
(v) I have kept a copy of this notification and the following assessment information for my records:

- vehicle identification details
- vehicle damage details
- details of the determination if the vehicle has suffered non-repairable damage, including the date the determination was made
- the name of the person who made the assessment
- the reasons why the person was competent to make the assessment
- the sum for which the vehicle was insured
- the market value of the vehicle and the basis for determining that value
- the assessed repair cost and details of how the cost was determined, applying the relevant technical specifications
- the assessed salvage value of the vehicle and the basis for determining that value.

I will keep these records for a period of seven (7) years from the date of issue. A copy of this notification and all other records associated with this notification and assessment will be produced upon request, to an authorised officer of the NSW Police Force, Roads and Maritime Services and/or NSW Fair Trading in the course of any investigation.
