(Customer/Licence Number)

Please select from the following and place a tick in the box appropriate to your election/acknowledgment.

- 1. Demerit point suspension or refusal**
I elect to be of good behaviour for a period of 12 months rather than having my licence suspended / refused under the Demerit Points Scheme.
- 2. Demerit point suspension (exceeded the demerit point limit twice within a five year period) – Driver Knowledge Test required**
I elect to be of good behaviour for a period of 12 months rather than having my licence suspended under the Demerit Points Scheme. I am aware that I must pass a Driver Knowledge Test to stop my suspension commencing on the date specified on my notice. I am aware that if my licence is suspended, it will remain suspended and my good behaviour period will not commence until I successfully pass the Driver Knowledge Test.
- 3. Remainder of good behaviour period after disqualification**
I am aware that the licence I am being issued is subject to good behaviour conditions for the same period that was unserved on my previous licence that was disqualified/cancelled.
- 4. Interstate transfer of good behaviour licence**
I am aware that the licence I am being issued will be subject to good behaviour until _____, *(insert date)* which is the expiry date of the good behaviour/probationary period in place on my interstate licence.

I am aware that should I incur 2 or more demerit points for traffic offences committed during the good behaviour period, the licence I hold will be suspended or, the renewal of the licence will be refused for twice the period that would have applied had I not made the election (as indicated on the Notice of Suspension / Refusal), or for a period of no less than six months.
