Roads and Maritime Services E-Toll Terms and Conditions

Effective 24th April, 2019

1.1 Your E-Toll Service is provided by Roads and Maritime Services ABN 76 236 371 088 (RMS) and enables You to pay Tolls and Fees which are incurred by You or Your Vehicle in accordance with these RMS E-Toll Terms and Conditions.

2. How Your E-Toll Service Works

2.1 You are responsible at all times for the acts and omissions of any Authorised Representative using or operating Your E-Toll Services, including for any Tolls and Fees they incur.

2.2 Your E-Toll Service may be linked to an E-Toll Account, as specified in the Schedule of Fees and Payment Methods.

2.3 RMS may require You to link at least one Vehicle to Your E-Toll Account.

2.4 Safe driving is important to RMS. If You receive a SMS or other communication from RMS in relation to Your E-Toll Account while You are driving, please only read the communication where it is safe and lawful to do so. Information about applicable laws relating to use of a mobile phone while driving can be found on the Transport for NSW website (http://roadsafety.transport.nsw.gov.au/stayingsafe/mobilephones/know-the-rules.html).

3. Payments, fees and charges for Your E-Toll Service

3.1 You must pay the following amounts to RMS in connection with Your E-Toll Service:

(a) all Tolls incurred by You or Your Vehicle (it is Your responsibility to be aware of all Tolls payable in connection with the use of a toll road). An exception applies in relation to the Sydney Harbour Bridge and Sydney Harbour Tunnel if Your E-Toll Service has been established for an ERider;

(b) all fees and other amounts set out in the Schedule of Fees and Payment Methods which apply to the type of E-Toll Service You have established; and

(c) any other costs reasonably incurred by RMS in enforcing its rights against You under these RMS E-Toll Terms and Conditions, including any fees or charges imposed by a third party on RMS where You have wrongfully refused or failed to pay any amount under these RMS E-Toll Terms and Conditions.

3.2 You can pay Tolls and Fees to RMS by way of Your nominated payment method. Depending on Your nominated payment method and the type of E-Toll Service You have established, RMS will obtain payment of Tolls and Fees from You:

(a) by deducting the amounts from Your E-Toll Account Balance (which may be topped-up in accordance with these RMS E-Toll Terms and Conditions from time to time); and/or

(b) by debiting the amounts from Your Nominated Card or Nominated Account.

3.3 If Your E-Toll Service is linked to an E-Toll Account, You must maintain a positive E-Toll Account Balance by paying RMS the applicable Top-Up Amount.

3.4 Unless Your E-Toll Service has been established for an E-Rider (in which case clause 8.2 will apply), if You:

(a) fail to maintain a positive E-Toll Account Balance; or
(b) fail to pay an amount to RMS in accordance with these RMS E-Toll Terms and Conditions (for example, if You fail to pay the applicable Top-Up Amount because there are insufficient funds available in Your Nominated Card or Nominated Account),

Your E-Toll Service will be suspended and unavailable for use until Your E-Toll Account is returned to a positive balance or You make the relevant payment to RMS. RMS may also refuse to open any additional e-toll accounts with You if Your E-Toll Account is not returned to a positive balance or the relevant payment is not made. RMS may also suspend Your E-Toll Service if RMS determines (acting reasonably) that money is owed on Your E-Toll Account and Your E-Toll Account is inactive (for example, if a period of 12 months has passed without use of Your E-Toll Account).

3.5 RMS will debit Tolls and Fees from the Nominated Card or Nominated Account as soon as practicable after the relevant Tolls and Fees are incurred or, where applicable, notified to RMS by a toll road operator.

3.6 Any Toll and Fees incurred on E-Toll Account while it is suspended will be charged to E-Toll Account on its re-activation.

3.7 The Schedule of Fees and Payment Methods sets out (among other things) the different methods available to You for the payment of Tolls and Fees to RMS. You may change Your nominated method of payment to any other available method (or make any other payment related requests) by contacting RMS in accordance with clause 11.4.

3.8 You may use a Nominated Card or Nominated Account for the payment of Tolls and Fees if that method of payment is available for Your E-Toll Service.

3.9 If You provide a Nominated Card or a Nominated Account for the payment of Tolls and Fees:

   (a) You declare to RMS that You are authorised to use the Nominated Card or Nominated Account to meet Your payment obligations under these RMS E-Toll Terms and Conditions;

   (b) for Nominated Accounts, You must ensure that Your financial institution can support Direct Debit on the Nominated Account; and

   (c) You authorise RMS to:

      (i) debit a nominal amount (not more than $1) from the Nominated Card or Nominated Account which will be re-credited within 1 day (to validate the Nominated Card or Nominated Account details); and

      (ii) debit amounts from, or credit funds to, the Nominated Card or Nominated Account from time to time in respect of Tolls and Fees and other amounts payable to, or from, RMS under these RMS E-Toll Terms and Conditions.

3.10 If Your E-Toll Service is linked to an E-Toll Account, RMS will debit the applicable Top-Up Amount from the Nominated Card or Nominated Account when Your E-Toll Account Balance reaches the Payment Trigger Amount.

3.11 If Your E-Toll Service has been established for an eMU Pass, RMS will debit Tolls and Fees from the Nominated Card when the Tolls and Fees incurred have reached the Payment Trigger Amount and after the end of Your Pass Period.

3.12 If there are insufficient funds available in the Nominated Card or Nominated Account, to meet Your payment obligations, under these RMS E-Toll Terms and Conditions, or a transaction on the Nominated Card or Nominated Account is declined for any reason (other than the negligence of, or wilful misconduct by, RMS or an RMS systems error), You will be charged a
Non-Payment Fee by RMS and You may be charged other amounts by the issuer of the Nominated Card or Nominated Account.

3.13 If:

(a) the existing Nominated Card or Nominated Account is cancelled, suspended or is otherwise not useable; or

(b) the existing Nominated Card Holder cancels Your authorisation to use the existing Nominated Card,

You must immediately provide RMS with details for an alternative Nominated Card or Nominated Account, which can be used to meet Your obligations under these RMS E-Toll Terms and Conditions, and an authority for RMS to debit the alternative Nominated Account in accordance with these RMS E-Toll Terms and Conditions.

3.14 You may use cash or EFTPOS, at any Service NSW Centre, for the payment of Tolls and Fees if that method of payment is available for Your E-Toll Service.

3.15 If RMS receives a payment in connection with Your E-Toll Service and the payment (or any part of it) is reversed or becomes ineffective for any reason, RMS is entitled to reverse any credit to Your E-Toll Account or any other account that RMS maintains in respect of Your E-Toll Service.

4. Errors in charging Tolls and Fees

4.1 If RMS incorrectly credits You with, or incorrectly pays to You, an amount in connection with Your E-Toll Service, RMS may recover that amount from You, provided that RMS has given You 10 days' prior notice of its intention to do so.

4.2 If You believe that RMS has incorrectly charged You Tolls and Fees, You must notify RMS immediately in accordance with clause 11.4. RMS will provide any credit or refund due to You in connection with Your E-Toll Service within a reasonable time after determining that a credit or refund is due to You by such method as RMS may reasonably choose.

4.3 If You raise a chargeback dispute with the financial institution administering Your Nominated Card, in regards to the payment of Tolls or Fees for Your E-Toll Service, RMS may contact You in relation to that chargeback dispute. If You agree (either verbally or in writing) that the relevant charge was legitimate, RMS will request that You contact the financial institution administering Your Nominated Card to withdraw the chargeback dispute within 1-2 Business Days. If You fail to withdraw the chargeback dispute in these circumstances, RMS will debit from Your Nominated Card:

(a) the relevant Tolls and Fees that were in dispute; and

(b) any "chargeback fee" (or similar fees) incurred by RMS as a result of the transaction and/or chargeback dispute in question.

5. E-Toll Service Statement

5.1 If You request that RMS provide a statement to You by post, You will be charged the applicable Statement Fee.

5.2 If You request a replacement statement, You will be charged the applicable Statement Fee for the method of delivery elected by You (if that method is available).

6. Additional Terms for Tags

6.1 If Your E-Toll Service has been established for a Tag, RMS will issue You with a Tag and You must:
(a) ensure that the Tag is fitted in accordance with instructions provided with the Tag to ensure that it operates correctly (if You fail to correctly fit the Tag, You may be charged a No Tag in Vehicle Fee); and

(b) not deface the Tag (or otherwise alter its physical appearance in any way), sell the Tag, or the right to use it, but You may permit it to be used in any Vehicle (and You will be responsible for all Tolls and Fees incurred by its use in such Vehicles in accordance with these RMS E-Toll Terms and Conditions).

6.2 Clause 9 applies in circumstances where the Tag is lost or stolen or the Tag malfunctions or is in any way defective.

6.3 The Tag remains the property of RMS at all times and You are responsible for any theft of, or damage to, the Tag issued to You.

6.4 If requested by RMS, You must promptly return the Tag to RMS in good condition and working order otherwise:

(a) You will be charged the Tag Replacement Fee; or

(b) Your Tag Security Deposit will be forfeited,
as applicable to Your E-Toll Service.

7. Additional Terms for eMU Pass

7.1 If Your E-Toll Service has been established for an eMU Pass, Your E-Toll Service can only be used to pay Tolls and Fees incurred during Your Pass Period. The Pass Period starts on the Start Date (and in the case of a rental vehicle, the Start Time) and finishes on the End Date (and in the case of a rental vehicle, the End Time). These start and finish times are nominated by You at the time of registering Your eMU Pass.

7.2 If Your E-Toll Service has been established for an eMU Pass, RMS will charge You a Vehicle Matching Fee for each Trip recorded against Your eMU Pass.

7.3 You may only request a change to:

(a) Your E-Toll Account details before the Pass Period commences;

(b) Your Start Date (and in the case of a rental vehicle, Your Start Time) before the Pass Period commences; and

(c) bring forward Your End Date (and in the case of a rental vehicle, Your End Time) prior to the original End Date.

8. Additional Terms for ERider

8.1 If Your E-Toll Service has been established for an ERider account (this account is only available for Vehicles that are motorcycles):

(a) RMS will charge You:

(i) an initial ERider Quarterly Fee when Your E-Toll Service is established. This initial ERider Quarterly Fee will be pro-rated according to the month in which You register Your ERider; and

(ii) an ERider Quarterly Fee each subsequent calendar quarter (commencing on 1 January, 1 April, 1 July and 1 October). This ERider Quarterly Fee will be charged on the first day of each such
calendar quarter unless You cancel Your E-Toll Service prior to that time; and

(b) payment of Your ERider Quarterly Fee entitles You to use Your Vehicle to make unlimited Trips on the Sydney Harbour Bridge and Sydney Harbour Tunnel without paying any Tolls during the relevant calendar quarter. You must, however, pay all Tolls incurred by Your Vehicle on other toll roads in accordance with these RMS E-Toll Terms and Conditions.

8.2 Without limiting clause 8.1(b), if Your E-Toll Service has been established for an ERider and You fail to:

(a) pay the ERider Quarterly Fee, Your E-Toll Service will be closed (taking effect on and from the 11th day after You fail to pay the fee); or

(b) maintain a positive E-Toll Account Balance, Your E-Toll Service will be suspended and unavailable for use (except in relation to the Sydney Harbour Bridge and Sydney Harbour Tunnel) until Your E-Toll Account is returned to a positive balance. If Your E-Toll Service is suspended and unavailable for use, RMS will continue to charge You an ERider Quarterly Fee in accordance with clause 8.1(a)(ii) and continue to attempt to collect all monies outstanding on Your E-Toll Account.

RMS may also refuse to open any additional e-toll accounts with You if Your E-Toll Account is not returned to a positive balance or the payment of the ERider Quarterly Fee is not made.

9. Sold or stolen Vehicles and lost, stolen or malfunctioning Tags

9.1 You must immediately inform RMS if either of the following occurs:

(a) if Your E-Toll Service has been established for a Tag, the Tag is lost or stolen or You become aware that the Tag malfunctions or is in any way defective; or

(b) Your Vehicle is sold or stolen.

9.2 If You inform RMS that the Tag is malfunctioning or is in any way defective:

(a) Your E-Toll Service can still be used to pay Tolls and Fees in accordance with these RMS E-Toll Terms and Conditions and You will continue to be liable for Tolls and Fees incurred (You may be charged a No Tag in Vehicle Fee in these circumstances until a replacement Tag is installed); and

(b) RMS will, where the Tag is in fact malfunctioning or defective (as determined by RMS, acting reasonably), provide You with a replacement Tag. This Tag will be provided to You free of charge unless the malfunction or defect was caused by You, in which case:

(i) You will be charged the Tag Replacement Fee; or

(ii) Your Tag Security Deposit will be forfeited and You will be required to pay a new Tag Security Deposit,

as applicable to Your E-Toll Service.

9.3 If You inform RMS that the Tag is lost or stolen or Your Vehicle is sold or stolen:

(a) You will not be liable for Tolls and Fees incurred by that Tag or Vehicle from the time that You have informed RMS, and RMS will disconnect the Tag; and

(b) RMS will, where the Tag or Vehicle is lost or stolen, provide You with a replacement Tag and:
(i) You will be charged the Tag Replacement Fee; or

(ii) Your Tag Security Deposit will be forfeited and You will be required to pay a new Tag Security Deposit,

as applicable to Your E-Toll Service.

9.4 If the Tag is disconnected in accordance with clause 9.3 and You subsequently request that RMS reconnect the Tag, You will be charged a Reconnection Fee.

10. Cancelling Your E-Toll Service

10.1 You may cancel Your E-Toll Service at any time by notifying RMS in accordance with clause 11.4. If Your E-Toll Service has been established for an eMU Pass, the cancellation will take effect at the end of Your Pass Period.

10.2 RMS may cancel Your E-Toll Service (including by discontinuing a type of E-Toll Service) at any time by giving 10 days' notice to You.

10.3 RMS may also cancel Your E-Toll Service immediately without notice to You if Your E-Toll Service has been suspended or in the other circumstances contemplated by these RMS E-Toll Terms and Conditions (including clauses 3.4 and 8.2(b)).

10.4 If Your E-Toll Service was established for an ERider and it is cancelled:

   (a) by You (other than where You have cancelled Your E-Toll Service in response to a notice from RMS under clause 12.1), RMS will not refund any ERider Quarterly Fee to You; or

   (b) by RMS or You (but only where You have cancelled Your E-Toll Service in response to a notice from RMS under clause 12.1), RMS will refund the last ERider Quarterly Fee paid by You on a pro rata basis depending on when it is cancelled in the calendar quarter.

10.5 If Your E-Toll Service is cancelled and it was established for a Tag, You must return the Tag to RMS in good condition and working order otherwise:

   (a) You will be charged the Tag Replacement Fee; or

   (b) Your Tag Security Deposit will be forfeited,

as applicable to Your E-Toll Service. If You return the Tag to RMS in good condition and working order, RMS will refund Your Tag Security Deposit to You (if applicable).

10.6 If, when Your E-Toll Service is cancelled:

   (a) You owe Tolls and Fees to RMS, RMS will collect these amounts from You using the balance on Your E-Toll Account and/or the method of payment applicable to Your E-Toll Service; or

   (b) there is a credit balance on Your E-Toll Account, RMS will return the credit balance to You within a reasonable time after 31 days have passed since the cancellation of Your E-Toll Service.

10.7 There may be delays in motorways informing RMS of Trips. Accordingly, if, after Your E-Toll Service is cancelled, a toll infringement notice is issued for a Trip on a date that is prior to the cancellation of Your E-Toll Service, You may request that RMS process that Trip using Your E-Toll Service. RMS will agree to process such Trips if You notify RMS of the relevant Trip within 93 days of the cancellation of Your E-Toll Service.
10.8 Advising Service NSW of the sale or transfer of a Vehicle does not constitute notice to RMS that Your E-Toll Service is cancelled or that a Vehicle is no longer to be registered to Your E-Toll Service. If You wish to remove a Vehicle from Your E-Toll Service, You must notify RMS using the contact methods set out in clause 11.4. If You do not notify RMS in that manner, You will continue to be charged Tolls and Fees incurred by that Vehicle until You notify RMS (and RMS will not be liable to reimburse You for any such Tolls and Fees incurred).

11. General

11.1 New South Wales laws govern these RMS E-Toll Terms and Conditions.

11.2 Unless otherwise indicated, all Tolls and Fees are inclusive of GST. If GST is stated as not to be inclusive, You are liable for any GST payable.

11.4 You may contact RMS via www.myetoll.com.au or by calling RMS on 13 18 65 during Contact Centre Hours. In certain circumstances, You may be required to provide written notice to RMS. Where You give written notice to RMS, such notice will be effective upon receipt by RMS.

11.6 RMS’ notice will be taken to have been received by You in the following time frames:

(ii) for notices given by email – 1 Business Day after the notice is given by RMS; and

11.7 No interest is payable by RMS to You in connection with any payment You make to us and RMS is entitled to keep any interest earned on the balances maintained in Your E-Toll Account.

11.8 RMS may assign, novate, charge, encumber or otherwise deal with any of RMS’ rights or obligations under these RMS E-Toll Terms and Conditions without obtaining Your consent.

11.9 You are responsible for claiming any entitlements You may have under the Cashback Scheme separately to Your E-Toll Service. Lodging claims or arranging payment under the Cashback Scheme is not part of the E-Toll Service offered by RMS. Enquiries about this Scheme should be directed to the Roads and Maritime Services (RMS) on 1300 133 310. You expressly acknowledge that You have no rights against RMS E-Toll in relation to the Cashback Scheme.

11.10 If and to the extent any other person is in lawful control of a Vehicle containing a Tag issued in connection with Your E-Toll Service, You must take such steps as are necessary to comply with the Surveillance Devices Act 2007 (NSW) and the Workplace Surveillance Act 2005 (NSW) and any similar legislation as amended from to time.
