JOHN FLOWERS MP
MEMBER FOR ROCKDALE
NSW Legislative Assembly

MEDIA RELEASE

2 September 2011

EXTENSION OF MARSH STREET TURNING LANES ONTO M5 EAST

John Flowers today announced work would start shortly on extending the right turn lanes from Marsh Street, Arncliffe onto the M5 East Freeway.

Mr Flowers said the $300,000 NSW Government funded project would help reduce delays for motorists.

“Work will start on Sunday night to extend the two right turn lanes on Marsh Street for motorists heading onto the M5 East westbound.

“The lanes will be extended by around 60 metres to help reduce delays for southbound traffic on Marsh Street.

“The project involves changes to the concrete median, extending the turning lanes, replacing the road surface and line marking.

“The work will be done outside peak periods to reduce the impact on motorists,” Mr Flowers said.

Work will start Sunday 4 September and will take around two months to complete.

Work hours will be Monday to Saturday from 10am to 3pm and when needed at night, Sunday to Friday from 8pm to 5am.

Motorists are advised to follow all signs, included reduced speed limits, and the directions of traffic controllers.
