NIGHT WORK ON THE COBB HIGHWAY
AT MOAMA

John Williams The Nationals Member for Murray-Darling has advised motorists that essential maintenance is being carried out on the Cobb Highway at Moama this month.

Mr Williams said work to replace asphalt from Echuca Street to the Victorian border will be carried out between 7pm and 6am from Sunday 13 to Friday 18 November, weather permitting.

'During this time there will be lane closures with possible delays of up to 10 minutes.

'Access to businesses on the highway will be maintained at all times.

'A reduced speed limit of 20km/h and a width restriction of 3.7 metres will apply.

'Out of work hours, the speed limit will return to 50km/h and there will be no width restriction.

'The work will improve the road surface, providing a smoother ride for motorists.

'Motorists are advised to drive with caution and obey all traffic controls and signs.

'Be roadwork aware, slow down and take care, roadwork speed limits are enforceable,' Mr Williams concluded.
