\textbf{ANOTHER SECTION TO BE SEALED ON MCGRANE WAY}

Work has started on sealing another 2.5 kilometres of McGrane Way near Tullamore.

Member for Dubbo Troy Grant said the $450,000 project will reduce the length of unsealed road between Tullamore and Narromine.

“Sealing McGrane Way has been an important issue for the community and now we are one step closer to completing the sealing of the entire road,” Mr Grant said.

“On the completion of this section there will only be 5.8 kilometres of unsealed road left.”

“Improving this section of road not only makes for a smoother driving experience for motorists but a safer one as well.

“The project will take about 10 weeks to complete, weather permitting.

“It is jointly funded by the NSW Government and Parkes Shire Council under the REPAIR program.”
