CRAIG BAUMANN MP  
MEMBER FOR PORT STEPHENS

MEDIA RELEASE

Wednesday, 21st March 2012

Tomago Road upgrade starts

Work has started to upgrade Tomago Road east of the Pacific Highway at Tomago.

Port Stephens MP Craig Baumann said Roads and Maritime Services (RMS) has provided $1.65 million for the 1.35 kilometre upgrade near McIntyre Road.

The work involves rebuilding the road, widening the shoulders and safety improvements to the McIntyre Road intersection,” he said.

This project will improve road safety and provide a smoother road surface for all motorists, resulting in reduced ongoing maintenance costs.

Shoulder widening will be carried out weekdays between 7am and 5pm. One lane may be closed between 9am and 3pm to allow work to continue.

Night work is planned to start after the Easter holidays and is expected to take eight weeks to complete. Lane closures will be in place between 7pm and 5am the next morning.

Traffic control will be in place and motorists may experience minor delays during this work.

“Work is expected to be completed by July, weather permitting,” Mr Baumann said.

"RMS thanks motorists for their patience while this important work is being carried out.

"Be roadwork aware, slow down and take care – roadwork speed limits are enforceable."
