UPGRADE COMPLETED ON BATHURST TO CROOKWELL ROAD, SOUTH OF BATHURST

Member for Bathurst Paul Toole has announced that Maintenance was completed last week on Bathurst to Crookwell Road (MR54), 29 kilometres south of Bathurst.

The department of Roads and Maritime Services (RMS) provided $800,000 to upgrade a one kilometre section of the road.

Mr Toole said. “The work was carried out by Blayney Shire Council and involved widening the road to eight metres and rebuilding the road surface.”

“An upgrade to the Elmswood Road intersection has been carried out, to improve safety on this road.

“About 300 vehicles use this section of the road each day. This project will improve road safety and provide a smoother, wider road surface for all motorists, resulting in reduced ongoing maintenance costs.”
