HUME HIGHWAY IMPROVEMENTS AT KYEAMBA GAP

Daryl Maguire MP Member for Wagga Wagga today announced Roads and Maritime Services (RMS) will start work at the end of the month to rebuild sections of the Hume Highway at Kyeamba Gap, about 80 kilometres south of Gundagai.

"The $4.2 million project involves rebuilding various sections of the highway's southbound lanes for about three kilometres," Mr Maguire said.

"New drains and guardrail will also be installed and the road will be resurfaced.

"The work will ensure the highway meets the future traffic demands of the community.

"It will also improve road safety, provide a smoother road surface and reduce future maintenance costs.

"Work is expected to be completed by the end of June, weather permitting," Mr Maguire said.
