KATRINA ANNOUNCES THE COMPLETION OF HOLMAN BRIDGE REPAIRS

The Nationals Member for Burrinjuck, Katrina Hodgkinson, announced today that work on the Holman Bridge at Gooloogong will be completed this week.

Katrina said the NSW Liberals & Nationals Government provided $1.5 million to carry out essential maintenance on the 108 year old Holman Bridge across the Lachlan River on Main Road 237.

"The bridge was built in 1904 and has served the local community well during the expansion of the road network," Katrina said.

"The NSW Government recognises that this bridge is a vital transport link for the community.

"The maintenance included replacing or repairing sections of the bridge to improve its strength and keep the bridge in good working condition.

"I thank all the users of this bridge for their patience whilst these vital repairs were carried out.

"The NSW Government is getting on with the job of upgrading vital transport infrastructure in regional areas," Katrina said.
