REMINDER ABOUT SPEED LIMIT CHANGE
JENNINGS LANE, BOLONG

Member for Kiama Gareth Ward is today reminding motorists that the speed limit has changed on Jennings Lane at Bolong.

"A speed zone review was carried out after community requests," Mr Ward said.

"The review was carried out using NSW speed zoning guidelines and assessed a number of factors including the function of the road, roadside development, hazards, access locations and traffic patterns.

"As a result of the review the 100km/h speed limit has been reduced to 60km/h to the sealed section of Jennings Lane, west of Bolong Road.

"The changes will provide a safer speed along Jennings Lane and better reflect the road conditions.

"Motorists are reminded to adjust their speed accordingly," Mr Ward said.

Members of the community can sign up at the Safer Roads NSW website to receive updates about changes to permanent speed limits in their nominated area.
