ANOTHER UPGRADE FOR ROAD TO CLARENCE TOWN

Work has started south of Seaham on the next upgrade of the Raymond Terrace to Clarence Town Road.

Member for Maitland Robyn Parker said the $800,000 project was part of the NSW Government’s $20 million commitment to upgrade Clarence Town Road from Raymond Terrace to Dungog.

“The work is being carried out by Port Stephens Council and involves upgrading about 1.1 kilometres of Seaham Road between Sophia Jane Drive and Noongah Road, near Brandy Hill,” Ms Parker said.

“Work will generally be carried out weekdays from 6am to 4pm, weather permitting. One lane will be closed during these times and traffic control will be in place.

“This project will improve road safety and provide a smoother road surface for all motorists, resulting in reduced ongoing maintenance costs.

“Work is expected to be completed next month, weather permitting.

“This is the second of a number of projects to be carried out on the road to Clarence Town, fulfilling the NSW Government’s election promise,” Ms Parker said.

A 40km/h roadwork speed limit will be enforced and motorists can expect delays.

Be roadwork aware, slow down and take care – roadwork speed limits are enforceable.
