$1 MILLION UPGRADE FOR GEORGE BOOTH DRIVE

The Nationals Duty MLC for Cessnock Trevor Khan today announced work has started to resurface George Booth Drive at West Wallsend.

“Roads and Maritime Services (RMS) has provided more than $1 million for maintenance to the eastbound lanes,” Trevor Khan said.

“The work is being carried out by Lake Macquarie City Council and involves resurfacing about 1.1 kilometres of the road between the Cameron Park roundabout and Withers Street roundabout.

“Work will also be carried out on Saturday and Sunday between 6am and 6pm, weather permitting.

“This project will improve road safety and provide a smoother road surface for all motorists, resulting in reduced ongoing maintenance costs.

“Traffic control will be in place, a 40km/h roadwork speed limit will be enforced and motorists can expect minor delays,” Trevor Khan said.

Be roadwork aware, slow down and take care – roadwork speed limits are enforceable.
