PEDESTRIAN IMPROVEMENTS FOR NEW ENGLAND HIGHWAY
AT MUSWELLBROOK

George Souris Member for Upper Hunter said that work will start this week to install pedestrian fencing on the New England Highway at Muswellbrook.

The Roads and Maritime Services (RMS) provided $80,000 to Muswellbrook Shire Council under the Road Toll Response Package to help fund the improvements.

"About 60 metres of pedestrian fencing will be installed kerbside on the western side of the New England Highway from south of William Street to the rail overpass" Mr. Souris said

"Work will be carried out from Sunday to Thursday between the hours of 7.00 pm and 3.00 am, weather permitting and is expected to be completed in June" Mr. Souris commented.

"A 40km/hr speed limit will be enforced and motorists may experience minor delays during the work. These speed restrictions are enforceable" Mr. Souris said.
