MEDIA RELEASE
7 September 2012

CHANGE OF SPEED LIMIT ON BOLONG ROAD AT BOLONG

A speed limit change will be implemented on Bolong Road at Bolong in the next fortnight, weather permitting.

Mr Ward said Roads and Maritime Services (RMS) has carried out a review as part of the NSW audit of speed zones.

“The review assessed a number of factors including road environment, traffic characteristics and crash data,” he said.

“The existing 60km/h speed limit will be extended to about 140 metres west of Hannigans Lane in Bolong.

“The speed zone change also compliments recently completed safety improvements.

“The change will provide a more consistent approach to speed limits along the road and better reflect the road conditions,” Mr Ward said.

Warning signs will be in place to advise motorists of the change and will remain for at least a week after the new speed limit signs have been installed.

Mr Ward said that members of the community can sign up at the Safer Roads NSW website to receive updates about changes to permanent speed limits in their nominated area and have their say on speed limits.

For more information please visit the RMS website at: www.rms.nsw.gov.au.
