NEWELL HIGHWAY AND DAVIES LANE INTERSECTION IMPROVEMENTS

Member for Murrumbidgee Adrian Piccoli has announced that work is being carried out to improve safety at the intersection of the Newell Highway and Davies Lane about 15 kilometres south of Narrandera.

“This $250,000 state-funded project is part of a program of safety improvements to minor intersections along the Newell Highway,” Mr Piccoli said.

Work involves widening the road and shoulder and improving the road surface.

“The project aims to improve traffic flow and safety for all motorists travelling on this road,” Mr Piccoli said.

Work will be carried out weekdays between 7.00am and 6.00pm and from 8.00am to 1.00pm, Saturdays.

Work is expected to take four weeks to complete, weather permitting.

Traffic control will be in place during work and motorists can expect minor delays.

“Motorists are advised to plan their journey, drive with caution and obey all signs,” Mr Piccoli said.
