

# Easter 2021 Long Weekend Travel Requirements

## Load carrying vehicles

Travel restrictions apply for oversize load carrying vehicles, such as low loaders transporting oversize equipment, during the Easter long weekends. These requirements are outlined in [NSW Class 1 Load Carrying Vehicle Operator's Guide](#), the [NSW Schedule of the Multi-State Class 1 Dimension Exemption Notice 2020](#) and additional requirements for vehicles operating under an access permit in the [Additional Access Conditions for oversize and overmass heavy vehicles and loads](#). This document provides an overview of the Easter long weekend travel requirements.

### Night time requirements

There is no change to night travel requirements for oversize load carrying vehicles during the Easter long weekend.

Load carrying vehicles up to 2.5m wide and 22m long are permitted to travel between sunset and sunrise.

Load carrying vehicles exceeding 2.5m wide and/or 22m long are permitted to travel when accompanied by at least one pilot vehicle in the:

- NSW Urban Zone – between 9.30pm and 5.30am on all approved roads

- NSW Regional Zone – on selected roads at times specified for each road. These can be viewed in [NSW Class 1 Load Carrying Vehicle Operator's Guide](#).

### Day time requirements

Oversize load carrying vehicles can travel in the day time during the Easter long weekend, subject to additional travel restrictions on specified roads in the NSW Urban and Regional Zones between sunrise on Friday 2 April 2021 and sunset on Monday 5 April 2021.
