HUNTER EXPRESSWAY ALLIANCE

THIS AGREEMENT is made on 22/12/2009

PARTIES

Roads and Traffic Authority of New South Wales ABN 64 480 155 255 of 101 Miller Street, North Sydney (RTA)

The other parties to this Agreement set out in Part B of Schedule 1 (each a Non Owner Participant (NOP) and collectively the NOPs)

The Participants will generally be referred to as "We", "we", "our" or "us" in this Agreement, unless the context requires otherwise.

RECITALS

A. RTA is proposing to construct the Hunter Expressway from the Newcastle interchange on the F3 Freeway to the New England Highway at Branxton. The Project involves 40 kilometres of high standard four lane dual carriageway with a posted speed limit of 110 kilometres per hour. The Project will be delivered under two separate packages of works, the first being the 13 kilometre section between the F3 Freeway and chainage 12900 as shown on the RTA’s concept design plans, and the second being the 27 kilometre section from chainage 12900 to Branxton. For the purpose of this Agreement, the package of works for the 13 kilometre section between the F3 Freeway and chainage 12900 will be known as the Alliance Works.

B. Opening of the Alliance Works is scheduled for 20 September 2013 and completion of the Alliance Works is scheduled for 6 December 2013.

C. We have agreed to form an Alliance for the purpose of carrying out the Alliance Works and to develop innovative solutions which aim to achieve outstanding outcomes and result in a win-win position for all of the Participants in performing the Alliance Works.

D. We will use our best endeavours to ensure that the Alliance Works are carried out in a co-operative, co-ordinated and efficient manner so as to achieve the Alliance Objectives in compliance with the Alliance Principles.

E. This Agreement sets out the Alliance Principles by which we are to carry out the Alliance Works so as to achieve the Alliance Objectives and the manner in which we will be reimbursed for that participation in the Alliance.

We are committed to:

(a) adopting all reasonable measures to ensure that the Alliance Objectives are achieved;

(b) conducting our activities under this Agreement in a way which is consistent with the Alliance Principles;
(c) acting in an innovative way for the purpose of:

(i) meeting or exceeding the Alliance Objectives and fully complying with the Alliance Principles;

(ii) producing outstanding results for the Project;

(iii) ensuring that the Alliance Works are carried out in a co-operative, co-ordinated and efficient manner;

(iv) creating a win-win position for each of the Participants;

(v) ensuring the successful completion of the Alliance Works in accordance with this Agreement;

(d) promoting the interests of the Project where possible;

(e) encouraging and maintaining honest, open and timely sharing of information; and

1.2 Commitment to act in good faith

We will, at all times, act in good faith and with trust and mutual respect in relation to the rights of the other Participants under this Agreement as well as our obligations to the other Participants, and this commitment includes, but is not limited to:

(a) being fair, reasonable and honest;

(b) doing all things reasonably expected of each other by the others to give effect to the spirit and intent of this Agreement;

(c) not impeding or restricting the performance of any other Participant’s responsibilities under this Agreement; and

(d) if a Participant believes this Agreement is operating unfairly or unreasonably with respect to any other Participant, using best endeavours to achieve an agreement amongst all Participants on such action as may be necessary to remove the cause or causes of such unfairness or unreasonableness.

2. ALLIANCE LEadership TEAM

2.1 Creation of the ALT

The ALT is established on the date of this Agreement in accordance with this clause 2 and comprises the Representatives.

(d) We may, with prior written nomination to each other, be represented by an alternate person to act in place of our Representative during absences caused by normal planned leave and emergencies.

(e) We may replace our Representatives at any time, or nominate a substitute Representative by giving notice in writing to each other at least 10 Business Days before the change in representation takes place.

(f) If there is a new Participant that becomes a party to this Agreement, that Participant must nominate no more than two Representatives in writing for acceptance by the ALT.

(g) Membership of the ALT by a Representative will lapse immediately upon the Participant ceasing to be a party to this Agreement.

(h) From time to time and as required, the ALT will update the details in Schedule 6 (Alliance Leadership Team) to reflect the new members of the ALT.

Provided that the Representative has made such a full disclosure and complies with clause 1.1(d), the Representative will be entitled to fully participate in any such discussion or determination if a majority of the other Representatives (without the presence of that Representative) agrees that the Representative can fully participate, even though that Representative has, or may have, a conflicting interest or duty.
(c) Unless a Representative:

the Representative is not entitled to participate in any discussion of the ALT.

(d) Each Representative will have equal rights at meetings of the ALT.

(g) The RTA Interface Manager may attend meetings of the ALT as an observer.

2.6 Decisions of the ALT

(a) To be effective, a decision of the ALT must be an unanimous decision of all Representatives entitled to participate in that decision. No decision will be deemed to have been made by the ALT unless it is unanimous.

(b) We will comply with all effective decisions of the ALT made in accordance with this Agreement.

A Representative who fails to notify the secretary of acceptance or non-acceptance of the minutes within 7 Business Days of issue of the minutes will be deemed to have accepted the minutes. The procedures set out in this clause 2.7 will apply to the amended minutes.

(d) Following acceptance of the minutes by each of the Representatives, the minutes will be deemed to be the official record of the relevant meeting.

those personnel are no longer required.

5. INVESTIGATION AND PROJECT PROPOSAL

5.1 Development and approval of scope of work

(a) We will carry out investigations to enable us to recommend to RTA a scope of
work for the Alliance Works as contemplated under clause 5.1(b).

(b) The scope of work referred to in clause 5.1(a) must:

(i) be delivered by us to RTA within 60 Business Days after the date of this

(c) The scope of work referred to in clause 5.1(a) will be developed from and be
    consistent with the Alliance Brief attached as Schedule 9.

(d) Following receipt by RTA of the scope of work referred to in clauses 5.1(a) and (b),
    RTA may, in its discretion, elect to:

    (i) approve the scope of work by notice in writing to the NOPs, in which case,
        clause 5.2 will apply on and from the date of that notice;

    (ii) request the Participants to:

        (A) carry out further investigations in relation to the proposed scope of
            work;

        (B) amend the proposed scope of work to take into consideration the
            findings derived from the further investigations carried out by the
            Participants or any other amendments as otherwise required by
            RTA; and

        (C) re-submit the amended scope of work to RTA for approval in
            accordance with this clause 5.1(d); or

date of that notice.

5.2 Development and approval of Project Proposal

(a) If RTA approves the scope of work under clause 5.1(d)(i), we will prepare and

6. ALLIANCE WORKS

6.1 Commencement and duration of Alliance Works

(a) We will not commence the Alliance Works unless and until RTA provides its approval in writing to the Project Proposal pursuant to clause 5.2(b)(i) or as otherwise agreed by RTA in writing.

(b) We will carry out the Alliance Works in accordance with the construction program that forms part of the Project Proposal approved under clause 5.2(b)(i).

6.2 Compensation for Alliance Works

(c) Despite any other provision of this Agreement, RTA will be under no obligation to pay a NOP unless the NOP is in compliance with clauses 8.2 and 8.3 (inclusive).

(d) The terms of compensation under the Commercial Framework may be modified as determined by the ALT, but only where there is a Scope Change.

6.3 Set-off

(a) Without prejudice to any other rights, RTA may deduct from any monies which may be, or become, payable to a NOP any money due from that NOP to RTA.

6.4 Date for Opening Completion

We agree that the Alliance Works must be executed to achieve Opening Completion by the Date for Opening Completion.

6.5 Certificate of Opening Completion

(a) If the Alliance Manager considers that we have not achieved Opening Completion by the Date for Opening Completion, the Alliance Manager may issue a list of Defects which the Alliance Manager determines must be rectified by us prior to the issue of the Certificate of Opening Completion.
(b) When the Alliance Manager considers that we have achieved Opening Completion, the Alliance Manager will submit a draft Certificate of Opening Completion to the ALT for its approval. The draft Certificate of Opening Completion must include a statement by the Alliance Manager to the effect that:

(i) the Alliance Manager is not aware of any Defects which need to be rectified in order to achieve Opening Completion; and

(ii) to the best knowledge of the Alliance Manager, having made reasonable enquiry, the Alliance Works have reached Opening Completion.

(c) If the ALT approves the draft Certificate of Opening Completion, the Alliance Manager will sign and date the certificate and issue it to the Participants.

(d) If the ALT does not consider the Alliance Works to have reached Opening Completion:

(i) the ALT will provide details to the Alliance Manager of work the ALT considers to be outstanding to achieve Opening Completion; and

(ii) the Alliance Manager will promptly inform the Participants that Opening Completion has not been achieved and the details of the outstanding work required to achieve Opening Completion.

(e) Once the Alliance Manager is satisfied that the outstanding work has been completed in accordance with this Agreement, the Alliance Manager will again initiate the approval process under this clause 6.5.

(f) The Certificate of Opening Completion must also refer to the date which the ALT determines is the Date of Opening Completion.

6.6 Date for Completion

We agree that the Alliance Works must be executed to achieve Completion by the Date for Completion.

6.7 Certificate of Completion

(a) If the Alliance Manager considers that we have not achieved Completion by the Date for Completion, the Alliance Manager may issue a list of Defects which the Alliance Manager determines must be rectified by us prior to the issue of the Certificate of Completion.

(b) When the Alliance Manager considers that we have achieved Completion, the Alliance Manager will submit a draft Certificate of Completion to the ALT for its approval. The draft Certificate of Completion must include a statement by the Alliance Manager to the effect that:

(i) the Alliance Manager is not aware of any Defects; and

(ii) to the best knowledge of the Alliance Manager, having made reasonable enquiry, the Alliance Works have reached Completion.

(c) If the ALT approves the draft Certificate of Completion, the Alliance Manager will sign and date the certificate and issue it to the Participants.

(d) If the ALT does not consider the Alliance Works to have reached Completion:

(i) the ALT will provide details to the Alliance Manager of work the ALT considers to be outstanding to achieve Completion; and
(ii) the Alliance Manager will promptly inform the Participants that Completion has not been achieved and the details of the outstanding work required to achieve Completion.

(e) Once the Alliance Manager is satisfied that the outstanding work has been completed in accordance with this Agreement, the Alliance Manager will again initiate the approval process under this clause 6.7.

(f) The Certificate of Completion must also refer to the date which the ALT determines is the Date of Completion.

6.8 Certificate of Final Completion

(a) After expiry of the Defects Correction Period, and provided the Alliance Manager is not aware of any outstanding Defects, the Alliance Manager will submit a draft Certificate of Final Completion to the ALT for its approval.

(b) If the ALT approves the draft Certificate of Final Completion, the Alliance Manager will sign and date the certificate and issue it to the Participants.

(c) If the ALT does not consider the Alliance Works to have reached Final Completion or considers that there is some other obligation under this Agreement which has not been performed or observed:

(i) the ALT will inform the Alliance Manager as to what the ALT considers to be outstanding to achieve Final Completion or to perform or observe the relevant obligation under this Agreement; and

(ii) the Alliance Manager will promptly inform the Participants that Completion has not been achieved and any details of the outstanding work or the failure to perform or observe some other obligation under this Agreement.

(d) Once the Alliance Manager is satisfied that the outstanding work or obligation has been completed, performed or observed in accordance with this Agreement, the Alliance Manager will again initiate the approval process under this clause 6.8.

(e) The Certificate of Final Completion must also refer to the date which the ALT determines is the Date of Final Completion.

6.9 Separable Portions

The ALT may determine that any part of the Alliance Works will be a Separable Portion and the interpretations of:

(a) Certificate of Opening Completion;

(b) Opening Completion;

(c) Date for Opening Completion;

(d) Date of Opening Completion

(e) Certificate of Completion;

(f) Completion;

(g) Date for Completion;

(h) Date of Completion; and
(i) Alliance Works,

will apply separately to each Separable Portion.

6.10 Supply of Design and other documents by RTA

(a) RTA may provide the NOPs with Design and other documentation from time to time.

(b) The NOPs will not use, copy or reproduce the Design or other documentation provided by RTA for any purpose other than for the Alliance Works.

(c) The Design and other documentation provided by RTA will remain the property of RTA and will be returned by the NOPs to RTA if requested in writing by RTA.

6.11 Supply of Design and other documents by NOPs

We will:

(a) prepare Design and other documentation referred to in this clause 6.11 as is necessary to enable us to construct the Alliance Works;

(b) ensure that RTA is provided with copies of all such Design and other documentation as RTA may require from time to time; and

(c) ensure that RTA is provided with a complete set of "as-built" drawings and, where appropriate, maintenance manuals, in relation to the completed Alliance Works.

6.12 Site access

We recognise the importance of the efficient and effective use of the Site, and to that end:

(a) RTA will give the NOPs such access to and use and control of the Site or any part of the Site, as is appropriate, to enable the Alliance to execute the Alliance Works to achieve Completion. Any delay by RTA in giving the Alliance access to and use and control of the Site will not be a breach of this Agreement, but may be an Excusable Delay and, consequently, may be grounds for a Scope Change;

(b) Subject to any access protocols determined by the ALT, RTA, its officers, employees and agents and any other person (for example, a contractor carrying out work or services for RTA) nominated by RTA may at any reasonable time (and, where appropriate, with reasonable notice) have access to any part of the Site, the Alliance Works or at any other place where the work under this Agreement is being carried out or materials are being prepared or stored for the purpose of performing the work under this Agreement;

(c) the NOPs will comply with all reasonable directions of RTA in relation to access to and use and control of the Site or any part of the Site by any of the NOPs, Subcontractors and other persons;

(d) we will maintain the Site and any other lands and places required to complete the Alliance Works in a safe, clean and tidy condition and regularly remove surplus materials and rubbish from the Site;

(e) on completing work at the Site and as a condition precedent to Completion, we will:

(i) remove all Construction Plant, Temporary Works and all surplus materials and rubbish from the Site; and

(ii) leave the whole of the Site in a safe, clean and tidy condition; and
(f) a NOP may inform RTA and the Alliance Manager if the NOP is of the reasonable opinion that compliance with a direction given by RTA under clause 6.12(c) would place the NOP in breach of its obligations:

(i) under the *Occupational Health and Safety Act 2000* (NSW) and the *Occupational Health and Safety Regulation 2001* (NSW); and/or

(ii) as the principal contractor pursuant to clause 7.7(c)(ii),

and the ALT will then determine a suitable resolution of the occupational health and safety issue which avoids or remedies such breach.

6.13 Rectification of defective work

(a) RTA may, at any time prior to the expiration of the Defects Correction Period, issue a Rectification Notice directing the Alliance to carry out Rectification Work in relation to a Defect.

(b) On receipt of a Rectification Notice, the Alliance will carry out the Rectification Work within the period stated in the Rectification Notice and in accordance with any other requirement stated in the Rectification Notice.

(c) RTA will be entitled to rectify a Defect itself or engage others to do the Rectification Work if RTA considers that:

(i) the Rectification Work must be carried out urgently for safety reasons or other reasons of urgency; or

(ii) the Alliance will not be able to undertake or has not undertaken the Rectification Work in the time and/or manner specified in a Rectification Notice.

(d) The ALT must, within a reasonable time after Completion, determine any amount which should be either:

(i) withheld until the Date of Final Completion from a Participant's payment of the Fee and/or initial distribution of Gainshare determined in accordance with the Commercial Framework; or

(ii) deducted from any final payment of the Fee or Gainshare payable to that Participant in accordance with the Commercial Framework,

in order to ensure that the obligations of the NOPs in relation to Rectification Work are completed or that RTA is compensated in accordance with the Commercial Framework.

6.14 Landscape Maintenance

During the Landscape Maintenance Period, we will maintain the Landscape Works delivered as part of the Alliance Works to the standard set out in this Agreement.
7. PERFORMANCE OF ALLIANCE WORKS

7.1 Primary performance obligation

Subject to this Agreement, we will collectively undertake and complete the Alliance Works (to permit them to be certified under clauses 6.7 and 6.8):

(a) in a careful, diligent, skilful and workmanlike manner so that the Alliance Works are of the required quality and fit for intended purposes stated in this Agreement;

(b) with the equal aim, at all times, of minimising cost expenditure and satisfying all non-cost objectives of this Agreement; and

(c) with the skill, experience, capacity and resources necessary to perform the work under this Agreement.

7.2 Primary performance obligations of RTA

RTA will pay each NOP and grant access to the Site in accordance with the terms of this Agreement.

7.3 Subcontracts

(a) We will ensure that:

(i) all Subcontracts are entered into in accordance with the authorisation protocols set by the ALT from time to time;

(ii) a NOP enters into a Subcontract in its own right and not as our agent or as an agent of RTA; and

(iii) where possible, all Subcontractors are pre-qualified by RTA pursuant to RTA’s usual qualification procedures for contractors from time to time.

(b) The terms of any Subcontract must:

(i) be approved by the Alliance Manager;

(ii) contain an assignment of Intellectual Property Rights by the Subcontractor to the NOP on terms identical to clause 16.1(a) (except for substituting the relevant Subcontractor for the NOP); and

(iii) contain confidentiality obligations substantially the same as those in clause 16.5.

(c) If any of us engage a Subcontractor we must, where required in writing by either the ALT or RTA, enforce or defend the relevant Subcontract for the benefit of the Alliance and any:

(i) such enforcement or defence actions, settlement or proceedings must be conducted under the written direction of either the ALT or RTA; and

(ii) costs of such enforcement or defence actions, settlement or proceedings will be dealt with in accordance with the Commercial Framework.

7.4 Compliance with Statutory Requirements

We will satisfy and comply with the requirements of all Statutory Requirements in relation to the Alliance, the Alliance Works and this Agreement.
7.5 **Subcontractor warranties**

We will obtain written warranties in favour of RTA from Subcontractors, to the extent such warranties are relevant, that any:

(a) materials incorporated into the Alliance Works are correctly designed, fabricated and installed to the standards set out in this Agreement or, if not set out, then to good industry standards and codes of practice; and

(b) design and any materials incorporated into the Alliance Works are of the required quality and fit for the intended uses stated in this Agreement.

7.6 **Quality assurance**

We are committed to ensuring that the Alliance Works are consistent with a "best for project" approach. For the achievement of this objective, we will establish, implement and maintain a quality assurance system to a standard equivalent to or better than RTA's QA Specification DCM Q6.

7.7 **Health and safety**

(a) We are committed to achieving outstanding performance in relation to health and safety and making every effort to maintain a workplace free of accidents and injuries.

(b) In this clause 7.7, the terms "principal contractor" and "place of work" have the same meanings assigned to those terms under the *Occupational Health and Safety Act 2000* (NSW) (in this clause, the *Act*) and the *Occupational Health and Safety Regulation 2001* (NSW) (in this clause, the *Regulation*).

(c) Without limiting our obligations under any other provision of this Agreement, we agree as follows:

(i) to the extent that RTA is able to validly appoint Thiess as the principal contractor under clause 210 of the Regulation then, from the date on which RTA notifies Thiess:

   (A) Thiess is appointed as principal contractor under clause 210 of the Regulation; and

   (B) RTA and the NOPs give all necessary authority to Thiess to allow it to fulfil and exercise the obligations and functions of the principal contractor under the Regulation;

(ii) Thiess must, from the date on which RTA notifies Thiess:

   (A) where clause 7.7(c)(i) applies, exercise and fulfil the functions and obligations of the principal contractor under the Regulation;

   (B) where clause 7.7(c)(i) does not apply, exercise and fulfil the functions and obligations of the principal contractor under the Regulation as if Thiess had been validly appointed as the principal contractor under clause 210 of the Regulation;

   (C) ensure that all Subcontractors comply with their respective obligations under the Act and the Regulation;

   (D) at all reasonable times provide the other Participants with access to such records as may be necessary to enable Thiess compliance with its obligations under this clause;
(E) ensure that the Participants execute the Alliance Works in a manner which ensures that the Participants satisfy their obligations under the Act and the Regulations; and

(F) immediately inform the other Participants in writing of all incidents involving injury to any person arising during the execution of the Alliance Works; and

(iii) in carrying out the Alliance Works or in exercising our rights under this Agreement we will ensure that we (and our respective officers, employees, Subcontractors and agents) comply with:

(A) the latest OH&S Plan;

(B) all applicable Statutory Requirements; and

(C) all reasonable safety directives, procedures and work instructions issued by the Alliance Manager or personnel authorised by the ALT to issue such directives, procedures and instructions.

7.8 Occupational health and safety management plan

The ALT will ensure that the Alliance Manager:

(a) after this Agreement is executed and prior to accessing any part of the Site, promptly:

(i) develops an occupational health and safety management plan (OH&S Plan) in accordance with the New South Wales OHS&R Management Systems Guidelines dated November 1998 and which is equivalent to or better than the standards set out in RTA’s DCM G22 Specification for Occupational Health and Safety (Major Works); and

(ii) submits the OH&S Plan to the ALT and obtains the ALT’s approval to the OH&S Plan; and

(b) oversees strict compliance with the requirements of the OH&S Plan.

7.9 Protection of people, the environment and property

(a) We are dedicated to protecting both people, the environment and property in executing the Alliance Works and we will:

(i) provide all things and take all measures necessary to protect people, the environment and property;

(ii) avoid unnecessary interference with the passage of people and vehicles;

(iii) prevent damage, obstruction or other interference with services;

(iv) prevent nuisance and unnecessary noise and disturbance;

(v) prevent environmental damage or pollution; and

(vi) ensure that the Alliance Works do not have any adverse impact on RTA infrastructure and operations to a greater extent than is inherently necessary for the performance of the work under this Agreement, provided that this clause will not be taken to mean that RTA authorises any action constituting a breach of any Statutory Requirements.
(b) Our obligations include the provision of barricades, guards, fencing, temporary roads, footpaths, warning signs, lighting, watching, traffic flagging, safety helmets and clothing, removal of obstructions and protection of services.

7.10 Care of the Alliance Works

(a) From the date of commencement of the Alliance Works until the Date of Completion, we will be responsible for the care of the Alliance Works.

(b) After the Date of Completion, we will remain responsible for the care of such parts of the Alliance Works as are necessary to carry out our obligations under clause 6.13 until the date on which the Certificate of Final Completion is issued by the Alliance Manager under clause 6.8.

7.11 Reinstatement

We will promptly make good any loss or damage to the Alliance Works that occurs during any period in which we are responsible for the care of the Alliance Works under clause 7.10.

7.12 Industrial relations

(a) To the extent that it is not inconsistent with the code referred to in clause 7.13, we must comply with the *NSW Government Industrial Relations Management Guidelines* and acknowledge that the Project constitutes a Category 1 Project as defined in those guidelines.

(b) Before starting the Alliance Works, the ALT must ensure that the Alliance Manager prepares and submits to the ALT:

(i) evidence of compliance by each of the NOPs with all employment and legal obligations in the preceding twelve months (and the NOPs must provide this evidence when requested by the Alliance Manager);

(ii) the location of time and wage records and other documents that are required to be kept to verify ongoing compliance with all employment and legal obligations;

(iii) the names of Federal or New South Wales awards that are likely to cover Subcontractors and other contractors on the Project;

(iv) the names of those responsible for co-ordinating industrial relations in relation to any part of the Project;

(v) an outline of:

(A) consultation and communications mechanisms;

(B) measures to coordinate the interface with Subcontractors, other contractors and unions;

(C) measures for assessing Subcontractors; and

(D) measures to monitor and verify ongoing compliance; and

(vi) a project industrial relations plan.
7.13 National Code of Practice

The National Code of Practice for the Construction Industry (the **code**) is applicable to the Temporary Works, Construction Plant and Alliance Works:

(a) we must comply, in the performance of this Agreement, with the requirements of the National Code of Practice for the Construction Industry and the Industry Guidelines for the Workplace Relations and Occupational Health and Safety Components of the Code (the **industry guidelines**). Copies of the code and the Australian Government Implementation Guidelines for the code and the industry guidelines are available at [http://www.workplace.gov.au](http://www.workplace.gov.au);

(b) compliance with the code or the industry guidelines will not relieve us from responsibility to perform this Agreement, or from liability for any Defect in the Temporary Works and Alliance Works arising from compliance with the code or the industry guidelines;

(c) where a change in this Agreement is proposed and that change would affect compliance with the code or the industry guidelines, we must submit a report to the Commonwealth specifying the extent to which our compliance with the code or the industry guidelines will be affected;

(d) we must maintain adequate records of the compliance with the code and industry guidelines by us and our Subcontractors. We must permit the Commonwealth or any person authorised by the Commonwealth, including the Interim Building Industry Taskforce or any successor of it, to have access to our records and to our premises (to inspect and copy records), as is necessary to allow validation of our progress in complying with the code and industry guidelines. We, in all our Subcontracts, must require Subcontractors to maintain and provide access for the Commonwealth or any person authorised by the Commonwealth to the Subcontractor's records and premises to the same extent as required from us by this clause;

(e) if we do not comply with the requirements of the code or the industry guidelines in the performance of this Agreement such that a sanction is applied by the Code Monitoring Group, the Commonwealth, without prejudice to any rights that would otherwise accrue, will be entitled to record that non-compliance and take it into account in the evaluation of any future tenders that may be lodged by us or a related corporation in respect of work for any part of the Commonwealth or its agencies;

(f) we must not appoint a Subcontractor, consultant or supplier in relation to the Alliance Works where the appointment would breach a sanction imposed by the Code Monitoring Group; and

(g) we must ensure that all Subcontracts contain requirements functionally equivalent to the requirements of this clause.

7.14 Environment

We are committed to achieving the highest possible performance in all aspects of the Project in regard to environmental practices. For the achievement of this objective, we will establish, implement and maintain an environmental management system to a standard equivalent to or better than RTA's **Specification DCM G36**.

7.15 Community, social issues and media

(a) We are committed to practices and procedures which are rated as world class with genuine sensitivity and responsiveness being shown at all times to community
members and groups. RTA may direct the Alliance and the ALT in relation to any matters dealing with Stakeholders, and the Alliance and the ALT must comply with RTA's directions.

(b) No Participant may disclose any information concerning the Project for distribution through any communications media without RTA's prior written approval. The Participants must refer to RTA any enquiries from any media concerning the Project.

7.16 Regulatory approvals

(a) We appreciate that RTA may be subject to the Works Approvals and those Works Approvals may create various rights, obligations and requirements in connection with the Alliance Works.

(b) We, in executing the Alliance Works, will observe the requirements of the Works Approvals as if we were RTA, and will not, and will ensure that our employees, Subcontractors and agents do not, proceed with any course of action during the execution of the Alliance Works which may prejudice or in any way affect any of RTA's rights or obligations under the Works Approvals.

(c) Nothing in this Agreement will operate to fetter the statutory functions of RTA.

7.17 RTA Statement of Business Ethics

7.18 Protection of Aboriginal heritage and Aboriginal rights

We are committed to the protection of Aboriginal heritage and Aboriginal rights and, without limitation, we will ensure that Subcontractors and other contractors and their employees and agents similarly:

(a) do not enter Aboriginal sites or disturb, interfere with or remove anything from such Aboriginal sites or their vicinity, except with the prior written approval of RTA;

(b) should any Aboriginal sites be identified in or in the vicinity of the Site, immediately cease all activities which could impact on such Aboriginal sites; and

(c) comply with RTA's instructions reasonably required to enable RTA to comply with any obligations arising as a result of the operation of Statutory Requirements in relation to native title.

7.19 Aboriginal participation in construction

We must ensure that the Alliance Manager prepares a Project Aboriginal Participation Plan as defined in, and in accordance with, the NSW Government Aboriginal Participation in Construction Implementation Guidelines, as soon as practicable after the commencement of the Alliance Works, and obtains the approval of that plan by the ALT.

7.20 Training management

As soon as practicable after the commencement of the Alliance Works, we must ensure that the Alliance Manager:

(a) prepare a Project Training Management Plan based on the project training management targets for Civil Construction Projects in accordance with the NSW
Government Training Management Guidelines, and obtains the approval of that plan by the ALT;

(b) makes available on request, all relevant training management records, including those relating to Subcontractors, for the purpose of reviews; and

(c) provides all reasonable assistance to the reviewer during the review process, including attending the review and promptly implementing any corrective action required by the ALT.

7.21 Suspension of Alliance Works

(a) Except to the extent necessary to avoid an event having an adverse, or being likely to have an adverse, impact on the environment, public health or safety or to avoid a breach of a Statutory Requirement, we will not suspend the whole or any part of the work under this Agreement without a written direction from RTA.

(b) If RTA considers that suspension of the whole or part of the work under this Agreement is necessary or appropriate for any reason, RTA may direct that we suspend the progress of the whole or part of the work under this Agreement for such time as RTA decides and we will promptly suspend that part of the work under this Agreement.

(c) RTA may direct that we are to recommence the whole or the relevant part of the work under this Agreement at any time.

(d) If RTA requires a suspension under this clause 7.21, the ALT must determine whether the compensation set out in the Commercial Framework payable to the NOPs should be amended to take into account the effect of the suspension.

(e) We must use all reasonable endeavours to mitigate costs during the period of any suspension.

7.22 RTA may direct changes to the Alliance Works

(a) RTA may direct us (Direction), through its authorised representative appointed under clause 7.22(g) to:

(i) change the design or specification of the whole or any part of the Alliance Works;

(ii) change the Alliance Works or any part of the Alliance Works;

(iii) change the conduct, order or program of the Alliance Works;

(iv) increase, decrease or omit any part of the Alliance Works;

(v) change the character or quality of any part of the Alliance Works;

(vi) change the levels, lines, positions or dimensions of all or any part of the Alliance Works;

(vii) change the means, methods or techniques in relation to the performance of all or any part of the work under this Agreement;

(viii) execute additional work or perform additional services under this Agreement; or

(ix) demolish or remove material or infrastructure no longer required by RTA,
and we must promptly comply with that Direction.

(b) No Direction will invalidate this Agreement.

(c) RTA may, in respect of a Direction or proposed Direction, issue to the ALT an Estimation Request.

(d) If RTA issues an Estimation Request or if the ALT determines that RTA has issued a Direction that may give rise to a Scope Change, but has not issued an Estimation Request, the ALT must promptly determine:

(i) whether the matters contained in the Estimation Request or the subject of the Direction would constitute a Scope Change; and

(ii) if the matters contained in the Estimation Request or the subject of the Direction would constitute a Scope Change, the change in the terms of compensation set out in the Commercial Framework to the NOPs which will result from the conduct of those matters,

and provide written notice as to its determination to RTA and the relevant NOPs.

(e) Following RTA's receipt of a notice under clause 7.22(d) or upon the ALT determining that, unless a Direction referred to in clause 7.22(a) is withdrawn a Scope Change will arise, RTA must notify the ALT in writing whether it wishes to:

(i) not proceed with the Direction;

(ii) revise the Estimation Request, in which case the provisions of this clause 7.22 will apply to the revised Estimation Request; or

(iii) confirm the Direction or issue a Direction for the matters contained in the Estimation Request, in which case the compensation payable to the NOPs under this Agreement will be altered in the manner set out in the ALT's notice under clause 7.22(d).

(f) No Direction will result in a change in the compensation payable pursuant to this Agreement unless the Direction is determined by the ALT to give rise to a Scope Change, the ALT has issued a notice under clause 7.22(d) and provided that all other requirements concerning compensation under this Agreement are satisfied.

(g) The person authorised at the date of this Agreement by RTA under this clause 7.22 is the person from time to time occupying the position of "Director, Major Infrastructure". RTA will give written notice to the NOPs of any change in the person appointed by it as its authorised representative for the purpose of this clause 7.22.

(h) RTA and the ALT must use their reasonable endeavours to minimise any delays in the Alliance Works arising from the processes contemplated in this clause 7.22.

(i) A NOP may inform RTA, the ALT and the Alliance Manager if the NOP is of the reasonable opinion that compliance with a Direction given by the RTA under this clause 7.22 would place the NOP in breach of its obligations:

(i) under the Occupational Health and Safety Act 2000 (NSW) and the Occupational Health and Safety Regulation 2001 (NSW); and/or

(ii) as the principal contractor pursuant to clause 7.7(c)(ii)

and the ALT will then determine a suitable resolution of the occupational health and safety issue which avoids or remedies such breach.
7.23 ALT may recommend changes to the Alliance Works

(a) The ALT may, at any time during the period of the Alliance Works, recommend to RTA through its authorised representative appointed under clause 7.22(g):

(i) a change to the design or specification of the whole or any part of the Alliance Works;

(ii) a change in the Alliance Works or any part of the Alliance Works;

(iii) a change in the conduct, rate of progress, order or program of the Alliance Works;

(ix) demolish or remove material or infrastructure no longer required by RTA.

(b) Any recommendation given under this clause 7.23 must:

(i) include details of the effect, if any, of the recommendation on the Commercial Framework;

(ii) confirm the fitness of the Alliance Works for the purpose of satisfying the performance requirements nominated by RTA; and

(iii) clearly state that it is a recommendation given by the ALT to RTA’s authorised representative under clause 7.23 of this Agreement.

(c) The NOPs acknowledge and accept that RTA’s authorised representative may consider the ALT’s recommendation in its discretion.

(d) If RTA’s authorised representative accepts the ALT’s recommendation, RTA’s authorised representative will issue a notice to proceed with the recommendation and the ALT will ensure that the notice is immediately complied with.

(e) The NOPs acknowledge and accept that RTA’s authorised representative may place conditions, in its discretion, on any acceptance of the ALT’s recommendation.

(f) If RTA does not accept the ALT’s recommendation, that recommendation must be withdrawn by the ALT and the Alliance shall continue to perform the work under this Agreement as if the recommendation had not been made by the ALT.

7.24 Benchmarking of Alliance performance

(a) The Participants agree that it is a fundamental obligation of the Alliance to demonstrate, ensure and deliver value for money to RTA.

(b) The NOPs will provide every opportunity to enable the ALT to effectively demonstrate that these value for money outcomes are and/or will be achieved and
have agreed to benchmark the performance of the Alliance against the performance of other alliance participants delivering other works or projects similar to the Alliance Works, or against the performance of similar projects.

(c) The NOPs agree that for the purposes of benchmarking the performance of the Participants they will, in a manner consistent with our Alliance Principles, fully, frankly and honestly disclose all information relating to the:

(i) actual outturn performance of all aspects of the Alliance;

(ii) Actual Outturn Cost; and

(iii) work under this Agreement or the Alliance Works other than that which the ALT determines is genuinely -commercial in confidence.

(d) Where the ALT determines that information is genuinely commercial in confidence, the ALT must determine an acceptable and appropriate manner to protect the confidential nature of the information but will share the information for the purposes of benchmarking the actual outturn performance of all aspects of the Alliance.

(e) For the purposes of this Agreement, the expression "commercial in confidence" will have the interpretation that the term has under the operation of the Freedom of Information Act 1989 (NSW).

7.25 Conference of Alliances

(a) The RTA's authorised representative may, at any time prior to Final Completion of the Alliance Works, direct the ALT to attend a conference which will also be attended by:

(i) the representatives of RTA's other alliances; and

(ii) nominated invitees of RTA's authorised representative (which may specifically include alliance leadership team representatives from alliances sponsored by parties other than RTA).

(b) RTA's expectation of this conference is to enable:

(i) alliance contracting best practice methodologies to be identified, shared and understood;

(ii) RTA to be satisfied that the behaviours, standards and governance of its alliances are equal to other alliances developed or being developed across Australasia; and

(iii) development of a benchmark for the performance of RTA's alliances against each other and/or against other alliances developed or being developed across Australasia to the extent that it is practicable to do so.

(c) The NOPs agree that they will attend the conference and participate in a manner consistent with our Alliance Principles so as to fully, frankly and honestly disclose all information or lessons learned relating to the Alliance, the work under this Agreement or the Alliance Works, other than that which the ALT determines is genuinely commercial in confidence.

7.26 Commonwealth OHS accreditation

(a) Subject to the exclusions specified in the Building and Construction Industry Improvement (Accreditation Scheme) Regulations 2005, Thiess must maintain
accreditation under the Australian Government Building and Construction OHS Accreditation Scheme (the Scheme) established by the Building and Construction Industry Improvement Act 2005 (BCII Act) while building work (as defined in section 5 of the BCII Act) is carried out under this Agreement.

(b) Thiess must comply with all conditions of Scheme accreditation.

8. **PAYMENTS**

8.1 **Invoices and payments**

(a) Payment claims may be submitted to RTA as follows:

(i) prior to the Date of Final Completion, the Alliance Manager may, with input from the NOPs, prepare and submit to RTA a single Payment Claim at the end of each calendar month in relation to the work done by the NOPs during the relevant period; and

(ii) after the Date of Final Completion, any NOP may submit a Payment Claim in relation to any payment of Direct Cost it becomes entitled to under the Commercial Framework in respect of legal and litigation expenses, including judgments and awards.

(b) The amounts to be included in a Payment Claim submitted under this Agreement will be calculated in accordance with the terms of compensation set out in the Commercial Framework.

(c) RTA must issue a Payment Schedule within 10 Business Days after receipt of a Payment Claim. The Payment Schedule must identify the Payment Claim to which it relates and must be based on the terms of compensation set out in the Commercial Framework. If the Payment Schedule shows an amount less than the claimed amount (excluding payments already made), the Payment Schedule must state why the amount is less and any reasons for withholding.

(d) Subject to clause 8.1(c), RTA may issue a Payment Schedule at any time even if the Alliance Manager has not lodged a Payment Claim.

(e) The following conditions must be satisfied before RTA is obliged to make any payment to the NOPs:

(i) if required under clause 9, a Payment Claim must be accompanied by a Tax Invoice from a relevant NOP;

(ii) all relevant sections of the Payment Claim must be properly completed;

(iii) a Payment Claim must be accompanied by a statement by the Alliance Manager that the amounts shown in the Payment Claim are in accordance with the terms of this Agreement and are in order for payment by RTA;

(iv) a Payment Claim must be accompanied by a statutory declaration from each of the relevant NOPs:

(A) in the form set out in Schedule 11 (Statutory Declaration);

(B) including the details required in Schedule 11 (Statutory Declaration);
(C) made by a person who is in a position to know the facts attested to; and

(D) be properly sworn or affirmed according to the *Oaths Act 1900* (NSW) or the equivalent legislation applicable in the place where the declaration is made; and

(v) the final Payment Claim must be accompanied by a statement by the Financial Auditor in a form approved by RTA confirming that the amounts shown in the Payment Claim are in accordance with the terms of this Agreement.

(f) Subject to the conditions contained in clause 8.1(e) being met, RTA will pay the NOPs (or the NOPs will pay RTA as the case may be) the amounts stated in a Payment Schedule in accordance with clause 8.1(g).

(g) RTA will pay each NOP under clause 8.1(f) no later than 10 Business Days after the Payment Schedule is issued or satisfaction of the conditions set out in clause 8.1(e) (whichever is the later). The NOPs will pay RTA under clause 8.1(f) no later than 10 Business Days after RTA supplies a similar document to that required in clause 8.1(e)(i).

(h) No payment by RTA will be evidence of the value of work, an admission of liability or that the work has been executed satisfactorily, but will be deemed to be a provisional payment on account and subject to a final verification audit by the Financial Auditor and RTA.

(i) The Financial Auditor may undertake an audit of a Payment Claim (whether it has been paid or not) to confirm that the amounts shown in the Payment Claim are in accordance with the terms of this Agreement. If the Financial Auditor demonstrates to the ALT that any amount shown in the Payment Claim is not in accordance with the terms of this Agreement, then any adjustment necessary must be made in the Payment Claim following that demonstration.

(j) Nothing in this clause 8.1 limits or otherwise affects RTA’s rights under section 175B(7) of the *Workers Compensation Act 1987* (NSW), section 18 of Schedule 2 Part 5 of the *Pay Roll Tax Act 2007* (NSW) or section 127 of the *Industrial Relations Act 1996* (NSW).

(k) In relation to Direct Costs incurred by RTA, RTA will submit to the Alliance Manager, at the times or periods required by the ALT:

(i) a statement of its Direct Costs for the relevant period; and

(ii) a statement by the Financial Auditor confirming that the amounts shown in the statement are in accordance with the terms of this Agreement.

### 8.2 Payment for materials not incorporated

The ALT will ensure that the Alliance procurement procedures require that a NOP does not pay a supplier for materials delivered to the Site but not incorporated into the Alliance Works unless certain conditions precedent are met. The conditions precedent will, as a minimum, include:

(a) the supplier providing evidence and documentation that unencumbered ownership will pass to RTA on or before payment to the supplier; and

(b) the NOP properly storing the materials at the Site and labelling them as property of RTA.
8.3 Payment for materials not delivered

The ALT will ensure that the Alliance procurement procedures require that a NOP does not pay a supplier for materials not delivered to the Site unless certain conditions precedent are met. The conditions precedent will, as a minimum, include the supplier providing evidence and documentation that:

(a) the material exists and its value exceeds $100,000;
(b) unencumbered ownership will pass to RTA on or before payment to the supplier; and
(c) the materials are properly stored, labelled as property of RTA and insured in the name of RTA and the relevant NOP.

8.4 RTA may make direct payments on request

Without implying any legal relations between the RTA and NOP’s workers, Subcontractors or suppliers, at a NOP’s written request and out of money due and payable to that NOP, RTA may pay money on that NOP’s behalf to workers, Subcontractors or suppliers of that NOP.

8.5 RTA may pay on court order

RTA may pay money direct to a worker, Subcontractor or supplier of a NOP and recover the amount paid from the NOP as a debt due if RTA is presented with:

(a) a court order in respect of money payable to the worker, Subcontractor or supplier under an award, enterprise agreement or Subcontract for work, services, materials, plant, equipment or advice supplied for the Alliance Works; and
(b) a statutory declaration that no money has been paid under the court order.

9. GST

(a) In this clause 9:

(i) the expressions "adjustment event", "adjustment note", "consideration", "Goods and Services Tax", "GST", "recipient created tax invoice", "recipient", "supply", "Tax Invoice" and "taxable supply" have the meaning given to those expressions in the A New Tax System (Goods and Services Tax) Act 1999 (Cth);

(ii) a reference to a payment being made or received includes a reference to consideration other than money being given or received.

(b) Unless otherwise expressly stated, all prices or other sums payable or payment to be made under or in accordance with this Agreement, do not include any amount for GST.

(c) If GST is payable on any supply made under this Agreement, the consideration for the supply must be increased by, and the recipient of the supply must pay to the supplier, an additional amount equal to the GST payable on the supply.

(d) Any contract entered into with a third party which involves supplies being made, the cost of which will affect the cost of any supplies made under this Agreement, must include a clause including equivalent terms to this clause 9.
(e) If a payment to a party under this Agreement is a reimbursement or indemnification, calculated by reference to a loss, cost or expense incurred by that party, then the payment will be reduced by the amount of any input tax credit to which that party is entitled on the acquisition of the relevant supply.

(f) If a payment is calculated by reference to or as a specified percentage of another amount or revenue stream, that payment must be calculated by reference to or as a specified percentage of the amount or revenue stream exclusive of any GST component.

(g) RTA will issue a Tax Invoice for each taxable supply it makes to the NOPs without request.

(h) RTA will issue to the NOPs a recipient created tax invoice (RCTI) for each taxable supply (other than an excluded supply) made by the NOPs to RTA under this Agreement, and will issue an adjustment note for any adjustment event. We may agree in writing from time to time which supplies are excluded supplies.

(i) NOPs must not issue a Tax Invoice in respect of any supply made to RTA, other than for an excluded supply. NOPs must give RTA a Tax Invoice for an excluded supply as part of, or before, the making of a Payment Claim which includes the relevant supply.

(j) We must notify each other if we cease to be registered for GST or cease to comply with any of the requirements of any taxation ruling issued by a taxation authority relating to the creation of RCTIs.

(k) We acknowledge that, at the time of entering into this Agreement, we are registered for GST.

(l) RTA will not issue a document that will otherwise be a RCTI, on or after the date when the NOPs fail to comply with any of the requirements of any taxation ruling issued by a taxation authority relating to the creation of RCTIs.

10. INSURANCES

10.1 Insurances provided by RTA

(a) RTA will arrange the PPL Insurances referred to as being the responsibility of RTA in Schedule 10 (Insurances) which:

(i) covers the NOPs' liabilities to RTA and to third parties for the limits of liability identified in Schedule 10 (Insurances); and

(ii) is in the names of the Participants and the Subcontractors for their respective rights and interests.

(b) The NOPs acknowledge and agree that:

(i) before entering into this Agreement, they were given a copy of or access to, and satisfied themselves as to the provisions, terms, conditions, exclusions and excesses of the PPL Insurance; and

(ii) they accept the PPL Insurance as full satisfaction of RTA's obligation to insure for public and products liability insurance under this Agreement.

(c) RTA will maintain the PPL Insurance for the term of this Agreement.
(d) Before commencing any of the Alliance Works, the NOPs must contact RTA's insurance broker, Aon Risk Services Australia Limited, to provide contract, Subcontractor and insurance details necessary for the PPL Insurance.

(e) The NOPs must provide any further details necessary for the PPL Insurance to RTA whenever directed by RTA to do so.

(f) RTA will before the CW Insurance Date use its best endeavours to arrange the CW Insurance referred to as being the responsibility of RTA in Schedule 10 (Insurances) which:

(i) is intended to cover the physical loss or damage to the Alliance Works identified in Schedule 10 (Insurances); and

(ii) will be in the names of the Participants and the Subcontractors for their respective rights and interests.

(g) The NOPs acknowledge and agree that:

(i) no work will be carried out as part of the Alliance Works before the CW Insurance Date that could result in an event which could give rise to a claim under the CW Insurance and as a consequence, the NOPs accept that there is no need for any Participant to have CW Insurance type cover at least before that date;

(ii) if RTA is unable to obtain CW Insurance by the CW Insurance Date, or it obtains CW Insurance by that date but on provisions, terms, conditions, exclusions or excesses materially and detrimentally different to those indicated in Schedule 12 (Likely Indicative Terms of Construction Material Damage Insurance Policy and Third Party Public and Products Liability Insurance Summary), the NOPs may effect such CW Insurance type cover or top up cover as determined by the ALT and the cost of such cover will form part of the Direct Costs and the need for such cover will qualify as a Scope Change; and

(iii) if the NOPs effect such CW Insurance type cover under paragraph (ii), the insurance will be deemed to be insurance which was the responsibility of the NOPs to arrange under Schedule 10 (Insurances).

(h) RTA will give the NOPs a copy of or access to the provisions, terms, conditions, exclusions and excesses of the CW Insurance promptly after RTA has obtained those details.

(i) RTA will maintain the CW Insurance from the date it is obtained by RTA until the end of the Defects Correction Period.

(j) As soon as practicable after the Date of this Agreement, the NOPs must contact RTA's insurance broker, Aon Risk Services Australia Limited, to provide contract, Subcontractor and insurance details necessary for the CW Insurance or CW Insurance type cover, as appropriate.

(k) The NOPs must provide any further details, necessary for the CW Insurance, if any, to RTA whenever directed by RTA to do so.

(l) Subject to clause 10.1(g), we must ensure that all Direct Costs and the Target Outturn Cost exclude any allowance for the cost of the Principal Arranged Insurances.
(m) We will comply with the exclusions and conditions of the Principal Arranged Insurances.

(n) Professional indemnity insurance:

(i) RTA has effected a professional indemnity policy of insurance for its own benefit. In respect of this insurance:

(A) RTA is the only beneficiary of this insurance;

(B) a determination by RTA that it will make available for the benefit of the Participants any proceeds received under this policy (having considered the advice of the ALT) will constitute a Scope Change; and

(C) the insurer's rights of subrogation against the NOPs are waived by virtue of the provisions of this Agreement. The insurer will not waive any rights of subrogation or action against any other parties.

(ii) The obtaining of the insurance referred to in paragraph (i) by RTA does not limit or otherwise affect the NOPs' obligations under this Agreement.

10.2 Insurances to be provided by NOPs

(a) Before commencing the Alliance Works, the NOPs must effect and maintain with an insurer on terms approved in writing by RTA (which approval will not be unreasonably withheld or delayed), the insurance policies referred to in Schedule 10 (Insurances) as being the responsibility of the NOPs and all other insurances required by Statutory Requirements.

(b) All insurances under clause 10.2(a) must be maintained until expiry of the Defects Correction Period.

(c) The NOPs must ensure that the Subcontractors have similar workers compensation insurance to that referred to in Schedule 10 (Insurances) in respect of their employees.

10.3 Other insurance requirements

(a) We will take out all other insurances as required by the ALT.

(b) The effecting or approval of any or all insurance as required under this Agreement will not in any way limit the liabilities or obligations of the Participants under other provisions of this Agreement.

10.4 Proof of insurance

(a) Before commencing the Alliance Works, we must provide to RTA evidence (including for non statutory insurances, a copy of the policy) of each of the policies required to be effected by the NOPs under this Agreement, except in the case of CW Insurance type cover when the evidence is required upon the cover being obtained, and such further proof of the currency of such insurances as may be required from time to time by the ALT or RTA.

(b) Nothing in this clause 10.4, nor any act or omission or failure by RTA will derogate from our liability to effect and maintain insurances under this Agreement.
10.5 Notices from or to the insurer

The NOPs must, as soon as practicable after receiving any notice from the insurer, which is a notice of cancellation relevant to this Agreement or any other notice relevant to this Agreement under or in relation to the policy, inform RTA in writing that the notice has been given to or served on that NOP.

10.6 Cross liabilities

(a) Wherever under this Agreement insurance is effected by the NOPs in more than one name, the policy of insurance must provide that, to the extent that the policy may cover more than one insured, all insuring agreements and endorsements must operate in the same manner as if there were a separate policy of insurance covering each party comprising the insured and that the insurer agrees not to impute any acts, omissions or nondisclosures before or after the policy was effected by one insured to any other insured.

(b) Such policy must provide that the insurer waives all rights, remedies or relief to which it might become entitled by subrogation against any of the parties constituting the insured and that failure by any insured to observe and fulfil the terms of the policy will not prejudice the insurance in regard to any other insured party.

10.7 Insurance claims procedures

(a) We must, as relevant to this Agreement:

(i) provide notice with full particulars of any occurrence likely to give rise to a claim under any insurance policy or on receipt of notice of any claim or subsequent proceeding as soon as practicable after becoming aware of any such event to:

(A) the relevant insurer or insurance broker; and

(B) each other (other than a potential claim by one party against another);

(ii) not, without the consent of the insurer, or each other, make any admission, offer, promise or payment in connection with any occurrence or claim;

(iii) give all information and reasonable assistance as the insurer may require in the prosecution, defence or settlement of any claim; and

(iv) give notice to each other as soon as practicable after discovery that a term, condition or clause of any insurance policy has been unintentionally or inadvertently breached.

(b) Notwithstanding the provisions of this clause, we may take immediate action to avoid loss of life or damage to property where that is reasonably necessary in the circumstances and any such action will not prejudice the position of us under the policies of insurance in respect of any loss, destruction or damage.
10.8 Pass through of insurance payouts

To the extent that any Participant receives payment under any insurance policy listed in Schedule 10 and maintained pursuant to this Agreement that reimburses any cost, loss or expense that was reimbursed or is reimbursable under this Agreement, then the relevant NOP (if applicable) will pass on that payment to RTA in full and RTA will:

(a) arrange for the Alliance Manager to issue a further statement under clause 8.1(e)(iii) to take into account the payment received under the policy; and

(b) issue further payments to the NOPs so that the total amounts paid to the NOPs under this Agreement are in accordance with the recalculated final Payment Schedule.

This Agreement will terminate on the date on whichever of the following events occurs first:

(a) RTA gives notice to the ALT that the Alliance Works will not or will no longer proceed;

(b) RTA terminates this Agreement under clause 11.2; and

(c) all the Participants agree in writing to terminate this Agreement.

11.2 Notice of termination

Notwithstanding any express or implied term of this Agreement and without prejudice to any of RTA's other rights under this Agreement, RTA may at any time in its discretion, for its sole convenience and for any reason, by written notice to the NOPs:

(a) terminate this Agreement; and

(b) in its discretion, complete the uncompleted part of the Alliance Works either itself or by engaging any other person, including any one or more of the NOPs.

11.3 Effect of termination

(a) If this Agreement is terminated under clauses 11.1 or 11.2, RTA may take and use, in any way, the whole or any part of the Alliance Works.

(b) The NOPs will have no obligations with respect to that portion of the Alliance Works that is not completed as a result of termination of this Agreement under clauses 11.1 or 11.2.

11.4 Our actions

If this Agreement is terminated under either clause 11.1 or 11.2, we will immediately:

(a) cease work under this Agreement;

(b) protect property in our possession in which RTA has or may acquire an interest;

(c) demobilise from the Site all persons, Construction Plant, Temporary Works, vehicles, equipment and other things owned by or under the control of the NOPs;

(d) assign to RTA all rights and benefits under Subcontracts;
(e) provide RTA with possession of all materials and other things on the Site or off-Site for which the RTA has paid the Alliance for and deliver to RTA all necessary documents, which are required for the Alliance Works; and

(f) comply with any directions of RTA, including any directions to carry out the activities or do the things referred to in clauses 11.4(a) to (e) (inclusive).

11.5 Termination payments

Subject to RTA’s rights under or in connection with this Agreement, including the rights to withhold or set-off payment and recover damages, if this Agreement is terminated under either clause 11.1 or clause 11.2, RTA will pay the NOPs or the NOPs will pay RTA, as the case may be, the difference between:

(a) the sum of:

(i) the amounts payable for the work executed prior to the date of termination which will in respect of the Gainshare Regime be determined on a just and equitable basis by the ALT;

(ii) the cost of materials reasonably ordered by the NOPs for the Alliance Works, which they are legally liable to accept, but only if the materials become the property of RTA after payment;

(iii) costs reasonably incurred by the NOPs in the expectation of completing the whole of the Alliance Works and not included in any payment by RTA;

(iv) reasonable costs of demobilisation; and

(v) the reasonable costs of complying with any directions given by RTA on or after termination; and

(b) an amount equal to any amounts which RTA previously paid to the NOPs,

and RTA will not otherwise be liable to the NOPs for any cost, loss, expense or damage incurred by the NOPs as a consequence of, or in connection with the Alliance Works, this Agreement or the termination of this Agreement.

12. NO ARBITRATION OR LITIGATION

Except to the extent required by any law:

(a) the ALT will attempt to determine, resolve or settle any dispute between us, other than a dispute arising out of or in connection with a Material Default; and

(b) except as provided in this Agreement, there will be no arbitration or litigation between us in relation to any dispute, other than a dispute arising out of or in connection with a Material Default.

13. DEFAULT BY PARTICIPANT

13.1 Default by us

This clause 13 applies if any of us commits a default that amounts to a Material Default (Defaulting Participant).
13.2 Notice of default

The Non-Defaulting Participants may give a joint written notice to the Defaulting Participant of:

(a) the default and the Non-Defaulting Participants' intention to exercise the Non-Defaulting Participants' rights under clause 13.3 on the expiry of 7 Business Days if the default is capable of being rectified but is not rectified within the 7 Business Day period; or

(b) the Non-Defaulting Participants' intention to exercise the Non-Defaulting Participants' rights under clause 13.3 if the default is not capable of being rectified.

Any such notice must specify that it is a notice under this clause.

13.3 Failure to remedy

If:

(a) the Defaulting Participant fails within 7 Business Days after receiving a notice given under clause 13.2(a) to rectify a default; or

(b) the Non-Defaulting Participants give notice under clause 13.2(b),

the Non-Defaulting Participants may, as the Non-Defaulting Participants sole remedy,

(c) where the Defaulting Participant is a NOP:

(i) wholly or partly suspend any payment due to the Defaulting Participant under this Agreement until the default has been remedied; and

(ii) by joint notice exclude the Defaulting Participant from further participation in the performance of this Agreement under clause 13.4 and may recover loss or damage from the Defaulting Participant under clause 14.3(b); or

(d) where the Defaulting Participant is RTA, wholly or partly suspend the Alliance Works until the default has been remedied.

13.4 Exclusion from further participation in this Agreement

If the Non-Defaulting Participants exclude the Defaulting Participant from further participation in the performance of this Agreement by notice under clause 13.3(c)(ii):

(a) the other Participants may employ and pay other persons to replace the Defaulting Participant in the performance of the Alliance Works and may use all Design Documentation, Temporary Works and Construction Plant provided by the Defaulting Participant and necessary to perform the Alliance Works;

(b) the Defaulting Participant will promptly, if required by the Non-Defaulting Participants, assign to RTA without payment the benefit of any agreements for the performance of any part of the Alliance Works;

(c) as and when required by the ALT (and not before), the Defaulting Participant will remove from the Site any Temporary Works, Construction Plant and other property provided by the Defaulting Participant and if it fails to do so, not less than 10 Business Days after written notice of the Non-Defaulting Participants' intention to do so (but without being responsible for any loss or damage), the Non-Defaulting Participants may remove and/or sell any such Temporary Works, Construction Plant or other property;
(d) the Defaulting Participant and its Representatives will no longer be entitled to be represented on the ALT or otherwise participate in the Project; and

14. REMEDIES AND LIABILITY

14.1 Rights and remedies

(a) Subject to any requirement of law, the respective rights, obligations and liabilities of each of us as set out in this Agreement exclusively govern our rights in relation to this Agreement and the Alliance Works and we do not have any other rights or remedies arising out of or in connection with this Agreement and the Alliance Works, at law (including negligence) or equity, other than as set out in this Agreement.

(b) This Agreement creates legally enforceable rights:

(i) despite the fact that certain matters are to be settled, resolved, determined or agreed by the ALT; and

(ii) irrespective of how or whether any matters to be settled, resolved, determined or agreed by the ALT are resolved, determined or agreed.

(c) Interpretation of this Agreement which is consistent with the principles in clauses 14.1(a) and 14.1(b) is to be adopted.

14.2 Civil Liability Act

(a) The operation of Part 4 of the Civil Liability Act 2002 (NSW) is excluded in relation to any rights, obligations and liabilities arising under or in relation to this Agreement regardless of how such rights, obligations or liabilities are sought to be enforced.

(b) We will use our best endeavours to ensure that a clause equivalent to clause 14.2(a) is included in:

(i) each Subcontract; and

(ii) any further contract that any Subcontractor enters into with others for the carrying out of works.

14.3 Liability under this Agreement

(a) Subject to:

(i) the indemnities in clauses 14.3(b), 16.1 and 16.3; and

(ii) the provisions of clause 14.5,

none of us will be liable to each other under or in connection with this Agreement, at law (including negligence) or equity, for any claim, action, demand or any other right for costs, expenses, damages, losses or other amounts, arising from or in
connection with this Agreement, the performance (or non-performance) of our obligations under this Agreement or the termination of this Agreement. This clause survives termination, completion or expiration of this Agreement.

(i) the Defaulting Participant's Material Default;

(ii) exercise of the right of exclusion and/or suspension under clause 13.3 or 13.4; or

(iii) termination of this Agreement arising from the Defaulting Participant's Material Default.

(c) Each indemnity in this Agreement is a continuing obligation, separate and independent from the other obligations under this Agreement and survives termination, completion or expiration of this Agreement.

(d) It is not necessary for us to incur expense or to make any payment before enforcing a right of indemnity conferred by this Agreement.

14.4 Limitations and exclusions of rights and liabilities

Any provision of this Agreement which seeks to limit or exclude a right or liability is to be construed as doing so only to the extent permitted by law.

14.5 Preservation of insurance rights

The provisions of this clause 14 operate to release a party to this Agreement from liability to another party to this Agreement to the extent only that either:

(a) the liability is not recoverable from an insurer of any policy of insurance forming part of the insurance regime agreed by the ALT or contemplated under this Agreement; or

(b) while recoverable under such insurance policy, is not in fact recovered due to the insolvency of the insurer.

15. DOCUMENT MAINTENANCE AND AUDITING

15.1 Maintenance of accounts, records and documentation

(a) Due to the "open book" nature of this Agreement, we will maintain in Australia for a period of at least seven years after the Completion of the Alliance Works or termination of this Agreement (as the case may be), a complete set of:

(d) RTA and the Financial Auditor will have the right to reproduce any Records obtained under clause 15.3 or 15.4(a).

16. CARE OF INFORMATION

16.1 Intellectual Property

(a) Unless agreed otherwise, all Intellectual Property Rights created in any document, matter or thing created or written in the course of performance of this Agreement will vest in RTA on creation and, by this Agreement, each NOP assigns to the RTA absolutely all such Intellectual Property Rights immediately upon creation.

(b) RTA grants the NOPs a non-exclusive, royalty-free licence to use RTA's Intellectual Property Rights vested under clause 16.1(a) and any other Intellectual Property Rights of or licensed to RTA that are necessary for undertaking the Alliance Works in Australia, solely for the purposes of the conduct of the Alliance Works. The licence created by this clause 16.1(b) continues subject to the exercise of any rights of RTA under clause 13 and until termination under clauses 11.1 or 11.2.

(c) Nothing in this clause 16.1 is intended to vest in RTA any Intellectual Property Rights in the pricing information or pre-existing business methodologies of any NOP.

(d) We must ensure that, in providing the Alliance Works, we will not infringe the Intellectual Property Rights of any person or company, and each NOP must ensure that Intellectual Property Rights sufficient to permit RTA's use, maintenance and future modification of the Alliance Works are available to RTA and its nominated sub-licensees and sub-contractors as part of the Alliance Works.

(e) Records relating to Intellectual Property Rights created by us for the purposes of undertaking the Alliance Works are and will remain the sole property of RTA.

Each NOP must use its best endeavours to:

(a) obtain in writing from its officers, employees, Subcontractors, agents and licensees all necessary, unconditional and irrevocable:

(ii) to the extent a consent is not permitted by applicable law, waivers permitted by applicable law of their respective moral rights in the Material, for the benefit of RTA;

(b) provide RTA with copies of each written consent and waiver obtained under this clause 16.2, at RTA’s request; and

(d) satisfy any settlement of, or judgement given, in any claim or proceedings to be made by or against RTA to the extent of the indemnity contained in clause 16.3(c).

16.4 Conflict of interest

We must:

(a) disclose the full particulars of any actual, potential or possible conflict of interest which arises or may arise in connection with this Agreement, whether that conflict concerns us or any person employed or retained by us for or in connection with the provision of the Alliance Works;
(b) not allow ourselves to be placed in a position of conflict of interest or duty in regard to any of our rights or obligations under this Agreement (without the prior consent of each other) before we participate in any decision in respect of that matter; and

(c) ensure that our Representatives and our other agents and employees also comply with the requirements of paragraphs (a) and (b) when acting in connection with this Agreement.

16.5 Confidentiality

(a) Except for the efficient performance of the Alliance Works, the NOPs will not, and will ensure that those for whom they are responsible do not:

(i) disclose to any person any information; or

relating to this Agreement, the Alliance Works or the Project, without obtaining RTA’s prior written consent (which consent can be withheld in the discretion of RTA).

(b) If requested by RTA, the NOPs will execute a confidentiality agreement, on terms reasonably required by RTA, in relation to any information obtained by us for the purposes of this Agreement, the Alliance Works or the Project.

(c) We must take all reasonable steps to protect the confidentiality of all information relating to the Agreement, the Alliance Works and the Project.

(d) Clause 16.5(a) does not apply to any information that is:

(i) in or enters the public domain, except through disclosure contrary to this Agreement; or

(ii) or was made available to the NOP by a person who is or was not under any obligation of confidence in relation to that information.

(e) The obligations of confidentiality set out in this clause 16.5 do not apply to the extent that a NOP is required by any applicable law, the requirement of any Authority or the rules of any stock exchange to disclose any information, provided the NOP:

(i) promptly gives notice to RTA of that requirement;

(ii) takes all lawful measures available, and allows RTA to take all lawful measures available, to restrict disclosure of information; and

(iii) discloses only that portion of information which it is legally required to disclose.

(f) RTA may make information concerning the NOPs available to other NSW Government authorities and ministries, including information provided by a NOP to RTA and information relating to a NOP’s performance under this Agreement.

(g) Each NOP:

(i) acknowledges that RTA will disclose information on this Agreement under section 15A(2) of the Freedom of Information Act 1989 (NSW) (FOI Act) and may be required to disclose information about the Project and Participants under the FOI Act or if requested by Parliament;
(ii) must provide RTA with details of any Related Body Corporate, or any other private sector entity in which the NOP has an interest, that will be involved in performing any of the NOP’s obligations under this Agreement or that will receive a benefit under this Agreement;

(iii) agrees that the obligation in clause 16.5(g)(ii) is a continuing obligation under this Agreement; and

Notes

1. This form is prepared for the purpose of section 175B of the Workers Compensation Act 1987, Schedule 2 Part 5 Payroll Tax Act 2007 and section 127 of the Industrial Relation Act 1996. If this form is completed in accordance with these provisions, a principal contractor is relieved of liability for workers compensation premiums, payroll tax and remuneration payable by the subcontractor.

A principal contractor can be generally defined to include any person who has entered into a contract for the carrying out of work by another person (or other legal entity called the subcontractor) and where employees of the subcontractor are engaged in carrying out the work which is in connection with the principal contractor's business.

2. For the purpose of this Subcontractor’s Statement, a principal contractor is a person (or other legal entity), who has entered into a contract with another person (or other legal entity) referred to as the subcontractor, and employees/workers of that subcontractor will perform the work under contract. The work must be connected to the business undertaking of the principal contractor.

3. Provide the unique contract number, title, or other information that identifies the contract.

4. In order to meet the requirements of s127 Industrial Relations Act 1996, a statement in relation to remuneration must state the period to which the statement relates. For sequential Statements ensure that the dates provide continuous coverage.

Section 127(6) of the Industrial Relations Act 1996 defines remuneration ‘as remuneration or other amounts payable to relevant employees by legislation, or under an industrial instrument, in connection with work done by the employees.’

Section 127(11) of the Industrial Relations Act 1996 states ‘to avoid doubt, this section extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.’

5. Provide the date of the most recent payment claim.

6. For Workers Compensation purposes an exempt employer is an employer who pays less than $7500 annually, who does not employ an apprentice or trainee and is not a member of a group.

7. In completing the Subcontractor’s Statement, a subcontractor declares that workers compensation insurance premiums payable up to and including the date(s) on the Statement have been paid, and all premiums owing during the term of the contract will be paid.

8. In completing the Subcontractor’s Statement, a subcontractor declares that all remuneration payable to relevant employees for work under the contract has been paid.

9. In completing the Subcontractor’s Statement, a subcontractor declares that all payroll tax payable relating to the work undertaken has been paid.

10. It is important to note that a business could be both a subcontractor and a principal contractor, if a business ‘in turn’ engages subcontractors to carry out the work. If your business engages a subcontractor you are to also obtain Subcontractor’s Statements from your subcontractors.

Statement Retention

The principal contractor receiving a Subcontractor’s Statement must keep a copy of the Statement for the periods stated in the respective legislation. This is currently up to seven years.
Offences in respect of a false Statement

In terms of s127(8) of the *Industrial Relations Act 1996*, a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence if:

(a) the person is the subcontractor;
(b) the person is authorised by the subcontractor to give the statement on behalf of the subcontractor; or (c) the person holds out or represents that the person is authorised by the subcontractor to give the statement on behalf of the subcontractor.

In terms of s175B of the *Workers Compensation Act* and clause 18 of Schedule 2 of the *Payroll Tax Act 2007* a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence.
