Temporary closure of Macdonalds Road, Lisarow, from Saturday 6 July

The NSW Government is investing $178 million to duplicate the Pacific Highway between Ourimbah Street and Parsons Road, Lisarow to improve traffic flow and safety.

Macdonalds Road will be temporarily closed to all through traffic near the Tuggerah Street intersection from Saturday 6 July for two weeks. Pedestrian access will be maintained during the closure.

How will the work affect you?

Macdonalds Road will be closed temporarily to allow work activities to continue on the Pacific Highway duplication, including building the new road alignment and traffic light installation at the Pacific Highway and Tuggerah Street intersection.

There are a number of utilities that need to be moved near the Macdonalds Road and Tuggerah Street intersection which will prevent access to traffic through to the Pacific Highway. Tuggerah Street will remain open to traffic during this work.

Traffic changes

Macdonalds Road will be closed for two weeks to allow for this work to be carried out, weather permitting. A detour will be available for road users via Macdonalds Road, Nexus Way and The Ridgeway to access the Pacific Highway. We have included a map to show the detour route.

We have consulted emergency services, Central Coast Council and other service providers in planning for the temporary closure.

Contact

If you have any questions, or complaints please contact the project information line on 1800 560 667.
