**Project update**

**Wyong Road and Enterprise Drive intersection upgrade, Chittaway Bay**

*June 2016*

**The NSW Government is funding this $28 million project to improve traffic flow and safety at the intersection.**

The upgrade involves replacing the existing roundabout at the Wyong Road intersection at Enterprise Drive and Chittaway Road with traffic lights.

Major construction work started in September 2015 and is expected to be completed by December 2016, weather permitting.

**Construction update**

Construction is progressing well and the following key activities have been completed or are underway:

- Major upgrades to drainage on the western side of Wyong Road are close to completion
- Overhead electricity wires have been relocated underground.
- Initial underground work has started for the installation of traffic lights.

**What’s coming up**

In the coming months, we expect to finish:

- Road widening and a new shared path on the western side of Wyong Road
- Road widening on the northern side of Enterprise Drive
- The installation of new upgraded street lighting and the relocation of a bus stop on Wyong Road.

Widening will soon start on the eastern side of Wyong Road and southern side of Enterprise Drive.
Traffic
To ensure the safety of workers and all road users, a temporary reduced 40 km/h speed limit, lane closures and traffic control will be in place.

For the latest traffic information, visit www.livetraffic.com, download Live Traffic App or call the Transport Management Centre on 132 701.

Working with the community
Around 48,000 vehicles a day travel through this section of Wyong Road, Roads and Maritime Services is conscious of the effect construction activities have and is committed to minimising impacts where possible.

Work will continued to be carried out during standard construction hours from Mondays to Fridays between 7am and 6pm and Saturdays between 8am and 1pm, excluding public holidays.

We may need to conduct additional out of hours work to complete this project. We will notify the community separately and ahead of time when we are planning this work.

The project team will continue to keep the community informed about the project as it progresses via letterbox drops; signage; traffic alerts to the local media; web updates on the Live Traffic NSW website and project web page at rms.nsw.gov.au/wyongroad-enterprisedrive

How has your experience been so far?
Since construction started, we have been responding to inquiries and keeping the community informed about the project as it progresses. We would really appreciate your feedback about our communication with you, by completing our short survey at rms.nsw.gov.au/wyongroad-enterprisedrive

Contact
If you have questions about this work, please contact our delivery partner BMD Constructions on 1800 77 22 72 (24hrs).

For further information on the project, please contact the Roads and Maritime Project Manager, Bandula Wijesinghe on 02 4379 7018 during business hours.

Thank you for your patience during this important work.
