Traffic changes on the intersection of Wyong Road and Enterprise Drive, Chittaway Bay, from 29 September

The NSW Government is funding this $28 million project to improve traffic flow and safety, while catering for future traffic growth.

Roads and Maritime Services is continuing to deliver this important project. From 5am on Thursday 29 September, weather permitting, new traffic lights will be turned on at the intersection of Wyong Road and Enterprise Drive replacing the current roundabout.

Left and right turning options as well as through lanes will be available from all approaches to the intersection including Wyong Road, Enterprise Drive and Chittaway Road. We have included a map over the page to explain the new temporary intersection layout.

To prepare for these changes, night work has been carried out intermittently since July. Our working hours leading up to the switch will continue to be from 7pm to 5am Sundays to Wednesdays and 8pm to 5am Thursdays.

How will the work affect you?
There will continue to be some noise associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations and completing the noisiest work before 11pm. We will also make every effort to minimise obstructions to driveways.

Traffic changes
There will be some temporary traffic changes to make sure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact
If you have any questions, please call our delivery partner BMD Constructions on 1800 772 272 (24hrs). For further information on the project, please contact the Roads and Maritime Services Project Manager, Bandula Wijesinghe on 02 4379 7018 during business hours.

Thank you for your patience during this important work.
