Heavy vehicle restrictions on Luskintyre Bridge, Luskintyre from Monday 1 February 2016

The NSW Government is funding this $4.9 million essential maintenance project to strengthen and repair the bridge.

Roads and Maritime is continuing to carry out major repairs and maintenance on Luskintyre Bridge including bridge strengthening, rehabilitation and painting. Work to prepare the bridge for painting started in early January.

Work will be carried out Monday to Friday between 7am and 6pm and Saturday from 8am to 1pm. We expect to complete painting in July 2016, weather permitting.

How will the work affect you?
There will be some noise associated with this work. We will make every effort to minimise noise by scheduling noisy activities to occur after 7am.

Traffic changes
Temporary traffic changes to ensure the safety of the work zone remain in place. The bridge will continue to be reduced to a single lane, controlled by traffic controllers during work hours and traffic lights outside of work hours.

As part of the painting work, Luskintyre Bridge will be closed to heavy vehicles over 30 tonnes from 1 February 2016 until late July 2016. Detour routes will be available for heavy vehicles during this time. We have included a map to help better explain the alternate routes. We will advise motorists using electronic message signs at the bridge if further changes to traffic conditions are required.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact
If you have any questions, please call our project manager, David MacGregor on 02 4924 0643 or email david.macgregor@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au

Thank you for your patience during this important work.
Luskintyre Bridge will be closed to vehicles greater than 30 tonnes from February 2016 to July 2016.

Detour through Branxton, Elderslie adds 28 km or about 25 min journey time.

Detour through Bolwarra Heights adds 29 km or about 25 min journey time.

Luskintyre Bridge – closed to vehicles weighing 30t or more.
