Have your say – Proposed safety upgrade on Memorial Avenue, Blackwall

The NSW Government is planning safety improvements between Blackwall Road and Warwick Street to reduce the number and severity of crashes.

In the five years to June 2018 there were 14 crashes along this section of Memorial Avenue, including nine resulting in injury.

Roads and Maritime Services is seeking your feedback on a proposal which helps prevent vehicles from crossing to the wrong side of the road. The proposal includes:

- building a raised concrete median with re-directive kerb between the northbound and southbound lanes on Memorial Avenue
- widening the road and associated activities to accommodate the new concrete median
- restricting right turn movements at Wallaby Street

The proposed right turn restrictions would mean motorists wanting to turn right in and out of the area would need to use Wyalong Road or Warwick Street.

We have included a diagram to show the proposed upgrade.

How can you give feedback?

You are invited to provide feedback by 22 April 2019 to our Project Manager, David Crowley at david.crowley@rms.nsw.gov.au or:

Att: David Crowley
Roads and Maritime Services
Locked Bag 2030
Newcastle, NSW 2300

We will carefully consider your feedback and continue to keep you updated as the project progresses.

Contact

If you have any questions, please contact our Project Manager, David Crowley on 02 4352 5411 or david.crowley@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 02 4352 5411.
