

Cabarita Wharf car park improvements

Community update 6

Transport for New South Wales | March 2018

The NSW Government is proposing to improve the car park at Cabarita Wharf as part of the Transport Access Program.

Existing car park at Cabarita Wharf

Background

Work to upgrade the Cabarita Wharf started on Wednesday 14 February 2018. Consultation on the Review of Environmental Factors for the Wharf upgrade was carried out in November and December 2017. As the area surrounding the car park was identified as an area of Aboriginal heritage significance an addendum to the Review of Environmental Factors assessing the car park upgrade is being prepared. Consultation with Aboriginal community groups has started and will continue throughout the duration of the upgrade. The upgraded car park would provide 15 new car spaces, a new retaining wall and a new turning circle. The addendum to the Review of Environmental Factors will outline the details of the proposed upgrade, potential impacts, and how these will be managed.

The impact on parkland during construction will be minimal

Proposed upgrade of the existing car park at Cabarita

Have your say

We invite your comments on the proposed car park upgrade to inform the addendum to the Review of Environmental Factors. Feedback can be made until **Monday 26 March 2018**.

Feedback can be sent to:

Wharf Upgrade Program – Cabarita

Locked Bag 928

North Sydney NSW 2059

wharfupgradeprogram@rms.nsw.gov.au

Next steps

All feedback received will be reviewed to help inform the addendum to the Review of Environmental Factors. Once the addendum has been approved it will be available to view at rms.nsw.gov.au/wharfupgrades. Community and stakeholders would be advised before the start of construction.
