

## **New 24 hour clearways on City West Link, Dobroyd Parade and Wattle Street from Rozelle to Ashfield from Monday 3 April**

### **The NSW Government is acting to reduce congestion and delays by introducing new and extended clearways on Sydney's roads.**

Roads and Maritime Services is installing 24 hour clearways on City West Link/Dobroyd Parade/Wattle Street from Victoria Road in Rozelle to Parramatta Road in Ashfield. We have included a map to help explain where the 24 hour clearways will be implemented. This area has existing clearways in place during weekday peak hours and 'no stopping' and 'no parking' zones at all other times.

Clearways help traffic flow by allowing us to tow vehicles that stop illegally or breakdown. This ensures all lanes are available to traffic at all times.

The new clearway will be in place **24 hours a day, seven days a week** from **Monday 3 April**. Any vehicles parked in the clearway on or after this date risk being fined and towed.

Parking will still be permitted in the indented parking bays between Lonsdale and Beames streets, Lilyfield.

We will install the new signs from **Tuesday 28 March to Sunday 2 April**, weather permitting. Our working hours will be from **8pm to 5am**.

### **How will the work affect you?**

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

### **Traffic changes**

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **What is a clearway?**

You must not stop or park on a length of road where a clearway is in operation. The drivers of public buses and taxis are permitted to stop when dropping off or picking up passengers. If your vehicle is left on a clearway it will be towed away, usually to a nearby street, and fines apply.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on 131 700.

---

## Sydney's Clearways Strategy

The NSW Government has committed \$121 million to installing new clearways on Sydney's road network. Since 2013, we've installed over 150 kilometres of new clearways across some of Sydney's busiest corridors and we are continuing to investigate new weekday and weekend clearways across the network. For more information on our Clearway Program, visit [www.rms.nsw.gov.au/clearways](http://www.rms.nsw.gov.au/clearways).

## Contact

If you have any questions, please contact the Clearways project team on 1300 706 232 or [clearways@rms.nsw.gov.au](mailto:clearways@rms.nsw.gov.au).
