

Have your say – Maritime Heritage Precinct Marina

The NSW Government is proposing to construct a marina next to the Australian National Maritime Museum in Pyrmont Bay to showcase the largest collection of historical maritime vessels in the Southern Hemisphere.

Roads and Maritime Services is seeking your feedback on the Review of Environmental Factors (REF) for the Maritime Heritage Precinct Marina from **28 January to 1 March 2019**.

The proposed marina consists of two new wharves, pontoons and a small vessel facility. This would bring together historical maritime vessels in one place and will showcase the operational vessels of the Sydney Heritage Fleet for the enjoyment and education of the general community, preserving Australia's maritime story and historical connection to the water.

The REF can be viewed online at rms.nsw.gov.au/mhp or at the following locations:

- **Australian National Maritime Museum** (foyer) 2 Murray Street Darling Harbour
- **City of Sydney Council** Town Hall House, Level 2, 456 Kent Street, Sydney
- **Roads and Maritime Office** (reception) 33 James Craig Road, Rozelle
- **Customs House Library** 31 Alfred Street, Circular Quay

Have your say

Two community information sessions are being held in the Wharf 7 Foyer of the Australian National Maritime Museum, 2 Murray Street, Darling Harbour on:

- **Thursday – 7 February 6pm to 9pm**
- **Saturday – 9 February 10am to 2pm**

Information on the project will be displayed and the project team will be on hand to answer your questions. Feedback forms will also be available to submit any feedback on the project.

We encourage you to send us your comments by **Friday 1 March 2019** to:
