

Upgrades on Parramatta Road at Concord

Start of work

Roads and Maritime Services | January 2019

Location of work at the intersection of Parramatta Road and Shaftesbury Road, Concord

The NSW Government is investing in this work to ease congestion and improve travel time on Sydney's key corridors.

Roads and Maritime Services will be carrying out improvements at the intersection of Parramatta Road and Shaftesbury Road, Concord.

We will provide an additional right turn lane from Parramatta Road into Shaftesbury Road and rebuild the pedestrian paths and fencing at the widened intersection.

This upgrade will allow more vehicles to queue in the right turn bays without overflowing into through lanes, reducing congestion and improving travel times.

Key benefits

- Improve traffic flow at the intersection
- Improve road safety and help reduce the number of crashes
- Ease congestion and improve travel time reliability.

What will the work include?

The main project work will include:

- Providing an additional eastbound right turn lane on Parramatta Road into Shaftesbury Road
- Widening Parramatta Road on the northern side and Shaftesbury Road on the western side for the additional right turn lane
- Realigning the footpath on Parramatta Road and Shaftesbury Road
- Removing about 27 trees along the front of Concord Oval with replacement landscaping and replanting
- Removing about 40 metres of southbound parking on the eastern side of Shaftesbury Road to allow traffic to merge into one lane after turning right from Parramatta Road
- Installing a stop sign and stop line at the corner of Loftus Street and Parramatta Road
- Upgrading traffic lights and drainage, relocating services and replacing asphalt and lane markings.

Our planned work schedule

Work is scheduled to start on Tuesday 29 January 2019. We plan to be on site for up to **five nights a week** and up to **six days a week**, between **January 2019** and **March 2020**, weather permitting.

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and **8am** to **1pm** on **Saturday**. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**.

We will not be working on public holidays.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier tasks by **midnight**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions.
